§ 108.2004 Contents of application submitted by SSBICs.

Each application submitted by an SSBIC for an Operational Assistance grant must contain the information specified in the application packet provided by SBA, including the following information:

(a) *Amounts.* An SSBIC must specify the amount of Regulatory Capital it intends to raise after December 21, 2000, and the amount of Operational Assistance grant funds it seeks from SBA, which must be at least 30 percent of its intended increase in its Regulatory Capital since December 21, 2000.

(b) *Plan.* An SSBIC must submit a plan addressing the specific items described in § 108.2005.

[67 FR 68503, Nov. 12, 2002]

§ 108.2005 Contents of plan submitted by SSBICs.

(a) *Plan for providing Operational Assistance.* The SSBIC must describe how it plans to use its grant funds to provide Operational Assistance to Smaller Enterprises in which it will make Low-Income Investments. Its plan must address the types of Operational Assistance it proposes to provide, and how it plans to provide the Operational Assistance through the use of licensed professionals, when necessary, either from its own staff or from outside entities.

(b) *Matching resources for Operational Assistance grant.* The SSBIC must include a detailed description of how it plans to obtain binding commitments for contributions in cash or in-kind, and/or to purchase an annuity, to match the funds requested from SBA for the SSBIC's Operational Assistance grant. If it proposes to obtain commitments for cash and in-kind contributions, it also must estimate the ratio of cash to in-kind contributions (in no event may in-kind contributions exceed 50 percent of the total contributions). The SSBIC must discuss its potential sources of matching resources, the estimated timing on raising such match, and the extent of the expressions of interest to commit such match to the SSBIC.

(c) *Identification of LI Areas.* The SSBIC must identify the specific LI Areas in which it intends to make Low-Income Investments and provide Operational Assistance under the NMVC program.

(d) *Projected allocation of investments among identified LI Areas.* The SSBIC must describe the amount of Low-Income Investments it intends to make in each of the identified LI Areas.

(e) *Track record of management team in obtaining public policy results through investments.* The SSBIC must provide information concerning the past track record of the SSBIC in making investments that have had a demonstrable impact on the socially or economically disadvantaged businesses targeted by the SSBIC program (for example, new businesses created, jobs created, or wealth created). Such information might include case studies or examples of the SSBIC's successful Financings.

(f) *Market analysis.* The SSBIC must provide an analysis of the LI Areas in which it intends to make its Low-Income Investments and provide its Operational Assistance to Smaller Enterprises, demonstrating that the SSBIC understands the market and the unmet capital needs in such areas and how its activities will meet these unmet capital needs through Low-Income Investments and have a positive economic impact on those areas. The analysis must include a description of the extent of the economic distress in the identified LI Areas. The SSBIC also

13 CFR Ch. I (1–1–10 Edition)

must analyze the extent of the demand in such areas for Low-Income Investments and any factors or trends that may affect the SSBIC's ability to make effective Low-Income Investments.

(g) *Regulatory Capital.* The SSBIC must include a detailed description of how it plans to raise its Regulatory Capital. The SSBIC must discuss its potential sources of Regulatory Capital, the estimated timing on raising such funds, and the extent of the expressions of interest to commit such funds to the SSBIC.

(h) *Projected impact.* The SSBIC must describe the criteria and economic measurements to be used to evaluate whether and to what extent it has met the objectives of the NMVC program. It must include:

(1) An estimate of the social, economic, and community development benefits to be created within identified LI Areas over the next five years or more as a result of its activities;

(2) A description of the criteria to be used to measure the benefits created as a result of its activities; and

(3) A discussion about the amount of such benefits created that it will consider to constitute successfully meeting the objectives of the NMVC program.

§ 108.2006 Evaluation and selection of SSBICs.

SBA will evaluate and select an SSBIC for an Operational Assistance grant award under the NMVC program solely at SBA's discretion, based on SBA's review of the SSBIC's application materials, interviews or site visits with the SSBIC (if any), and information in SBA's records relating to the SSBIC's regulatory compliance status and track record as an SSBIC. SBA's evaluation and selection process is intended to ensure that SSBIC requests are evaluated on a competitive basis and in a fair and consistent manner. SBA will evaluate and select SSBICs for an Operational Assistance grant award by considering the following criteria:

(a) The strength of the SSBIC's application, including the strength of its proposal to provide Operational Assis-

tance to Smaller Enterprises in which it intends to invest;

(b) The SSBIC's regulatory compliance status and past track record in being able to accomplish program goals through its investment activity;

(c) The likelihood that and the time frame within which the SSBIC will be able to raise the Regulatory Capital it intends to raise and obtain the matching resources described in §108.2005(b) and (g);

(d) The need for Low-Income Investments in the LI Areas in which the SSBIC intends to invest;

(e) The SSBIC's demonstrated understanding of the markets in the LI Areas in which it intends to invest;

(f) The extent to which the activities proposed by the SSBIC will promote economic development and the creation of wealth and job opportunities in the LI Areas in which it intends to invest and among individuals living in LI Areas;

(g) The likelihood that the SSBIC will fulfill the goals described in its application and meet the objectives of the NMVC program; and

(h) The strength of the SSBIC's application compared to applications submitted by other SSBICs and by Applicants intending to invest in the same or proximate LI Areas.
