Accordingly, it is the opinion of the Board that if such a company is issuing or offering its redeemable stock for sale, it is “primarily engaged in the issue, public sale, or distribution, of securities” and that section 32 of the Banking Act of 1933, as amended, prohibits an officer, director or employee of any such company from serving at the same time as an officer, director or employee of any member bank. It is the Board’s view that this is true even though the shares are sold to the public through independent organizations with the result that the investment company does not derive any direct profit from the sales.

If, however, the company has ceased to issue or offer any of its stock for sale, the company would not be engaged in the issuance or distribution of its stock, and, therefore, the prohibition contained in section 32 would be inapplicable unless the company were primarily engaged in the underwriting, public sale or distribution of securities other than its own stock.

§ 250.402 Service as officer, director, or employee of licensee corporation under the Small Business Investment Act of 1958.

(a) The Board of Governors has been requested to express an opinion whether §218.1 would prohibit an officer, director, or employee of a member bank from serving at the same time as an officer, director, or employee of a Licensee corporation under the Small Business Investment Act of 1958 (15 U.S.C. 661 et seq.). It is understood that a Licensee would be authorized to engage only in the activities set forth in the statute, namely, to provide capital and long-term loan funds to small business concerns.

(b) In the opinion of the Board, a corporation engaged exclusively in the enumerated activities would not be “primarily engaged in the issue, flotation, underwriting, public sale, or distribution, at wholesale or retail, or through syndicate participation, of stocks, bonds, or other similar securities.” Accordingly, the prohibition of §218.1 would not apply to serving as an officer, director, or employee of either a small business investment company organized under the Small Business Investment Act of 1958, or an investment company chartered under the laws of a State solely for the purpose of operating under the Small Business Investment Act of 1958.

§ 250.403 Service of member bank and real estate investment company.

(a) The Board recently considered two inquiries regarding the question whether proposed real estate investment companies would be subject to the provisions of sections 20 and 32 of the Banking Act of 1933 (12 U.S.C. 377...
§ 250.404 Serving as director of member bank and corporation selling own stock.

(a) The Board recently considered the question whether section 32 of the Banking Act of 1933 (12 U.S.C. 78) would be applicable to the service of a director of a corporation which planned to acquire or organize, as proceeds from the sale of stock became available, subsidiaries to operate in a wide variety of fields, including manufacturing, foreign trade, leasing of heavy equipment, and real estate development. The corporation had a paid-in capital of about $60,000 and planned to sell additional shares at a price totaling $10 million, with the proviso that if less than $3 million worth were sold by March 1962, the funds subscribed would be refunded. It thus appeared to be contemplated that the sale of stock would take at least a year, and there appeared to be no reason for believing that, if the venture proved successful, additional shares would not be offered so that the corporation could continue to expand.

(b) The Board concluded that section 32 would be applicable, stating that although §218.102, as clarified by §218.104, related to closed-end investment companies, the rationale of that interpretation is applicable to corporations generally.
