§ 1408.15 Credit report.

In order to aid the Corporation in making appropriate determinations regarding the collection and compromise of claims; the collection of charges for interest, administrative costs, and penalties; the use of administrative offset; the use of other collection methods; and the likelihood of collecting the claim, the Corporation may institute, consistent with the provisions of the Fair Credit Reporting Act (15 U.S.C. 1681, et seq.), a credit investigation of the debtor immediately following a determination that the claim exists.

Subpart B—Administrative Offset

§ 1408.20 Applicability.

(a) The provisions of this subpart shall apply to the collection of debts by administrative [or salary] offset under 31 U.S.C. 3716, 5 U.S.C. 5514, or other statutory or common law.

(b) Offset shall not be used to collect a debt more than 10 years after the Government’s right to collect the debt first accrued, unless facts material to the Government’s right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government who were charged with the responsibility of discovering and collecting such debt.

(c) Offset shall not be used with respect to:

(1) Debts owed by other agencies of the United States or by any State or local government;

(2) Debts arising under or payments made under the Social Security Act, the Internal Revenue Code of 1986, as amended, or tariff laws of the United States; or

(3) Any case in which collection by offset of the type of debt involved is explicitly provided for or prohibited by another statute.

(d) Unless otherwise provided by contract or law, debts or payments which are not subject to offset under 31 U.S.C. 3716 or 5 U.S.C. 5514 may be collected by offset if such collection is authorized under common law or other applicable statutory authority.

§ 1408.21 Collection by offset.

(a) Collection of a debt by administrative [or salary] offset shall be accomplished in accordance with the provisions of these regulations, 4 CFR 102.3, and 5 CFR part 550, subpart K. It is not necessary for the debt to be reduced to judgment or to be undisputed for offset to be used.

(b) The Chairman, or designee of the Chairman, may determine that it is feasible to collect a debt to the United States by offset against funds payable to the debtor.

(c) The feasibility of collecting a debt by offset will be determined on a case-by-case basis. This determination shall be made by considering all relevant factors, including the following: (1) The degree to which the offset can be accomplished in accordance with law. This determination should take into consideration relevant statutory, regulatory, and contractual requirements;

(2) The degree to which the Corporation is certain that its determination of the existence and amount of the debt is correct;

(3) The practicality of collecting the debt by offset. The cost, in time and money, of collecting the debt by offset and the amount of money which can reasonably be expected to be recovered through offset will be relevant to this determination; and

(4) Whether the use of offset will substantially interfere with or defeat the purpose of a program authorizing payments against which the offset is contemplated. For example, under a grant program in which payments are made in advance of the grantee’s performance, the imposition of offset against such a payment may be inappropriate.

(d) The collection of a debt by offset may not be feasible when there are circumstances which would indicate that
the likelihood of collection by offset is less than probable.

(e) The offset will be effected 31 days after the debtor receives a Notice of Intent to Collect by Administrative Offset (or Notice of Intent to Collect by Salary Offset if the offset is a salary offset), or upon the expiration of a stay of offset, unless the Corporation determines under §1408.24 that immediate action is necessary.

(f) If the debtor owes more than one debt, amounts recovered through offset may be applied to them in any order. Applicable statutes of limitation would be considered before applying the amounts recovered to any debts owed.

§ 1408.22 Notice requirements before offset.

(a) Except as provided in §1408.24, the Corporation will provide the debtor with 30 calendar days’ written notice that unpaid debt amounts shall be collected by administrative [or salary] offset (Notice of Intent to Collect by Administrative [or Salary] Offset) before the Corporation imposes offset against any money that is to be paid to the debtor.

(b) The Notice of Intent to Collect by Administrative [or Salary] Offset shall be delivered to the debtor by hand or by mail and shall provide the following information:

1. The amount of the debt, the date it was incurred, and the facts upon which the determination of indebtedness was made;

2. In the case of an administrative offset, the payment due date, which shall be 30 calendar days from the date of mailing or hand delivery of the Notice;

3. In the case of a salary offset:
   i. The Corporation’s intention to collect the debt by means of deduction from the employee’s current disposable pay account until the debt and all accumulated interest is paid in full; and
   ii. The amount, frequency, proposed beginning date, and duration of the intended deductions;

4. The right of the debtor to inspect and copy the records of the Corporation related to the claim or to receive copies if personal inspection is impractical. The debtor shall be informed that he/she shall be assessed for the cost of copying the documents in accordance with §1408.7 of this part;

5. The right of the debtor to obtain a review of, and to request a hearing, on the Corporation’s determination of indebtedness, the propriety of collecting the debt by offset, and, in the case of salary offset, the propriety of the proposed repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period). The debtor shall be informed that to obtain a review, the debtor shall deliver a written request for a review to the Corporation official named in the Notice, within 15 calendar days after the debtor’s receipt of the Notice. In the case of a salary offset, the debtor shall also be informed that the review shall be conducted by an official arranged for by the Corporation who shall be a hearing official not under the control of the Chairman of the Farm Credit System Insurance Corporation, or an administrative law judge;

6. That the filing of a petition for hearing within 15 calendar days after receipt of the Notice will stay the commencement of collection proceedings;

7. That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the written request for review unless the employee requests, and the hearing officer grants, a delay in the proceedings;

8. The right of the debtor to enter into a written agreement with the Corporation to repay the amount of the claim. The debtor shall be informed that the acceptance of such an agreement is discretionary with the Corporation;

9. That charges for interest, penalties, and administrative costs shall be assessed against the debtor, in accordance with 31 U.S.C. 3717, if payment is not received by the payment due date. The debtor shall be informed that such assessments must be made unless excused in accordance with the Federal Claims Collection Standards (4 CFR parts 103 and 104);

10. The amount of accrued interest and the amount of any other penalties or administrative costs which may have been added to the principal debt;
