SOURCE: 67 FR 62337, Oct. 7, 2002, unless otherwise noted.

§ 123.400 What is the Pre-Disaster Mitigation Loan Program?

The Pre-Disaster Mitigation Loan Program allows SBA to make low interest, fixed rate loans to small businesses for the purpose of implementing mitigation measures to protect their commercial real property (building) or leasehold improvements or contents from disaster related damage. This program supports the Federal Emergency Management Agency (FEMA’s) Pre-Disaster Mitigation Program. This pilot program is authorized for 5 fiscal years (October—September), from 2000 through 2004, and has only been approved for limited funding. Therefore, approved loan requests are funded on a first come, first served basis up to the limit of program funds available (see §123.411).

§ 123.401 What types of mitigation measures can your business include in an application for a pre-disaster mitigation loan?

To be included in a pre-disaster mitigation loan application, each of your business’ mitigation measures must satisfy the following criteria:

(a) The mitigation measure, as described in the application, must serve the purpose of protecting your commercial real property (building) or leasehold improvements or contents from damage that may be caused by future disasters; and

(b) The mitigation measure must conform to the priorities and goals of the State or local government’s mitigation plan for the community in which the business subject to the measure is located. To show that this factor is satisfied your business must submit to SBA, as a part of your complete application, a written statement from a State or local emergency management coordinator confirming this fact (see §123.408). Contact your regional FEMA office for a list of your State’s emergency management coordinators or visit the FEMA Web site at http://www.fema.gov.

§ 123.402 Can your business include its relocation as a mitigation measure in an application for a pre-disaster mitigation loan?

Yes, you may request a pre-disaster mitigation loan for the relocation of your business if:

(a) Your commercial real property (building) is located in a SFHA (Special Flood Hazard Area); and

(b) Your business relocates outside the SFHA but remains in the same participating pre-disaster mitigation community. Contact your regional FEMA office for a listing of communities participating in the Pre-Disaster Mitigation Program and SFHAs or visit the FEMA Web site at http://www.fema.gov.

§ 123.403 When is your business eligible to apply for a pre-disaster mitigation loan?

(a) Your business, which is the subject of the pre-disaster mitigation measure, must be located in a participating pre-disaster mitigation community. Each State, the District of Columbia, Puerto Rico, and the Virgin Islands have at least one participating pre-disaster mitigation community.
