(a) *Effect on NMVC Company of a change in size of a Portfolio Concern.* If a Portfolio Concern no longer qualifies as a Small Business you may keep your investment in the concern and:

(1) Subject to the overline limitations of § 108.740, you may provide additional Financing to the concern up to the time it makes a public offering of its securities.

(2) Even after the concern makes a public offering, you may exercise any stock options, warrants, or other rights to purchase Equity Securities which you acquired before the public offering, or fund Commitments you made before the public offering.

(b) *Effect of a change in business activity occurring within one year of NMVC Company's initial Financing—(1) Retention of Investment.* Unless you receive SBA's written approval, you may not keep your investment in a Portfolio Concern, small or otherwise, which becomes ineligible by reason of a change in its business activity within one year of your initial investment.

(2) *Request for SBA's approval to retain investment.* If you request that SBA approve the retention of your investment, your request must include sufficient evidence to demonstrate that the change in business activity was caused by an unforeseen change in circumstances and was not contemplated at the time the Financing was made.

(3) *Additional Financing.* If SBA approves your request to retain an investment under paragraph (b)(2) of this section, you may provide additional Financing to the Portfolio Concern to the extent necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of § 108.740.

(c) *Effect of a change in business activity occurring more than one year after the initial Financing.* If a Portfolio Concern becomes ineligible because of a change in business activity more than one year after your initial Financing you may:

- (1) Retain your investment; and
- (2) Provide additional Financing to the Portfolio Concern to the extent

necessary to protect against the loss of the amount of your original investment, subject to the overline limitations of § 108.740.

(b) Become jointly or severally liable for any obligations of an unincorporated business.

§ 108.820 Financings in the form of guarantees.

(a) *General rule.* At the request of a Small Business or where necessary to protect your existing investment, you may guarantee the monetary obligation of a Small Business to any non-Associate creditor.

(b) *Exception.* You may not issue a guaranty if:

(1) You would become subject to State regulation as an insurance, guaranty or surety business; or

(2) The amount of the guaranty plus any direct Financings to the Small Business exceed the overline limitations of § 108.740, except that a pledge of the Equity Securities of the issuer or a subordination of your lien or creditor position does not count toward your overline.

(c) *Pledge of NMVC Company's assets as guaranty.* For purposes of this section, a guaranty with recourse only to specific asset(s) you have pledged is equal to the fair market value of such asset(s) or the amount of the debt guaranteed, whichever is less.

§ 108.825 Purchasing securities from an underwriter or other third party.

(a) *Securities purchased through or from an underwriter.* You may purchase the securities of a Small Business through or from an underwriter if:

§ 108.885

(2) Your purchase price is no more than the original public offering price; and

(3) The amount paid by you for the securities (less ordinary and reasonable underwriting charges and commissions) has been, or will be, paid to the Small Business, and the underwriter certifies in writing that this requirement has been met.

(b) *Recordkeeping requirements.* You must keep records available for SBA's inspection which show the relevant details of the transaction, including, but not limited to, date, price, commissions, and the underwriter's certifications required under paragraphs (a)(3) and (c) of this section.

(c) *Underwriter's requirements.* The underwriter must certify whether it is your Associate. You may pay reasonable and customary commissions and expenses to an Associate underwriter for the portion of an offering that you purchase.

Such purchase or exchange may only be made on a non-recourse basis. You may not have more than one-third of your total assets (valued at cost) invested in such securities. If you have previously sold Portfolio securities (or any interest therein) on a recourse basis, you shall include the amount for which you may be contingently liable in your overline computation.

(e) *Purchases of securities from other non-issuers.* You may purchase securities of a Small Business from a non-issuer not previously described in this section if such acquisition is a reasonably necessary part of the overall sound Financing of the Small Business.
