

## § 619.9310

(e) Is independent of the institution that is to be audited. For the purposes of this definition, the term “independent” has the same meaning as under the rules and interpretations of the authoritative body governing overall audit performance. At a minimum, an accountant hired to audit a System institution is not independent if he or she functions in the role of management, audits his or her own work, or serves in an advocacy role for the institution.
