§ 602.9 Current FOIA index.

FCA will make a current index available for public inspection and copying, as required by the FOIA. We will give you an index for the cost of copying it. Because we rarely receive requests for an index, we have not published one in the FEDERAL REGISTER.

Subpart C—FOIA Fees

§ 602.10 Definitions.

Commercial use request means an information request by an individual or entity seeking information for a use or purpose that furthers the commercial, trade, or profit interests of that individual or entity.

Direct costs means the costs FCA incurs in searching for and reproducing documents to respond to a FOIA request. For a commercial use request, it also means the costs we incur in reviewing documents to respond to the request. Direct costs include the pro rated cost of the salary of the employee performing the work (based on the basic rate of pay plus 16 percent to cover benefits) and the cost of operating reproduction equipment. They do not include overhead expenses.

Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, an institution of professional education, or an institution of vocational education that runs a program of scholarly research.

Noncommercial scientific institution means a nonprofit institution that conducts scientific research that is not intended to promote any particular product or industry.

Pages mean 8-1/2 × 11 inch or 11 × 14 inch paper copies.

Representative of the news media means any person actively gathering news for an entity that publishes or broadcasts news to the public. *News* means information about current

events or of current interest to the public.

Reproduce (or reproduction) means copying a record.

Review means looking at documents found in response to a FOIA request to decide whether any portion should be withheld. It does not include the time spent resolving legal or policy issues.

Search means all time spent looking for material responsive to a FOIA request, including page-by-page or line-by-line identification of material within documents.

§ 602.11 Fees by type of requester.

Depending on your identity and the purpose of your request, the FCA may charge you the direct costs of searching for responsive records, reviewing the records, and reproducing them. If necessary, we will seek clarification before classifying the request.

(a) *Educational institutions and noncommercial scientific institutions.* We charge fees for reproduction costs only. The first 100 pages are free. You must show that the request is sanctioned by an educational or noncommercial scientific institution and that you seek the records for scholarly or scientific research, not for a commercial use.

(b) *Representatives of the news media.* We charge fees for reproduction costs only. The first 100 pages are free. You must be a representative of the news media, and the request must not be made for a commercial use. A request for records supporting news distribution is not a request for a commercial use.

(c) *Commercial use.* We charge the direct cost for search, review, and reproduction. Commercial use requesters are not entitled to free search time or free reproduction. We will charge you even if we do not disclose any records.

(d) *All others.* The first 2 hours of search time and the first 100 pages of reproduction are free. After that, we will charge you for search and reproduction costs. We will charge you for a search even if we do not disclose any records.

(e) *Fee table.* The fee information in paragraphs (a) through (d) of this section is presented in the table to this paragraph. You may apply for a waiver if your request is not mostly in your
