SOURCE: 50 FR 27215, July 2, 1985, unless otherwise noted.

§ 403.1 General policies and definitions.

(a) This regulation of the Export-Import Bank (the Bank) implements exec-

utive orders which govern the classification, declassification, and safeguarding of national security information and material of the United States. This regulation is based on Executive Order 12356, National Security Information, April 2, 1982 (3 CFR, 1982 Comp. p. 166) (hereafter referred to as the *Order*), Information Security Oversight Directive No. 1, June 25, 1982 (32 CFR part 2001) (hereafter referred to as the *Directive*), and National Security Decision Directive 84, "Safeguarding National Security Information," signed by the President on March 11, 1983 (hereafter referred to as *NSDD 84*). Violation of the provisions of part 403 may result in the imposition of administrative penalties, and civil and criminal penalties under applicable law. Executive Order 12356 prescribes a uniform system for classifying, declassifying, and safeguarding national security information. It recognizes that it is essential that the public be informed concerning the activities of the Government, but that the interests of the United States and its citizens require that certain information concerning the national defense and foreign relations be protected against unauthorized disclosure. Information may not be classified under the Order unless its disclosure reasonably could be expected to cause damage to the national security.

(b) For the purposes of the Order, the Directive and these guidelines, the following terms shall have the meanings specified below:

(1) *Information* means any information or material, regardless of its physical form or characteristics, that is owned by, produced by or for, or is under the control of the United States Government.

(2) *National security information* means information that has been determined pursuant to this Order or any predecessor order to require protection against unauthorized disclosure and that is so designated.

(3) *Foreign government information* means: (i) Information provided by a foreign government or governments, an international organization of governments, or any element thereof with the expectation, expressed or implied, that

§ 403.2

12 CFR Ch. IV (1–1–10 Edition)

the information, the source of the information, or both, are to be held in confidence; or

(ii) Information produced by the United States pursuant to or as a result of a joint arrangement with a foreign government or governments or an international organization of governments, or any element thereof, requiring that the information, the arrangement, or both, are to be held in confidence.

(4) *National security* means the national defense or foreign relations of the United States.

(5) *Confidential source* means any individual or organization that has provided, or that may reasonably be expected to provide, information to the United States on matters pertaining to the national security with the expectation, expressed or implied, that the information or relationship, or both, be held in confidence.

(6) *Original classification* means an initial determination that information requires, in the interest of national security, protection against unauthorized disclosure, together with a classification designation signifying the level of protection required.

§ 403.2 Responsibilities.

In the carrying out of security procedures, responsibility falls on all personnel generally and on certain personnel in a more particular manner.

(a) *Individual*. Each employee of the Bank having access to classified material has an individual responsibility to protect such information. Classified information should be secured in approved equipment or facilities whenever it is not under the direct control of the employee.

(b) *Office and Division Heads*. These officials have the additional responsibility of a continuing review for ascertaining that security procedures are properly observed by the personnel comprising their respective offices.

(c) *Security Officer*. (1) The Security Officer has the responsibility for developing, inspecting, and advising on procedures and controls for safeguarding classified material originating in, received by, in transit through, or in custody of the Bank; the training and orientation of employees; the carrying

out of inspections; and the destruction of obsolete and non-record material.

(2) The Security Officer shall be responsible for disseminating written material and conducting oral briefings to inform Bank personnel of the Order, Directive, and regulations. An explanation of the practical application of these procedures and the underlying policy objectives thereof shall be emphasized.

(d) *Security Committee*. (1) This Committee consists of the General Counsel, as Chairperson, the Security Officer, and other Bank employees, as designated by the President and Chairman (hereinafter referred to as the *Chairman*) and is responsible for the implementation and enforcement of the Order and the Directive. This Committee will act on all matters with respect to the Bank's administration of these regulations.

(2) All suggestions and complaints regarding the Bank's Information Security Program, including those regarding over-classification, failure to declassify, or delay in declassifying, not otherwise provided for herein, shall be referred to the Security Committee for review.

(3) The Security Committee shall have responsibility for recommending to the Chairman appropriate administrative action to correct abuse or violation of these regulations or of any provision of the Order or Directive thereunder, including but not limited to notification by warning letter, formal suspension without pay, and removal. Upon receipt of such a recommendation, the Chairman shall make a decision and advise the Security Committee of this action.

§ 403.3 Classification principles and authority.

(a) *Classification Principles*. (1) Except as provided in the Atomic Energy Act of 1954, as amended, the Order provides the only basis for classifying national security information. Information held by the Bank will be made available to the public to the extent possible consistent with the need to protect the national defense or foreign relations, as required by the interests of the United

Export-Import Bank of the U.S.

§ 403.3

States and its citizens. Accordingly, security classification shall be applied only to protect the national security.

(2) Before a classification determination is made, each item of information that may require protection shall be identified exactly. This requires identification of that specific information, disclosure of which could affect the national security. When there is reasonable doubt about the need to classify, the information should be safeguarded as if it were confidential until a final determination is made by an authorized classifier as to its classification. The final determination must be made within thirty (30) days.

(b) *Classification Designations.* Information which requires protection against unauthorized disclosure in the interest of national security (*classified information*) shall be classified at one of the following three levels:

(1) TOP SECRET shall be applied only to information, the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security.

(2) SECRET shall be applied only to information, the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security.

(3) CONFIDENTIAL shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause damage to the national security.

Except as provided by statute, no other terms, such as *SENSITIVE, OFFICIAL BUSINESS ONLY, AGENCY, BUSINESS, ADMINISTRATIVELY*, etc., shall be used within the Bank in conjunction with any of the three classification levels defined above.

(c) *Original Classification Authority and Criteria.* (1) The Bank's authority to assign original classification to any document is limited as follows and is nondelegable:

Classification	Classifier
CONFIDENTIAL	President and Chairman. First Vice President and Vice Chairman. General Counsel. Senior Vice Presidents. Security Officer.

(2) A determination to classify information shall be made by an original classification authority when the information concerns one or more of categories (i) through (x) of this paragraph, and when the unauthorized disclosure of the information, either by itself or in the context of other information, reasonably could be expected to cause damage to the national security. Information shall be considered for classification if it concerns:

(i) Military plans, weapons, or operations;

(ii) The vulnerabilities or capabilities of systems, installations, projects, or plans relating to the national security;

(iii) Foreign government information;

(iv) Intelligence activities (including special activities), or intelligence sources or methods;

(v) Foreign relations or foreign activities of the United States;

(vi) Scientific, technological, or economic matters relating to the national security;

(vii) United States Government programs for safeguarding nuclear materials or facilities;

(viii) Cryptology;

(ix) A confidential source; or

(x) Other categories of information that are related to the national security and that require protection against unauthorized disclosure as determined by the President of the United States, by the Chairman or by other officials who have been delegated original classification authority by the President. Recommendations concerning the need to designate additional categories of information that may be considered for classification shall be forwarded through the Security Officer to the Chairman for determination. Such a determination shall be reported to the Director of the Information Security Oversight Office.

(3) Information that is determined to concern one or more of the above categories shall be classified when an original classification authority also determines that its unauthorized disclosure, either by itself or in the context of other information, reasonably could be expected to cause damage to

§ 403.3

12 CFR Ch. IV (1–1–10 Edition)

the national security. Accordingly, certain information which would otherwise be unclassified may require classification when associated with other unclassified or classified information. Classification on this basis shall be supported by a written explanation that, at a minimum, shall be maintained with the file or reference on the recent copy of the information.

(4) Unauthorized disclosure of foreign government information, the identity of a confidential foreign source, or disclosure of intelligence sources or methods is presumed to cause damage to the national security.

(5) Information classified in accordance with the above classification categories shall not be declassified automatically as a result of any unofficial publication or inadvertent or unauthorized disclosure in the United States or abroad of identical or similar information.

(d) *Duration of Original Classification.*

(1) Information shall be classified as long as required by national security considerations. When it can be determined, a specific date or event for declassification shall be set by the original classification authority at the time the information is originally classified. If the date or event for declassification cannot be determined at the time of classification, the standard notation "Originating Agency's Determination Required", or its abbreviation "OADR", should be entered on the "Declassify on" line.

(2) Automatic declassification determinations under predecessor orders shall remain valid unless the classification is extended by an authorized declassification authority. These extensions may be by individual documents or categories of information, provided, however, that any extension of classification on other than an individual document basis shall be reported to the Director of the Information Security Oversight Office. The declassification authority shall be responsible for notifying holders of the information of such extensions.

(3) Information classified under predecessor orders and marked for declassification review shall remain classified until reviewed for declassification under the provisions of the Order.

(e) *Marking and Identification.* (1) Classified information must be marked, or otherwise identified, to inform and warn the holder of the information of its sensitivity. The classifier is responsible for ensuring that proper classification markings are applied. At the time of classification, the following information shall be shown on the face of all classified documents, or clearly associated with other forms of classified information in a manner appropriate to the medium involved, unless this information itself would reveal a confidential source or relationship not otherwise evident in the document or information:

(i) One of the three classification levels defined in § 403.3(b); "(TS)" for Top Secret, "(S)" for Secret, "(C)" for Confidential, and "(U)" for Unclassified; with each page marked at top and bottom according to the highest level of classified information on each page.

(ii) The identity of the original classification authority if other than the person whose name appears as the approving or signing official;

(iii) The agency and office of origin; and

(iv) The date or event for declassification, or the notation "Originating Agency's Determination Required."

(2) Each classified document shall, by marking or other means, indicate which portions are classified, with the applicable classification level, and which portions are not classified. The Chairman may, for good cause, grant and revoke waivers of this requirement for specified classes of documents or information. The Director of the Information Security Oversight Office shall be notified of any waivers.

(3) Marking designations implementing the provisions of the Order, including abbreviations, shall conform to the standards prescribed in implementing directives issued by the Information Security Oversight Office. All authorized classifiers shall be issued a uniform stamp that has a "Classified by" line and a "Declassify on" line.

(4) Documents that contain foreign government information shall include either the marking, "FOREIGN GOVERNMENT INFORMATION", or a marking that otherwise indicates that the information is foreign government

information. If that fact must be concealed, the document will be marked as if it were of U.S. origin. Foreign government information shall either retain its original classification or be assigned a United States classification that shall ensure a degree of protection at least equivalent to that required by the entity that furnished the information.

(5) Documents that contain information relating to intelligence sources or methods shall include the following marking unless proscribed by the Director of the Central Intelligence; WARNING NOTICE—INTELLIGENCE SOURCES OR METHODS INVOLVED.

(6) Information assigned a level of classification under predecessor orders shall be considered as classified at that level of classification despite the omission of other required markings. Omitted markings may be inserted on a document by the General Counsel or the Security Officer.

(f) *Limitations on Classification.* (1) In no case shall information be classified in order to conceal violations of law, inefficiency, or administrative error; to prevent embarrassment to a person, organization, or agency; to restrain competition; or to prevent or delay the release of information that does not require protection in the interest of national security.

(2) Basic scientific research information not clearly related to the national security may not be classified.

(3) The Chairman or other authorized original classifiers may reclassify information previously declassified and disclosed if it is determined in writing that—

(i) The information requires protection in the interest of national security, and

(ii) The information may reasonably be recovered.

In making such determination, the Chairman or any other authorized original classifier shall consider the following factors: The lapse of time following disclosure; the nature and extent of disclosure; the ability to bring the fact of reclassification to the attention of persons to whom the information was disclosed; the ability to prevent further disclosure; and the ability to retrieve the information vol-

untarily from persons not authorized access to its reclassified state. These reclassification actions shall be reported promptly to the Director of the Information Security Oversight Office.

(4) Information may be classified or reclassified after an agency has received a request for it under the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act of 1974 (5 U.S.C. 552a), or the mandatory review provisions of the Order and these regulations, if such classification meets the requirements of the Order and is accomplished personally and on a document-by-document basis by the Chairman, the Vice Chairman, or the Security Officer.

§ 403.4 Derivative classification.

(a) *Use of derivative classification.* (1) Unlike original classification which is an initial determination, derivative classification is an incorporation, paraphrasing, restatement, or generation in new form of information that is already classified. Derivative classification is the responsibility of those who only reproduce, extract, or summarize classified information, or who only apply classification markings derived from source material or as directed by a classification guide. Original classification authority is not required for derivative classification.

(2) Persons who apply such derivative classification markings shall:

(i) Respect original classification decisions;

(ii) Verify the information's current level of classification so far as practicable before applying the markings; and

(iii) Carry forward to any newly created documents the assigned dates or events for declassification or review. The latest date for declassification should be entered in the case of multiple source documents.

(b) *New Material.* (1) New material that derives its classification from information classified on or after the effective date of the Order, April 2, 1982, shall be marked with the declassification date or event, or the date for review, as assigned to the source information.

§ 403.5

12 CFR Ch. IV (1-1-10 Edition)

(2) New material that derives its classification under prior orders shall be treated as follows:

(i) If the source material bears a classification date or event 20 years or less from the date or origin, that date or event shall be carried forward on the new material.

(ii) If the source material bears no declassification date or event or is marked for declassification beyond 20 years, the new material shall be marked with a date for review for declassification at 20 years from the date of original classification of the source material.

(iii) If the source material is foreign government information bearing no date or event for declassification or is marked for declassification beyond 30 years, the new material shall be marked for review for declassification at 30 years from the date of original classification of the source materials.

(iv) A copy of the source document or documents should be maintained with the file copy of the new document or documents which have been derivatively classified.

§ 403.5 Declassification and downgrading.

(a) *Authority and policy for declassification and downgrading.* Information that continues to meet the classification requirements prescribed in § 403.3(c) despite the passage of time will continue to be safeguarded. However, information which is properly classified at the time it is developed may not necessarily require protection indefinitely. National security information over which the Bank exercises final classification jurisdiction shall be declassified or downgraded as soon as national security considerations permit. Information shall be declassified or downgraded by:

(1) The official who authorized the original classification, if that official is still serving in the same position, by a successor, or by a supervisory official of either; or

(2) Officials specifically delegated this authority in writing by the Chairman or by the Security Officer. A list of those who may be so delegated shall be maintained by the Security Officer.

(3) If the Director of the Information Security Oversight Office determines that information is unlawfully classified, the Director may require the Export-Import Bank to declassify it. Any such decision by the Director may be appealed to the National Security Council. The information shall remain classified until the appeal is decided.

(b) *Declassification Procedure.* Information marked with a specific declassification date or event shall be declassified on that date or upon occurrence of that event. The overall classification markings shall be lined through a statement placed on the cover or first page to indicate the declassification authority, by name and title, and the date of declassification. If practicable, the classification markings on each page shall be cancelled; otherwise, the statement on the cover or first page shall indicate that the declassification applies to the entire document.

(c) *Notification to Holders.* When classified information has been properly marked with specific dates or events for declassification it is not necessary to issue notices of declassification to any holders. However, when declassification action is taken earlier than originally scheduled, or the duration of classification is extended, the authority making such changes shall promptly notify all holders to whom the information was originally transmitted. This notification shall include the marking action to be taken, the authority for the change (name and title), and the effective date of the change. Upon receipt of notification, recipients shall make the proper changes and shall notify holders to whom they have transmitted the classified information.

(d) *Downgrading.* Information designated a particular level of classification may be assigned a lower classification level by the original classifier or by an official authorized to declassify the same information. Prompt notice of such downgrading shall be provided to known holders of the information. Classified information marked for automatic downgrading under previous Executive Orders shall be reviewed to determine that it no longer continues to meet classification requirements despite the passage of time.

Export-Import Bank of the U.S.

§ 403.7

(e) *Transferred Information.* Classified information transferred from one agency to another in conjunction with a transfer of functions, and not merely for storage purposes, shall be considered under the control of the receiving agency for purposes of downgrading and declassification, subject to consultation with any other agency that has an interest in the subject matter of the information. Prior to forwarding classified information to an approved storage facility of the Bank, to a Federal records center, or to the National Archives for permanent preservation, the information shall be reviewed for downgrading or declassification.

§ 403.6 Systematic review for declassification.

Classified information determined by the Archivist of the United States to be of sufficient value to warrant permanent retention will be subject to systematic declassification review by the Archivist in accordance with guidelines provided by the Bank, as originator of the information. These guidelines shall be developed by the Security Officer who is designated by the Bank to assist the Archivist in the review process. The guidelines shall be reviewed every five years or as requested by the Archivist of the United States.

§ 403.7 Mandatory review for declassification.

(a) Classified information under the jurisdiction of the Bank shall be reviewed for declassification upon receipt of a request by a United States citizen or permanent resident alien, a Federal agency, or a State or local government. A request for mandatory review of classified information shall be submitted in writing and describe the information with sufficient particularity to locate it with a reasonable amount of effort. Requests may be addressed to the:

General Counsel, Export-Import Bank of the U.S., 811 Vermont Avenue, NW., Washington, DC 20571

(b) The Bank's response to mandatory review requests will be governed by the amount of search and review time required to process the request. The Bank will acknowledge receipt of all requests, and will inform the re-

quester if additional time is needed to process the request. Except in unusual circumstances, the Bank will make a final determination within one year from the date of receipt of the request.

(c) When information cannot be declassified in its entirety, the Bank will make a reasonable effort to release, consistent with other applicable laws, those declassified portions that constitute a coherent segment.

(d) The bank shall determine whether information under the classification jurisdiction of the Bank or any reasonably segregable portion of it no longer requires protection. If so, the General Counsel shall promptly make such information available to the requester, and shall inform the requester of any fees due before releasing the document. If the information may not be released, in whole or in part, the General Counsel shall give the requester a brief statement of the reasons, and a notice, mailed with return receipt requested, of the right to appeal the determination within 60 days of the denial letter's receipt.

(e) The agency that initially received or classified records containing foreign government information shall be responsible for making a declassification determination on review requests for classified records which contain such foreign government information. Such requests shall be referred to the appropriate agency for action.

(f) When the Bank receives a mandatory declassification review request for records in its possession that were originated by another agency, it shall forward the request to that agency. The Bank may request notification of the declassification determination.

(g) Information originated by a President, the White House staff, by committees, commissions, or boards appointed by the President, or other specifically providing advice and counsel to a President or acting on behalf of a President is exempted from the provisions of mandatory review for declassification, except as consistent with applicable laws that pertain to presidential papers or records.

(h) The bank shall process requests for declassification that are submitted under the provisions of the Freedom of Information Act, as amended, or the

§ 403.8

12 CFR Ch. IV (1-1-10 Edition)

Privacy Act of 1974, in accordance with the provisions of those acts. (See, 12 CFR part 404 and 12 CFR part 405, respectively.) In any case, however, exemptions under the Freedom of Information Act or other exemptions under applicable law may be invoked by the Bank to deny material on grounds other than classification.

(i) The Bank shall refuse to confirm or deny the existence or non-existence of requested information whenever the fact of its existence or non-existence is itself classifiable under the Order.

§ 403.8 Appeals.

(a) The Vice Chairman is designated to receive appeals on requests for declassification which have been denied by the Bank. Such appeals shall be addressed to:

First Vice President & Vice Chairman, Export-Import Bank of the United States, 811 Vermont Avenue NW., Washington, DC 20571

The appeal must be received within 60 days after receipt by appellant of the denial letter. Appeals shall be decided within 30 days of their receipt by the Vice Chairman.

(1) If the decision is to declassify the materials in their entirety, the Vice Chairman shall promptly make such information available to the requester, and inform the requester of any fees due before releasing the documents.

(2) If the decision is to deny declassification of a portion of the material, the Vice Chairman shall promptly make the part which was declassified available to the requester, and shall advise the requester, in writing, of the reasons for the partial denial of declassification.

(3) If the decision is to deny declassification of all the material, the Vice Chairman shall promptly advise the requester, in writing, of the reasons for such denial.

§ 403.9 Fees.

The following specific fees shall be applicable with respect to services rendered to members of the public under these regulations, by the Bank, except that the search fee will normally be waived when the search involves less than one-half hour of clerical time.

(a) Search for records, per hour or fraction thereof:	
(i) Professional	\$11.00
(ii) Clerical	6.00
(b) Computer service charges per second for actual use of computer central processing unit.....	.25

General Counsel, Export-Import Bank of the United States, 811 Vermont Avenue NW., Washington, DC 20571

§ 403.10 Safeguarding.

(a) *General Access Requirements.* Except as provided in § 403.10(c), access to classified information shall be granted in accordance with the following:

(1) *Determination of Trustworthiness.* No person shall be given access to classified information or material unless a favorable determination has been made as to his trustworthiness. The determination of eligibility, referred to as a security clearance, shall be based on such investigations as the Bank may require in accordance with the standards and criteria of applicable law and Executive orders.

(2) *Determination of Need to Know.* In addition to a security clearance, a person must have a need for access to the particular classified information or material sought in connection with the performance of official duties or contractual obligations. The determination of that need shall be made by officials having responsibility for the classified information or material.

(b) *Classified Information Nondisclosure Agreement.* All persons with authorized access to classified information shall be required to sign a nondisclosure agreement, Standard Form 189, as a

Export-Import Bank of the U.S.

§ 403.10

condition of access. This form shall be retained in the security file of the individual for 50 years.

(c) *Access by Historical Researchers and Former Presidential Appointees.* The Bank shall obtain written agreements from requesters to safeguard the information to which they are given access as permitted by the Order and written consent to the Bank's review of their notes and manuscripts for the purpose of determining that no classified information is contained therein. A determination of trustworthiness is a precondition to a requester's access. If the access requested by historical researchers and former Presidential Appointees requires the rendering of services for which fair and equitable fees may be charged pursuant to Title 5 of the Independent Offices Appropriations Act, 65 Stat. 290, 31 U.S.C. 483a (1976), the requester shall be so notified and the fees may be imposed.

(d) *Media Contacts.* All contacts by members of the media which concern classified information shall be directed to the attention of the Security Officer, Room 1031, Export-Import Bank of the United States, 811 Vermont Avenue NW., Washington, DC 20571.

(e) *Dissemination.* Except as otherwise provided by directives issued by the President through the National Security Council, classified information originating in another agency and in the possession of the Bank may not be disseminated outside the Bank without the consent of the originating agency.

(f) *Accountability Procedures.* Dissemination of various levels of classified information or material shall be within the control and responsibility of designated control officers. Particularly stringent controls shall be placed on information and material classified as TOP SECRET.

(1) *TOP SECRET.* Designated as TOP SECRET control officers are the Chairman, Vice Chairman and the Security Officer who alone have authority to receive TOP SECRET information for the Bank. Other personnel authorized in writing by the Chairman or Security Officer also may receive TOP SECRET information for the Bank. It shall be the responsibility of these individuals with respect to all TOP SECRET information:

(i) To receive the material for the Bank;

(ii) To maintain registers which will reflect the routing of the material and the return thereof in a reasonable length of time for security storage;

(iii) To dispatch and make record of material disseminated to authorize persons outside the Bank;

(iv) To make a physical inventory of all material at least annually; and

(v) To maintain current access records.

(2) *SECRET.* Designated as SECRET control officers are the Security Officer and the Analysis, Records & Communications Manager, who have the responsibility with respect to all information classified in this category:

(i) To receive the material for the Bank;

(ii) To maintain registers which will reflect the routing of the material and the return thereof in a reasonable length of time for security storage;

(iii) To dispatch and make record of material disseminated to authorized persons outside the Bank;

(iv) To maintain current access records.

(3) *CONFIDENTIAL.* Designated as CONFIDENTIAL control officers are the Security Officer and the Analysis, Records & Communications Manager who have responsibility with respect to all information classified in this category:

(i) To review material for the Bank;

(ii) To route the material to proper Bank offices;

(iii) To dispatch and make record of material disseminated to authorized persons outside the Bank;

(iv) To maintain current access records.

(g) *Storage.* Classified information shall be stored only in facilities or under conditions adequate to prevent unauthorized persons from gaining access to it and in accordance with the Directive as well as General Services Administration standards and specifications. Reference may be made to 32 CFR 2001.41, 2001.43 for preliminary guidance regarding these standards and specifications.

(h) *Coversheets.* Department of State (DSC) classified incoming cables are to

be logged in and routed to the appropriate offices in double envelopes. When these cables are being used in various offices, classified coversheets must be used to protect the documents. This practice eliminates the possibility of inadvertently mixing classified with non-classified material, and promotes security awareness. Coversheets are obtainable from the Office of the Security Director.

(i) *Transmittal.* (1) To be transmitted outside the Bank, all classified documents must be sent through the Security Office and have attached EIB Form 71-2, approved by one of the following: the President and Chairman, First Vice President and Vice Chairman, a Senior Vice President, General Counsel, Vice President or Security Officer.

(2) *Preparation and Receipting.* Classified information shall be enclosed in opaque inner and outer covers before transmitting. The inner cover shall be a sealed wrapper or envelope plainly marked with the assigned classification and addresses of both sender and addressee. Transmittal documents shall indicate on their face the highest level of any information transmitted, and must clearly state whether or not the transmittal document itself is classified after removal of enclosures and attachments. The outer cover shall be sealed and addressed with no identification of the classification of its contents. A receipt shall be attached to or enclosed in the inner cover, except that CONFIDENTIAL information shall require a receipt only if the sender deems it necessary. The receipt shall identify the sender, addressee, and the document but shall contain no classified information. It shall be immediately signed by the recipient and returned to the sender. Any of these wrapping and receipting requirements may be waived by agency heads under conditions that will provide adequate protection and prevent access by unauthorized persons.

(3) *Transmittal of CONFIDENTIAL information.* CONFIDENTIAL information shall be transmitted within and between the fifty States, the District of Columbia, the Commonwealth of Puerto Rico, and U.S. territories or possessions by one of the means estab-

lished for higher classifications, or by United States Postal Service, certified first class, or express mail service, when prescribed by an agency head. Outside these areas, CONFIDENTIAL information shall be transmitted only as is authorized for higher classification levels.

(4) Transmittal of TOP SECRET and SECRET information shall be in accordance with the Directive. Reference may be made to 32 CFR 2001.44 for preliminary guidance.

(j) *Destruction.* Classified information no longer needed in working files or for record or reference purposes shall be processed for appropriate disposition in accordance with Chapters 21 and 33 of title 44 U.S.C., when govern disposition of Federal Records. All classified information approved for destruction must be torn and placed in containers designated as burnbags which are available through the Office Services Section of the Bank. Destruction of such information will be carried out by the Security Officer or a designee by use of a disintegrator or by burning. The method of destruction selected must preclude recognition or reconstruction of the classified information or material. Records of destruction will be maintained by the Security Office for TOP SECRET information and material with serialized markings or material for which there is a special need to record its destruction.

(k) *Reproduction controls.* (1) Reproduction of classified documents is prohibited, except by personnel authorized in writing by the Chairman or Security Officer.

(2) TOP SECRET documents may not be reproduced without the consent of the originating agency unless otherwise marked by the originating office.

(3) Reproduction of SECRET and CONFIDENTIAL documents may be restricted by the originating agency.

(4) Reproduced copies of classified documents are subject to the same accountability and controls as the original documents.

(5) Records shall be maintained by the Security Officer to show the number and distribution or reproduced copies of all TOP SECRET documents, of all documents covered by special access programs distributed outside the

originating agency, and all SECRET and all CONFIDENTIAL documents which are marked with special dissemination and reproduction limitations.

§ 403.11 Enforcement and investigation procedures.

(a) *Loss or Possible Compromise.* Any person who has knowledge of the loss or possible compromise of classified information shall immediately report the circumstances to the Security Officer of the Bank. In turn, the originating agency shall be notified about the loss or compromise in order that a damage assessment may be conducted and appropriate measures taken to negate or minimize any adverse effect, and prevent further such loss or compromise. An immediate inquiry shall be initiated by the Bank for the purposes: (1) Of determining cause and responsibility and (2) taking corrective measures and appropriate administrative, disciplinary, or legal action.

(b) *Reporting and Investigating Unauthorized Disclosures.* (1) Employees who have reason to believe that an unauthorized disclosure of classified information has occurred shall report the disclosure to their supervisor, who shall inform the Security Officer.

(2) The Bank shall promptly notify the Information Security Oversight Office at the General Services Administration, Washington, DC 20405, of all unauthorized disclosures of classified information.

(3) If the Bank believes that it is the source of an unauthorized disclosure of classified information that it originated, it shall evaluate the disclosure under paragraph (b)(7) of this section. If the disclosure is serious, the Bank shall report the disclosure and the results of the evaluation to the Department of Justice together with notification that it is conducting an internal investigation.

(4) If the Bank believes that it is the source of an unauthorized disclosure of classified information that it handled but did not originate, it shall report the disclosure to the Department of Justice and to the originating agency(ies) or department(s) for evaluation under paragraph (b)(7) of this section. If the Bank cannot determine the identity of the originating agency(ies) or

department(s), it shall report the disclosure to the Department of Justice together with any information or reasonable inferences as to the identity of the originating agency(ies) or department(s).

(5) If the Bank receives a request for an evaluation of information it originated, it shall, if the evaluation shows the disclosure was serious, inform the agency(ies) or department(s) from which the disclosure occurred of this conclusion and request that the agency(ies) or department(s) conduct an internal investigation.

(6) If the Bank determines that an unauthorized disclosure of classified information has occurred but that it neither originated, handled nor disclosed the information, it shall report the disclosure to the likely originating agency(ies) or department(s).

(7) In determining whether a disclosure is sufficiently serious to warrant reporting to the Department of Justice, the Bank, if it is the originating agency, shall ascertain the nature of the disclosed information, determine the extent to which it disseminated the information and evaluate the disclosure to determine whether it seriously damages its mission and responsibilities. In evaluating the damage caused by the disclosure, the Bank shall consider such matters as whether the disclosure jeopardizes an ongoing project, operation or source of information and to what extent the policy goals underlying the project or operation must be altered.

(8) In any instance where the Bank is determined to be the source of an unauthorized disclosure and an evaluation by the Bank or the originating agency(ies) or department(s) determines the disclosure to be of a serious nature, an internal investigation will be initiated and an investigation report, containing such information as may be required by the Department of Justice, will be submitted to the Department of Justice within 15 days after notification from the originating agency or Department of Justice, but in any case no later than 30 days. If the investigation report is not completed within 15 days, the Bank shall submit as much of the required information as is available at that time and furnish

additional information as it is developed.

(9) Whenever the Bank determines during the course of an investigation that it is necessary to compel or induce the cooperation of an employee, the Bank shall first consult with the Department of Justice. The Department of Justice will coordinate with the Bank to determine the procedures the Bank may use to compel an employee's participation without foreclosing possible criminal proceedings.

(10) The Bank shall maintain records of all disclosures that have been reported or investigated.

(11) All employees shall cooperate fully with officials of the Bank or other agencies who are conducting investigations of unauthorized disclosures of classified information.

(12) Employees determined by the Bank to have knowingly participated in an unauthorized disclosure of classified information or who have refused to cooperate with an investigation of such a disclosure shall be denied further access to classified information and shall be subject to other appropriate administrative sanctions. Prior to taking action against an employee in connection with the unauthorized disclosure or classified information, the Bank shall consult with the Department of Justice, National Security Division.

Subpart A—Procedures for Disclosure of Records Under the Freedom of Information Act.

§ 404.1 General provisions.

(a) *Purpose.* This subpart establishes policy, procedures, requirements, and responsibilities for administration of the Freedom of Information Act (FOIA), 5 U.S.C. 552, at the Export-Import Bank of the United States (Ex-Im Bank).

(b) *Policy.* It is Ex-Im Bank's policy to honor all requests for the disclosure of its records, provided that disclosure would not adversely affect a legitimate public or private interest and would not impose an unreasonable burden on Ex-Im Bank. However, this subpart also recognizes that the soundness of many Ex-Im Bank programs depends upon the receipt of reliable commercial, technical, financial, and business information relating to applicants for Ex-Im Bank assistance and that receipt of such information depends on Ex-Im Bank's ability to hold such information in confidence. Consequently, except as provided by applicable law and this regulation, information provided to Ex-Im Bank in confidence will not be disclosed without the submitter's consent.

(c) *Scope.* All record requests made to Ex-Im Bank shall be processed under this subpart, except that information customarily furnished to the public in the regular course of the performance of official duties may continue to be furnished to the public without complying with this subpart. Requests made by individuals under the Privacy Act of 1974 which are processed under subpart B of this part also shall be processed under this subpart A.

(d) *Ex-Im Bank Internet site.* Ex-Im Bank maintains an Internet site at <http://www.exim.gov>. The site contains information on Ex-Im Bank functions, activities, programs, and transactions. Web site visitors have access to Board of Directors and Loan Committee meeting minutes, country information, and Ex-Im Bank press releases, among other information. Ex-Im Bank encourages all prospective FOIA requesters to visit the site prior to submission of a FOIA request.

(e) *Delegation.* Any action or determination in this subpart which is the responsibility of a specific Ex-Im Bank employee, may be delegated to a duly designated alternate.

(f) *Ex-Im Bank address.* The Export-Import Bank of the United States is located at 811 Vermont Avenue, NW, Washington, DC 20571.

Redaction—The process of removing non-disclosable material from a record so that the remainder may be released.

person that has a substantial interest in the determination of the request.

Working days—All calendar days excluding Saturdays, Sundays, and Federal Government holidays.

§ 404.3 Public reference facilities.

Ex-Im Bank maintains a public reading room which contains the Ex-Im Bank records that the FOIA requires to be made available for public inspection and copying. The records available under this section include copies of records released pursuant to the FOIA that Ex-Im Bank determines have, or are likely to, become the subject of subsequent requests for substantially the same records. Requesters shall be responsible for the cost of duplicating such material in accordance with the provisions of § 404.9(e). Persons desiring to use the reading room should contact the Ex-Im Bank Freedom of Information and Privacy Office, either in writing at the address at § 404.1(f) or by telephone at (202) 565-3946 or (800) 565-3946, to arrange a time to inspect the available records.

§ 404.4 Request requirements.

(a) *Form*. Requests must be made in writing and must be signed by, or on behalf of, the requester. Requests should be addressed to the Freedom of Information and Privacy Office at the address in § 404.1(f) and should contain both the return address and telephone number of the requester.

(b) *Description of records requested*. Each request must describe the records sought in sufficient detail so as to enable a professional employee of Ex-Im Bank familiar with the subject matter of the request to locate the record with a reasonable amount of effort. A request shall not be deemed to have been received until such time as the request adequately identifies the records sought. To the extent practicable, a description should include relevant dates, format, subject matter, and the name of any person to whom the record is known to relate. A general request for records with no accompanying date restriction, either express or implied, shall be deemed to be a request for records created within the preceding twelve months.

Export-Import Bank of the U.S.

§ 404.6

(c) *Fee statement.* The request must contain a statement expressing willingness to pay fees for the requested records or a request for a fee waiver (see § 404.10) before the request shall be deemed to have been received. A fee statement may specify the maximum amount a requester is willing to pay for processing the request.

(1) Whenever a requester submits a FOIA request that does not contain a fee statement or a request for a fee waiver, Ex-Im Bank shall advise the requester of the requirements of this paragraph. If the requester fails to respond within ten working days of such notification, then the Freedom of Information and Privacy Office shall notify the requester, in writing, that Ex-Im Bank will not process the request.

(2) A general statement by the requester expressing willingness to pay all applicable fees under § 404.9 shall be deemed an agreement to pay up to \$50.00. If Ex-Im Bank estimates that the fees for a request will exceed \$50.00, then Ex-Im Bank shall offer the requester the opportunity to agree, in writing, either to pay a greater fee or to modify the request as a means of limiting the cost.

(d) *Written notice of amendment.* The requester should provide any amendment to the original request in writing to Ex-Im Bank.

(e) *Requester assistance.* Ex-Im Bank shall make reasonable efforts to assist a requester in complying with the requirements of this section.

§ 404.5 Time for processing.

(a) *General.* Ex-Im Bank shall respond to requests within twenty working days of the date of receipt of the request unless unusual circumstances exist. Ex-Im Bank shall provide written notice to the requester whenever such unusual circumstances necessitate an extension. If the extension is expected to exceed ten working days, then Ex-Im Bank shall offer the requester the opportunity to:

(1) Alter the request so that it may be processed within the time limit; or

(2) Propose an alternative, feasible time frame for processing the request.

(b) *Date of receipt.* A request shall be deemed to have been received on the date that the request is received in the

Freedom of Information and Privacy Office, provided that the requester has met all the requirements of § 404.4. Ex-Im Bank shall notify the requester of the date on which a request was officially received.

(c) *Order of processing.* Ex-Im Bank ordinarily shall process requests according to their order of receipt.

(d) *Expedited processing.* A request for expedited processing must be included in the original request for records and may be granted at the discretion of Ex-Im Bank based upon the requester's demonstration of:

(1) An imminent threat to the life or physical safety of an individual; or

(2) In the case of a requester who is a representative of the news media, an urgency to inform the public concerning actual or alleged Federal Government activity. Ex-Im Bank shall provide notice of its determination on expedited processing to the requester. A requester may file an administrative appeal, as set forth at § 404.11, based on a denial of a request for expedited processing. Ex-Im Bank shall grant expedited consideration to any such appeal.

§ 404.6 Release of records under the Freedom of Information Act.

(a) *Creation of records.* A reasonable request for material not in existence may be honored at Ex-Im Bank's discretion when tabulation or compilation will not significantly burden Ex-Im Bank, its programs or its activities.

(b) *Discretionary release.* Consistent with federal government policy, material technically qualifying for exemption from disclosure under 5 U.S.C. 552(b)(5) may be made available when disclosure would not adversely affect legitimate public or private interests, violate law or impose an unreasonable burden on Ex-Im Bank. This policy does not, however, create any right enforceable in a court of law.

(c) *Segregable records.* Whenever it is determined that a portion of a record is exempt from disclosure, any reasonably segregable portion of the record shall be provided to the requester after redaction of the exempt material. If segregation would render the document meaningless, Ex-Im Bank shall withhold the entire record.

§ 404.7

12 CFR Ch. IV (1–1–10 Edition)

(d) *Date for determining responsive records.* Only those records within Ex-Im Bank's possession and control as of the date of receipt of a request shall be deemed to be responsive to a request.

§ 404.7 Confidential business information.

(a) *Scope.* This section applies to all business information, as defined in § 404.2. Such information shall only be disclosed pursuant to a FOIA request in accordance with this section.

(b) *Submitter designation.* All business submitters should designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portion of any submission that they consider to be exempt from disclosure under 5 U.S.C. 552(b)(4).

(c) *Pre-disclosure notice to the business submitter.* Whenever Ex-Im Bank receives a FOIA request seeking disclosure of business information, Ex-Im Bank shall provide prompt written notice to the submitter of such information. This notice shall include a description or a copy of the records containing the business information. Such notice shall not be required, however, if:

(1) Ex-Im Bank determines that the records shall not be disclosed;

(2) The records have been published or otherwise made available to the public; or

(3) disclosure of the records is required by law.

(d) *Opportunity to object to disclosure.* The business submitter shall have ten working days from and including the date of the notification letter to provide Ex-Im Bank with a detailed statement of any objection to disclosure of the records. A submitter located outside the United States shall have twenty working days to object to disclosure. Ex-Im Bank may extend the time for objection upon timely request from the submitter and for good cause shown. A statement of objection must specify all grounds under the FOIA for withholding the information.

(e) *Notice to the requester.* The Freedom of Information and Privacy Office shall notify the requester in writing whenever a business submitter is afforded the opportunity to object to dis-

closure of records pursuant to paragraph (c) of this section.

(f) *Disclosure of confidential business information.* Ex-Im Bank shall consider any objections raised by the business submitter prior to making its disclosure decision.

(g) *Notice of intent to disclose.* Whenever Ex-Im Bank determines to disclose business information over the objection of a business submitter, Ex-Im Bank shall notify the business submitter, in writing, of such determination, the reasons for the decision, and the expected disclosure date. This notification—which shall be provided at least ten days prior to the planned disclosure date and which shall include a copy or description of the records at issue—is intended to afford the submitter the opportunity to seek judicial review.

(h) *Notice to requester of disclosure date.* If Ex-Im Bank determines to disclose records over a business submitter's objection, then Ex-Im Bank shall notify the requester of the expected disclosure date.

(i) *Appeal.* Whenever Ex-Im Bank determines to disclose, pursuant to an administrative appeal, business information that initially was withheld from disclosure under 5 U.S.C. 552(b)(4), Ex-Im Bank shall notify the business submitter. Such notice shall be in writing and shall be provided ten working days prior to the proposed disclosure date. It shall include a copy or description of the records at issue and a statement of Ex-Im Bank's reasons for disclosure.

(j) *Notice of FOIA lawsuit.* Ex-Im Bank shall promptly notify the submitter whenever a requester brings suit against Ex-Im Bank seeking to compel the release of business information covered by this section. Ex-Im Bank shall promptly notify the requester when a submitter brings suit against Ex-Im seeking to restrict the release of business information that is covered by this section.

(k) *Exception.* Notwithstanding the foregoing provisions of this part, Ex-Im Bank may, upon request or on its own initiative, publicly disclose the parties to transactions for which Ex-Im Bank approves support, the amount of such

Export-Import Bank of the U.S.

§ 404.9

support, the identity of any participants involved, a general description of the related U.S. exports, and the country to which such exports are destined.

§ 404.8 Initial determination.

(a) *Authority to grant or deny requests.* The Freedom of Information and Privacy Office shall be responsible for search, review, and the initial determination.

(b) *Referrals to other government agencies.* A requested record in Ex-Im Bank's possession that was created or classified by another Federal agency shall be referred to such agency for direct response to the requester. The Freedom of Information and Privacy Office shall notify the requester of any such referral, the number of documents so referred, and the name and address of each agency to which the request has been referred.

(c) *Notification of Ex-Im Bank action.* The Freedom of Information and Privacy Office shall notify the requester in writing of its decision to grant or deny the request.

(1) If the decision is made to grant a request, then Ex-Im Bank shall promptly disclose the requested records and shall inform the requester of any fee payable under § 404.9.

(2) A denial is a determination to withhold any requested record in whole or in part, a determination that a requested record does not exist or cannot be located or a determination that what has been requested is not a record subject to the FOIA. Whenever Ex-Im Bank withholds information, such notice shall include:

(i) The name, title, and signature of the person responsible for the determination;

(ii) The statutory basis for non-disclosure; and

(iii) A statement that any denial may be appealed under § 404.11 and a brief description of the requirements of that section.

(d) *Material withheld.* Ex-Im Bank shall make reasonable efforts to inform the requester of the volume of material withheld pursuant to a full or partial denial and the extent of any redaction. Ex-Im Bank shall not, however, indicate the extent of any denial when

doing so could harm an interest protected by an applicable exemption.

§ 404.9 Schedule of fees.

(a) *General.* Ex-Im Bank shall charge fees to recover the full allowable direct costs it incurs in processing requests. Ex-Im Bank shall attempt to conduct searches in the most efficient manner to minimize costs for both Ex-Im Bank and the requester.

(b) *Categories of requesters.* Fees shall be assessed according to the status of the requester. The specific schedule of fees for each requester category (each as defined in § 404.2) is prescribed as follows:

(1) *Commercial use requesters.* Ex-Im Bank shall charge the full costs for search, review, and duplication.

(2) *Educational and non-commercial scientific institution requesters.* Ex-Im Bank shall charge only for the cost of duplication in excess of 100 pages. No fee will be charged for search or review.

(3) *Representatives of the news media.* Ex-Im Bank shall charge only for the cost of duplication in excess of 100 pages. No fee will be charged for search or review.

(4) *All other requesters.* Ex-Im Bank shall charge for the cost of search, review, and duplication, except that 100 pages of duplication and two hours of professional search time shall be furnished without charge.

(c) *Search and review fees.* Ex-Im Bank shall charge the following fees for search and review:

(1) *Clerical.* Hourly rate—\$16.00.

(2) *Professional.* Hourly rate—\$32.00.

(3) *Computer Searches.* Hourly rate—based upon the salary of the employee performing the work and the cost of operating any equipment.

(d) *Administrative appeals.* Ex-Im Bank shall not charge for administrative review of an exemption applied in an initial determination. Ex-Im Bank shall charge, however, for search and review pursuant to an administrative appeal if the appeal is based on a claim other than the application of an exemption in the initial determination.

(e) *Duplication.* Ex-Im Bank shall charge \$.10 per page for paper copy duplication. Ex-Im Bank shall charge the actual or estimated cost of copies prepared by computer, such as tape or

§ 404.10

printouts, or for other methods of duplication. When duplication charges are expected to exceed \$50.00, Ex-Im Bank shall seek the requester's consent to be responsible for the estimated charges unless a requester has already expressed a willingness to pay duplication fees in excess of \$50.00. Ex-Im Bank shall also offer the requester the opportunity to alter the request in order to reduce duplication costs.

(f) *Fees for searches that produce no records.* Fees shall be payable as provided in this section even though searches and review do not generate any disclosable records.

(g) *Aggregating requests.* A requester, or a group of requesters acting in concert, shall not file multiple requests, seeking portions of a record or similar or related records, in order to avoid payment of fees. Ex-Im Bank shall aggregate any such requests and charge as if the requests were a single request.

(h) *Special services charges.* Complying with requests for special services such as those listed in this paragraph is entirely at the discretion of Ex-Im Bank. Ex-Im Bank shall recover the full costs of providing such services to the extent that it elects to provide them.

(1) *Certifications.* Ex-Im Bank shall charge \$25.00 to certify the authenticity of any Ex-Im Bank record or any copy of such record.

(2) *Special shipping.* Ex-Im Bank may ship by special means (e.g., express mail) if the requester so desires, provided that the requester has paid or has expressly undertaken to pay all costs of such special services. Ex-Im Bank shall not charge for ordinary packaging and mailing.

(i) *Minimum fee.* Ex-Im Bank shall waive a final fee of \$5.00 or less.

(j) *Advance payment.* Whenever Ex-Im Bank estimates that the fees are likely to exceed \$250.00, Ex-Im Bank shall notify the requester of the likely cost and shall require an advance payment of an amount up to the full estimated charges.

(k) *Failure to pay fee.* Ex-Im Bank shall not process a request by a requester who has failed to pay a fee for a previous request unless and until such a requester had paid the full amount owed and also has paid, in advance, the total estimated charges for

12 CFR Ch. IV (1–1–10 Edition)

the new request. The administrative time limits for the new request—set forth in § 404.5—shall begin to run only after Ex-Im Bank has received the payments described in this section.

§ 404.10 Fee waivers or reductions.

(a) *General.* Upon request, Ex-Im Bank shall consider a discretionary fee waiver or reduction of the fees chargeable under § 404.9.

The court or other authority shall be requested respectfully to stay the demand pending determination by the General Counsel.

§ 404.33 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with § 404.32 pending a determination by the General Counsel, or if the court or other authority rules that the demand must be complied with irrespective of the instructions from the General Counsel not to produce the material or disclose the information sought, the Ex-Im Bank personnel upon whom the demand has been made shall respectfully decline to comply with the demand (*United States ex rel. Touhy v. Ragen*, 340 U.S. 462).

No Ex-Im Bank personnel may, unless specifically authorized by the General Counsel, testify in any legal proceeding as an expert or opinion witness as to any matter related to his or her duties or the functions of the Ex-Im Bank, including the meaning of Ex-Im Bank documents. Any demand for expert or opinion testimony shall comply with the policies and procedures outlined in this subpart.

§ 404.36 No private right of action.

Nothing in this subpart shall be construed as creating any right, substantive or procedural, enforceable at law or equity by a party against Ex-Im Bank or the United States.

12 CFR Ch. IV (1–1–10 Edition)

Subpart A—General

§ 408.1 Background.

(a) The National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. 4321 *et seq.*) establishes national policies and goals for the protection of the environment. Section 102(2) of NEPA contains certain procedural requirements directed toward the attainment of such goals. In particular, all Federal agencies are required to give appropriate consideration to the environmental effects of their proposed actions in their decision-making and to prepare detailed environmental statements on recommendations or reports on proposals for legislation and other major Federal Actions significantly affecting the quality of the human environment.

(b) Executive Order 11991 of May 24, 1977, directed the Council on Environmental Quality (CEQ) to issue regulations to implement the procedural provisions of NEPA (NEPA Regulations). Accordingly, CEQ issued final NEPA Regulations which are binding on all Federal agencies as of July 30, 1979 (40 CFR parts 1500 through 1508) on November 29, 1979. These Regulations provide that each Federal agency shall as necessary adopt implementing procedures to supplement the NEPA Regulations. Section 1507.3(b) of the NEPA Regulations identifies those sections of the NEPA Regulations which must be addressed in agency procedures.

§ 408.2 Purpose.

The purpose of this part is to establish procedures which supplement the NEPA Regulations and provide for the implementation of those provisions identified in § 1507.3(b) of the NEPA Regulations.

§ 408.3 Applicability.

Historically, virtually all financing provided by Eximbank has been in aid of U.S. exports which involve no effects on the quality of the environment within the United States, its territories or possessions. Eximbank has separate procedures for conducting environmental reviews where such reviews are required by E.O. 12114 (January 4, 1979) because of potential effects on the environment of global commons areas or on the environment of foreign

Export-Import Bank of the U.S.

§ 408.5

nations. The procedures set forth in this part apply to the relatively rare cases where Eximbank financing of U.S. exports may affect environmental quality in the United States, its territories or possessions.

Subpart B—Eximbank Implementing Procedures

§ 408.4 Early involvement in foreign activities for which Eximbank financing may be requested.

(a) Section 1501.2(d) of the NEPA Regulations requires agencies to provide for early involvement in actions which, while planned by private applicants or other non-Federal entities, require some form of Federal approval. Pursuant to the Export-Import Bank Act of 1945, as amended, Eximbank is asked to provide financing for transactions involving exports of U.S. goods and services for projects in foreign countries which are planned by non-U.S. entities (Transactions).

(b) To implement the requirements of § 1501.2(d) with respect to these Transactions, Eximbank:

(1) Will provide on a project-by-project basis to applicant seeking financing from Eximbank guidance as to the scope and level of environmental information to be used in evaluating a proposed Transaction where: (i) The proposed Eximbank financing would be a major action and (ii) a Transaction may significantly affect the quality of the human environment in the United States, its territories or possessions.

(2) Upon receipt of an application for Eximbank financing or notification that an application will be filed, will consult as required with other appropriate parties to initiate and coordinate the necessary environmental analyses.

These responsibilities will be performed by the General Counsel and the Engineers of Eximbank.

(c) To facilitate Eximbank review of Transactions for which positive determinations have been made under paragraphs (b)(1)(i) and (ii) of this section, applicants should:

(1) Consult with the Engineer as early as possible in the planning process for guidance on the scope and level of environmental information required to be submitted in support of their application;

(2) Conduct any studies which are deemed necessary and appropriate by Eximbank to determine the impact of the proposed action on the quality of the human environment;

(3) Consult with appropriate U.S. (Federal, regional, State and local) agencies and other potentially interested parties during preliminary planning stages to ensure that all environmental factors are identified;

(4) Submit applications for all U.S. (Federal, regional, State and local) approvals as early as possible in the planning process;

(5) Notify Eximbank as early as possible of all other applicable legal requirements for project completion so that all applicable Federal environmental reviews may be coordinated; and

(6) Notify Eximbank of all known parties potentially affected by or interested in the proposed action.

§ 408.5 Ensuring environmental documents are actually considered in Agency decision-making.

Section 1505.1 of the NEPA Regulations contains requirements to ensure adequate consideration of environmental documents in agency decision-making. To implement these requirements, Eximbank officials will:

(a) Consider all relevant environmental documents in evaluating applications for Eximbank financing;

(b) Ensure that all relevant environmental documents, comments and responses accompany the application through Eximbank's review processes;

(c) Consider only those alternatives encompassed by the range of alternatives discussed in the relevant environmental documents when evaluating an application which is the subject of an EIS.

§ 408.6

12 CFR Ch. IV (1–1–10 Edition)

Eximbank actions	Start of NEPA process	Completion of NEPA process	Key officials or offices required to consider environmental documents

The Board may notify applicant that environmental effects will be considered when final commitment is requested and request information on environmental matters. Issuance of Final Commitment.	When application is received.	When the Board of Directors meets to consider application.	(If no P.C. has been issued, key offices will make determinations mentioned above.) Engineer to collect, prepare or arrange for preparation of all environmental documents.

§ 408.6 Typical classes of action.

(a) Section 1507.3(c)(2) of the NEPA Regulations in conjunction with § 1508.4 thereof requires agencies to establish

three typical classes of action for similar treatment under NEPA. These typical classes of action are set forth below:

Actions normally requiring EIS's	Actions normally requiring assessments but not necessarily EIS's	Actions normally not requiring assessments or EIS's
None	Applications for Eximbank financing under the direct lending program in support of transactions for which determinations under § 408.4(b)(1) (i) and (ii) above may be affirmative.	Applications for Eximbank financing in the form of insurance or guarantees.

(b) Eximbank will independently determine whether an EIS or an environmental assessment is required where:

(1) A proposal for agency action is not covered by one of the typical classes of action above; or

(2) For actions which are covered, the presence of extraordinary circumstances indicates that some other level of environmental review may be appropriate.

(3) *Qualified handicapped person* is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 410.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93–112, 87 Stat. 394 (29 U.S.C. 794)), as amended by the Rehabilitation Act Amendments of 1974 (Pub. L. 93–516, 88 Stat. 1617), and the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978 (Pub. L. 95–602, 92 Stat. 2955). As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

§ 410.110 Self-evaluation.

(a) The agency shall, by April 9, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspections:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 410.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the

§§ 410.112–410.129 [Reserved]

§ 410.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

§ 410.150

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 410.131–410.139 [Reserved]

§ 410.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity

conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 410.141–410.148 [Reserved]

§ 410.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 410.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 410.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 410.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or

§410.151

such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and

12 CFR Ch. IV (1-1-10 Edition)

written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§410.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151 through 4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 410.152-410.159 [Reserved]

§410.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for

Export-Import Bank of the U.S.

§ 410.170

personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 410.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 410.161–410.169 [Reserved]

§ 410.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) General Counsel, Export-Import Bank of the United States shall be responsible for coordinating implementation of this section. Complaints may be sent to General Counsel, Export-Import Bank of the United States, 811 Vermont Avenue, NW., Room 947, Washington, DC 20571.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found;

(3) A notice of the right to appeal.

§§ 410.171–410.999

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §410.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

§411.105 Definitions.

For purposes of this part:

(a) *Agency*, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) *Covered Federal action* means any of the following Federal actions:

- (1) The awarding of any Federal contract;

- (3) The making of any Federal loan;
- (4) The entering into of any cooperative agreement; and,
- (5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) *Federal cooperative agreement* means a cooperative agreement entered into by an agency.

(e) *Federal grant* means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) *Federal loan* means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) *Indian tribe* and *tribal organization* have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(h) *Influencing or attempting to influence* means making, with the intent to influence, any communication to or appearance before an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(2) A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;

(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person

for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§411.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person

Export-Import Bank of the U.S.

§411.200

under paragraph (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraph (a) or (b) of this section:

(1) A subcontract exceeding \$100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§411.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in §411.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and

§411.205

legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§411.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §411.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications

12 CFR Ch. IV (1-1-10 Edition)

with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§411.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§411.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §411.100 (a), does not apply in the case of any reasonable

Export-Import Bank of the U.S.

§411.400

payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §411.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, *professional and technical services* shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or

submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§411.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to

§ 411.405

continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraph (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 411.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 411.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 411.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

12 CFR Ch. IV (1–1–10 Edition)

Subpart F—Agency Reports

§ 411.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no

later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 411.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

This part is issued under the authority of 5 U.S.C. 553, 5 U.S.C. 5701-5709 and 12 U.S.C. 635(2)(a)(1).

§412.3 General.

(a) *Applicability.* This part applies to acceptance by the Export-Import Bank of the United States (Eximbank) of payment from a non-Federal source for travel, subsistence, and related expenses with respect to the attendance of an employee in a travel status at any meeting or similar event relating to the official duties of the employee, other than those described in 41 CFR 304-1.2. This part does not authorize acceptance of such payments by an employee in his/her personal capacity.

(b) *Solicitation prohibited.* An employee shall not solicit payment for travel, subsistence and related expenses from a non-Federal source. However, after receipt of an invitation from a non-Federal source to attend a meeting or similar event, Eximbank or the employee may inform the non-Federal source of this authority.

(c) *Definitions.* As used in this part, the following definitions apply:

(1) *Conflicting non-Federal source.* *Conflicting non-Federal source* means any person who, or entity other than the Government of the United States which, has interests that may be substantially affected by the performance or nonperformance of the employee's duties.

(2) *Employee.* *Employee* means any director, officer or other employee of Eximbank.

(3) *Meeting or similar event.* *Meeting or similar event* means a meeting, formal gathering, site visit, negotiation session or similar event that takes place away from the employee's official station and which is directly related to the mission of Eximbank. This term does not include any meeting or similar function described in 41 CFR 304-1.2 or sponsored by Eximbank. A meeting or similar event need not be widely attended for purposes of this definition.

(4) *Non-Federal source.* *Non-Federal source* means any person or entity other than the Government of the United States. The term includes any individual, private or commercial entity, nonprofit organization or association, state, local, or foreign government, or international or multinational organization.

(5) *Payment.* *Payment* means funds paid or reimbursed to Eximbank by a non-Federal source for travel, subsistence, and related expenses by check or similar instrument, or payment in kind.

(6) *Payment in kind.* *Payment in kind* means goods, services or other benefits provided by a non-Federal source for travel, subsistence, and related expenses in lieu of funds paid to Eximbank by check or similar instrument for the same purpose.

(7) *Travel, subsistence and related expenses.* *Travel, subsistence and related expenses* means the same types of expenses payable under 41 CFR chapter 301.

§412.5 Policy.

As provided in this part, Eximbank may accept payment from a non-Federal source (or authorize an employee to receive such payment on its behalf) with respect to attendance of the employee at a meeting or similar event which the employee has been authorized to attend in an official capacity on behalf of Eximbank. The employee's immediate supervisor and Eximbank's designated agency ethics official or his/her designee (DAEO) must approve any offer and acceptance of payment under this part in accordance with the procedures described below. If the employee is a member of Eximbank's Board of Directors, only the DAEO's approval is required. Any employee authorized to

§412.7

travel in accordance with this part is subject to the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

§412.7 Conditions for acceptance.

(a) Eximbank may accept payment for employee travel from a non-Federal source when a written authorization to accept payment is issued in advance of the travel following a determination by the employee's supervisor (except in the case of Board members) and the DAEO that the payment is:

(1) For travel relating to an employee's official duties under an official travel authorization issued to the employee;

(2) For attendance at a meeting or similar event as defined in §412.3(c)(3):

(i) In which the employee's participation is necessary in order to further the mission of Eximbank;

(ii) Which cannot be held at the offices of Eximbank for justifiable business reasons in light of the location and number of participants and the purpose of the meeting or similar event; and

(iii) Which is taking place at a location and for a period of time that is appropriate for the purpose of the meeting or similar event;

(3) From a non-Federal source that is not a conflicting non-Federal source or from a conflicting non-Federal source that has been approved under §412.9; and

(4) In an amount which does not exceed the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

(b) An employee requesting approval of payment of travel expenses by a non-Federal source under this part shall submit to the employee's supervisor (except in the case of Board members) and the DAEO a written description of the following: the nature of the meeting or similar event and the reason that it cannot be held at Eximbank, the date(s) and location of the meeting or similar event, the identities of all participants in the meeting or similar event, the name of the non-Federal source offering to make the payment, the amount and method of the pro-

12 CFR Ch. IV (1-1-10 Edition)

posed payment, and the nature of the expenses.

(c) Payments may be accepted from multiple sources under paragraph (a) of this section.

§412.9 Conflict of interest analysis.

Eximbank may accept payment from a conflicting non-Federal source if the conditions of §412.7 are met and the employee's supervisor (except in the case of Board members) and the DAEO determine that Eximbank's interest in the employee's attendance at or participation in the meeting or similar event outweighs concern that acceptance of the payment by Eximbank may cause a reasonable person to question the integrity of Eximbank's programs and operations. In determining whether to accept payment, Eximbank shall consider all relevant factors, including the purpose of the meeting or similar event, the importance of the travel for Eximbank, the nature and sensitivity of any pending matter affecting the interests of the conflicting non-Federal source, the significance of the employee's role in any such matter, the identity of other expected participants, and the location and duration of the meeting or similar event.

§412.11 Payment guidelines.

(a) Payments from a non-Federal source, other than payments in kind, shall be by check or similar instrument made payable to Eximbank. Payments from a non-Federal source, including payments in kind, are subject to the maximum per diem or actual subsistence expense rates and transportation class of service limitations prescribed in 41 CFR chapter 301.

(b) If Eximbank determines in advance of the travel that a payment covers some but not all of the per diem costs to be incurred by the employee, Eximbank shall authorize a reduced per diem rate, in accordance with 41 CFR part 301-7.12.

§412.13 Limitations and penalties.

(a) This part is in addition to and not in place of any other authority under which Eximbank may accept payment from a non-Federal source or authorize an employee to accept such payment on behalf of Eximbank. This part shall

Export-Import Bank of the U.S.

§414.1

not be applied in connection with the acceptance by Eximbank of payment for travel, subsistence, and related expenses incurred by an employee to attend a meeting or similar function described in and authorized by 41 CFR part 304-1.

(b) An employee who accepts any payment in violation of this part is subject to the following:

(1) The employee may be required, in addition to any penalty provided by law and applicable regulations, to repay for deposit to the general fund of the Treasury, an amount equal to the amount of the payment so accepted; and

(2) When repayment is required under paragraph (b)(1) of this section, the employee shall not be entitled to any payment or reimbursement from Eximbank for such expenses.

PART 414—CONFERENCE AND OTHER FEES

AUTHORITY: 12 U.S.C. 635(a)(1), 5 U.S.C. 553.

§414.1 Collection of conference and other fees.

Ex-Im Bank may impose and collect reasonable fees to cover the costs of conferences and seminars sponsored by, and publications provided by Ex-Im Bank. Amounts received under the preceding sentence shall be credited to the fund which initially paid for such activities and shall be offset against the expenses of Ex-Im Bank for such activities.
