§ 792.18 Expedited Processing

What if my request is urgent and I cannot wait for the records?

You may request expedited processing of your request if you can show a compelling need for the records. In cases where your request for expedited processing is granted or if NCUA has determined to expedite the response, it will be processed as soon as practicable.

(a) To demonstrate a compelling need for expedited processing, you must provide a certified statement. The statement, certified by you to be true and correct to the best of your knowledge and belief, must demonstrate that:

(1) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) The requester is a representative of the news media, as defined in §792.20, and there is urgency to inform the public concerning actual or alleged NCUA activity.

(b) In response to a request for expedited processing, the Information Center will notify you of the determination within ten working days of receipt of the request. If the Information Center denies your request for expedited processing, you may file an appeal pursuant to the procedures set forth in §792.28, and NCUA will expeditiously respond to the appeal.

(c) The Information Center will normally process requests in the order they are received in the separate processing tracks. However, in NCUA’s discretion, a particular request may be processed out of turn.

§ 792.19 How does NCUA calculate the fees for processing my request?

We will charge you our allowable direct costs, unless they are less than the cost of billing you. Direct costs means those expenditures that NCUA actually incurs in searching for, duplicating and reviewing documents to respond to a FOIA request. Search means all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Searches may be done manually or by computer. Search does not include modification of an existing program or system that would significantly interfere with the operation of an automated information system. Review means examining documents to determine whether any portion should be withheld and preparing documents for disclosure. Fees are subject to change as costs increase. The current rate schedule is available on our web site at http://www.ncua.gov. We may contract with the private sector to locate, reproduce or disseminate records. NCUA will not contract out responsibilities that FOIA requires it to discharge, such as determining the applicability of an exemption, or determining whether to waive or reduce fees. The following labor and duplication rate calculations apply:

(a) NCUA will charge fees at the following rates for manual searches for and review of records:

(1) If search/review is done by clerical staff, the hourly rate for CU–5, plus 16% of that rate to cover benefits;

(2) If search/review is done by professional staff, the hourly rate for CU–13, plus 16% of that rate to cover benefits.

(b) NCUA will charge fees at the hourly rate for CU–13, plus 16% of that rate to cover benefits, plus the hourly cost of operating the computer for computer searches for records.

(c) NCUA will charge the following duplication fees:

(1) The per-page fee for paper copy reproduction of a document is $.10;

(2) The fee for documents generated by computer is the hourly fee for the computer operator, plus the cost of materials (computer paper, tapes, labels, etc.).
