National Credit Union Administration

§ 708a.13  Voting guidelines.

(b) After completion of this review, the Regional Director will issue a determination that the methods and procedures applicable to the membership vote are approved or disapproved. The Regional Director will issue this determination within 30 calendar days of receipt from the credit union of the certification of the result of the membership vote required under §708a.7 unless the Regional Director extends the period as necessary to request additional information or review the credit union’s submission. Approval of the methods and procedures under this paragraph remains subject to a credit union fulfilling the requirements in §708a.10 for timely completion of the conversion.

(c) If the Regional Director disapproves the methods by which the membership vote was taken or the procedures applicable to the membership vote, the Regional Director may direct that a new vote be taken.

(d) A converting credit union may appeal the Regional Director’s determination to the NCUA Board. The credit union must file the appeal within 30 days after receipt of the Regional Director’s determination. The NCUA Board will act on the appeal within 90 days of receipt.

§ 708a.10  Completion of conversion.

(a) After receipt of the approvals under §708a.8 and §708a.9 the credit union may complete the conversion.

(b) The credit union must complete the conversion within one year of the date of receipt of NCUA approval under §708a.8. If a credit union fails to complete the conversion within one year the Regional Director will disapprove of the methods and procedures. The credit union’s board of directors must then adopt a new conversion proposal and solicit another member vote if it still desires to convert.

(c) The Regional Director may, upon timely request and for good cause, extend the one year completion period for an additional six months.

(d) After notification by the board of directors of the mutual savings bank or mutual savings association that the conversion has been completed, the NCUA will cancel the insurance certificate of the credit union and, if applicable, the charter of a federal credit union.

§ 708a.11  Limit on compensation of officials.

No director or senior management official of an insured credit union may receive any economic benefit in connection with the conversion of a credit union other than compensation and other benefits paid to directors or senior management officials of the converted institution in the ordinary course of business.

§ 708a.12  Voting incentives.

If a converting credit union offers an incentive to encourage members to participate in the vote, including a prize raffle, every reference to such incentive made by the credit union in a written communication to its members must also state that members are eligible for the incentive regardless of whether they vote for or against the proposed conversion.

§ 708a.13  Voting guidelines.

A converting credit union must conduct its member vote on conversion in a fair and legal manner. NCUA provides the following guidelines as suggestions to help a credit union obtain a fair and legal vote and otherwise fulfill its regulatory obligations. These guidelines are not an exhaustive checklist and do not by themselves guarantee a fair and legal vote.

(a) Applicability of state law. While NCUA’s conversion rule applies to all conversions of federally insured credit unions, federally insured state-chartered credit unions (FISCUs) are also subject to state law on conversions. NCUA’s position is that a state legislature or state supervisory authority
