OTS REVIEW OF THE VOLUNTARY
SUPERVISORY CONVERSION APPLICATION

§ 563b.670 Will OTS approve my voluntary supervisory conversion application?

OTS will generally approve your application to engage in a voluntary su-

pervisory conversion unless it determines:

(a) You do not meet the eligibility requirements for a voluntary supervisory conversion under §§ 563b.625 or 563b.630 or because the proceeds from the sale of your conversion stock, less the expenses of the conversion, would be insufficient to satisfy any applicable viability requirement;

(b) The transaction is detrimental to or would cause potential injury to you or the Deposit Insurance Fund or is contrary to the public interest;

(c) You or your acquiror, or the controlling parties or directors and officers of you or your acquiror, have engaged in unsafe or unsound practices in connection with the voluntary supervisory conversion; or

(d) You fail to justify an employment contract incidental to the conversion, or the employment contract will be an unsafe or unsound practice or represent a sale of control. In a voluntary supervisory conversion, OTS generally will not approve employment contracts of more than one year for your existing management.

§ 563b.675 What conditions will OTS impose on an approval?

(a) OTS will condition approval of a voluntary supervisory conversion application on all of the following.

(1) You must complete the conversion stock sale within three months after OTS approves your application. OTS may grant an extension for good cause.

(2) You must comply with all filing requirements of parts 563b and 563g of this chapter.

(3) You must submit an opinion of independent legal counsel indicating that the sale of your shares complies with all applicable state securities law requirements.

(4) You must comply with all applicable laws, rules, and regulations.

(5) You must satisfy any other requirements or conditions OTS may impose.

(b) OTS may condition approval of a voluntary supervisory conversion application on either of the following:

§ 563b.680

(1) You must satisfy any conditions and restrictions OTS imposes to prevent unsafe or unsound practices, to protect the Deposit Insurance Fund and the public interest, and to prevent potential injury or detriment to you before and after the conversion. OTS may impose these conditions and restrictions on you (before and after the conversion), your acquiror, controlling parties, or directors and officers of you or your acquiror; or

(2) You must infuse a larger amount of capital, if necessary, for safety and soundness reasons.
