§ 614.4945

(b) Retention of form. System institutions shall retain a copy of the completed standard flood hazard determination form, in either hard copy or electronic form, for the period of time the institution owns the loan.

[61 FR 45711, Aug. 29, 1996, as amended at 64 FR 71274, Dec. 21, 1999]

§ 614.4945 Forced placement of flood insurance.

If a System institution, or a servicer acting on behalf of the institution, determines at any time during the term of a designated loan, that the building or mobile home and any personal property securing the designated loan are not covered by flood insurance or are covered by flood insurance in an amount less than the amount required under § 614.4930(a), then the institution or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower's expense, in an amount at least equal to the amount required under § 614.4930(a), for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the institution or its servicer shall purchase insurance on the borrower's behalf. The institution or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 614.4950 Determination fees.

(a) General. Notwithstanding any Federal or State law other than the 1973 Act, any System institution, or a servicer acting on behalf of the institution, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is not limited to, a fee for life-of-loan monitoring.

(b) Borrower fee. The determination fee authorized by paragraph (a) of this section may be charged to the borrower if the determination:

(1) Is made in connection with a making, increasing, extending, or renewing of the loan that is initiated by the borrower;

(2) Reflects the Director of FEMA's publication of a notice or compendium that:

(i) Affects the area in which the building or mobile home securing the loan is located; or

(ii) By determination of the Director of FEMA, may reasonably require a determination whether the building or mobile home securing the loan is located in a special flood hazard area; or

(3) Results in the purchase of flood insurance coverage under § 614.4945.

(c) Purchaser or transferee fee. The determination fee authorized by paragraph (a) of this section may be charged to the purchaser or transferee of a loan in the case of the sale or transfer of the loan.

§ 614.4955 Notice of special flood hazards and availability of Federal disaster relief assistance.

(a) Notice requirement. When a System institution makes, increases, extends, or renews a loan secured by a building or a mobile home located or to be located in a special flood hazard area, the institution shall mail or deliver a written notice containing the information specified in paragraph (b) of this section to the borrower and to the servicer of the loan. Notice is required whether or not flood insurance is available under the 1968 Act for the collateral securing the loan.

(b) Contents of notice. The written notice must include the following information:

(1) A warning, in a form approved by the Director of FEMA, that the building or the mobile home is or will be located in a special flood hazard area;

(2) A description of the flood insurance purchase requirements set forth in section 102(b) of the 1973 Act (42 U.S.C. 4012a(b));

(3) A statement, where applicable, that flood insurance coverage is available under the NFIP and also may be available from private insurers; and

(4) A statement whether Federal disaster relief assistance may be available in the event of damage to the building or the mobile home caused by flooding in a Federally declared disaster.

(c) Timing of notice. The institution shall provide the notice required by
paragraph (a) of this section to the borrower within a reasonable time before the completion of the transaction, and to the servicer as promptly as practicable after the institution provides notice to the borrower and in any event no later than the time the institution provides other similar notices to the servicer concerning hazard insurance and taxes. Notice to the servicer may be made electronically or may take the form of a copy of the notice to the borrower.

(d) Record of receipt. Each institution shall retain a record of the receipt of the notices by the borrower and the servicer for the period of time the institution owns the loan.

(e) Alternate method of notice. Instead of providing the notice to the borrower required by paragraph (a) of this section, an institution may obtain satisfactory written assurance from a seller or lessor that, within a reasonable time before the completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The institution shall retain a record of the written assurance from the seller or lessor for the period of time the institution owns the loan.

(f) Use of prescribed form of notice. An institution will be considered to be in compliance with the requirements of this section for notice to the borrower by providing written notice to the borrower containing the language presented in appendix A to this subpart within a reasonable time before the completion of the transaction. The notice presented in appendix A to this subpart satisfies the borrower notice requirements of the 1968 Act.

§ 614.4960 Notice of servicer’s identity.

(a) Notice requirement. When a System institution makes, increases, extends, renews, sells, or transfers a loan secured by a building or mobile home located or to be located in a special flood hazard area, the institution shall notify the Director of FEMA (or the Director’s designee) in writing of the identity of the servicer of the loan. The Director of FEMA has designated the insurance provider to receive the institution’s notice of the servicer’s identity. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA’s designee.

(b) Transfer of servicing rights. The institution shall notify the Director of FEMA (or the Director’s designee) of any change in the servicer of a loan described in paragraph (a) of this section within 60 days after the effective date of the change. This notice may be provided electronically if electronic transmission is satisfactory to the Director of FEMA’s designee. Upon any change in the servicing of a loan described in paragraph (a) of this section, the duty to provide notice under this paragraph (b) shall transfer to the transferee servicer.

APPENDIX A TO SUBPART S OF PART 614—SAMPLE FORM OF NOTICE OF SPECIAL FLOOD HAZARDS AND AVAILABILITY OF FEDERAL DISASTER RELIEF ASSISTANCE

We are giving you this notice to inform you that:

The building or mobile home securing the loan for which you have applied is or will be located in an area with special flood hazards. The area has been identified by the Director of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA’s Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community: ____. This area has at least a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Director of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.

• Flood insurance coverage under the NFIP may be purchased through an insurance
