

## Federal Housing Finance Board

## § 997.5

### § 997.4 Calculation of the quarterly present-value determination.

(a) *Applicable interest rates.* The Finance Board shall obtain from the Department of the Treasury the applicable estimated interest rates and provide those rates to the REFCORP so that the REFCORP can perform the calculations required under §§ 997.2 and 997.3.

(b) *Calculation by the Finance Board.* If § 997.3 requires that the term for the Banks' actual quarterly payments extend beyond April 15, 2030 or if, for any reason, the REFCORP is unable to perform the calculations or to provide the Finance Board with the results of the calculations, the Finance Board shall make all calculations required under this part.

(c) *Records.* The Finance Board will maintain the official record of the results of all quarterly present-value determinations made under this part.

### § 997.5 Termination of the obligation.

(a) *Generally.* The Banks' obligation to the REFCORP, or to the Department of the Treasury if the term of that obligation extends beyond April 15, 2030, will terminate when the aggregate actual quarterly payments made by the Banks exactly equal the present value of an annuity of \$300 million per year that commences on the date on which the first obligation of the REFCORP was issued and ends on April 15, 2030.

(b) *Date of the final payment.* The aggregate actual quarterly payments made by the Banks exactly equal the present value of the annuity described in paragraph (a) of this section when the value of any remaining benchmark quarterly payment(s), after the benchmark quarterly payments have been adjusted as required by §§ 997.2 and 997.3, exactly equals the actual quarterly payment.
