(3) Any patronage refunds that are paid shall be paid in accordance with cooperative principles, on an equitable and nondiscriminatory basis determined by the board of directors in accordance with the capitalization bylaws, provided that any earning pools that may be established for the payment of patronage shall be established on a rational and equitable basis that will ensure that each patron of the institution receives its fair share of the earnings of the institution and bears its fair share of the expenses of the institution.

(4) All classes of common stock and participation certificates (except those resulting from a conversion of allocated surplus) must be accorded the same priority with respect to impairment and restoration of impairment and have the same rights and priority upon liquidation.

(5) Each bank must endeavor to assure that there is a choice of at least two nominees for each elective office to be filled and that the board represents as nearly as possible all types of agriculture in the district.
