Subpart A—Introduction to Part 108

§ 108.10 Description of the New Markets Venture Capital Program.

The New Markets Venture Capital ("NMVC") Program is a developmental venture capital program for the purpose of promoting economic development and the creation of wealth and job opportunities in low-income geographic areas and among individuals living in such areas. SBA selects and then enters into participation agreements with selected newly formed venture capital companies, and provides leverage in the form of debenture guarantees to such companies to allow them to make equity capital investments in smaller enterprises located in low-income geographic areas. SBA also makes grants to such companies and to Specialized Small Business Investment Companies so that they can provide operational assistance to such smaller enterprises in connection with such investments.

§ 108.20 Legal basis and applicability of this part 108.

The regulations in this part implement Part B of Title III of the Small Business Investment Act of 1958, as amended (15 U.S.C. 661 et seq.). All NMVC Companies must comply with all applicable SBA regulations, accounting guidelines and valuation guidelines for NMVC Companies, available from SBA.

§ 108.30 Amendments to Act and regulations.

A NMVC Company is subject to all provisions of the Act and parts 108 and 112 of title 13 of the Code of Federal Regulations.
