

Farm Credit Administration

§ 615.5182

must state the extent of management's authority and responsibilities for managing your investments in Farmer Mac securities. The board of directors must also ensure that appropriate internal controls are in place to prevent loss, in accordance with § 615.5133(e). Management must submit quarterly reports to the board of directors on the performance of all investments in Farmer Mac securities. Annually, your board of directors must review these policies and the performance of your Farmer Mac securities and make any changes that are needed.

(c) *Policies.* Your board of directors must establish investment policies for Farmer Mac securities that include your:

(1) *Objectives* for holding Farmer Mac securities.

(2) *Credit risk* parameters including:

(i) The quantities and types of Farmer Mac mortgage securities that are collateralized by qualified agricultural mortgages, rural home loans, and loans guaranteed by the Farm Service Agency.

(ii) Product and geographic diversification for the loans that underlie the security; and

(iii) Minimum pool size, minimum number of loans in each pool, and maximum allowable premiums or discounts on these securities.

(3) *Liquidity risk* tolerance and the liquidity characteristics of Farmer Mac securities that are suitable to meet your institutional objectives. A bank may not include Farmer Mac mortgage securities in the liquidity reserve maintained to comply with § 615.5134.

(4) *Market risk* limits based on the effects that the Farmer Mac securities have on your capital and earnings.

(d) *Stress Test.* You must perform stress tests on mortgage securities that are issued or guaranteed by Farmer Mac in accordance with the requirements of § 615.5141(b) and (c). If a Farmer Mac security fails a stress test, you must divest it as required by § 615.5143.

§ 615.5180 Interest rate risk management by banks—general.

The board of directors of each Farm Credit Bank, bank for cooperatives, and agricultural credit bank shall develop and implement an interest rate risk management program tailored to the needs of the institution and consistent with the requirements set forth in § 615.5135 of this part. The program shall establish a risk management process that effectively identifies, measures, monitors, and controls interest rate risk.

§ 615.5181 Bank interest rate risk management program.

(a) The board of directors of each Farm Credit Bank, bank for cooperatives, and agricultural credit bank is responsible for providing effective oversight to the interest rate risk management program and must be knowledgeable of the nature and level of interest rate risk taken by the institution.

(b) Senior management is responsible for ensuring that interest rate risk is properly managed on both a long-range and a day-to-day basis.

§ 615.5182 Interest rate risk management by associations and other Farm Credit System institutions other than banks.

Any association or other Farm Credit System institution other than banks, excluding the Federal Agricultural Mortgage Corporation, with interest rate risk that could lead to significant
