

§ 124.1003

13 CFR Ch. I (1–1–10 Edition)

socially and economically disadvantaged individuals.

(c) *Disadvantaged status.* In assessing the personal financial condition of an individual claiming economic disadvantage, his or her net worth must be less than \$750,000 after taking into account the exclusions set forth in § 124.104(c)(2).

(d) *Additional eligibility criteria.* Except for tribes, ANCs, CDCs and NHOs, each individual claiming disadvantaged status must be a citizen of the United States.

(e) *Potential for success not required.* The potential for success requirement set forth in § 124.107 does not apply as an eligibility requirement for an SDB.

(f) *Joint ventures.* Joint ventures are permitted for SDB procurement mechanisms (such as price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentives, or SDB set-asides), provided that the requirements set forth in this paragraph are met.

(1) The disadvantaged participant(s) to the joint venture must have:

(i) Received an SDB certification from SBA; or

(ii) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application.

(2) For purposes of this paragraph, the term joint venture means two or more concerns forming an association to engage in and carry out a single, specific business venture for joint profit. Two or more concerns that form an ongoing relationship to conduct business would not be considered “joint venturers” within the meaning of this paragraph, and would also not be eligible to be certified as an SDB. The entity created by such a relationship would not be owned and controlled by one or more socially and economically disadvantaged individuals. Each contract for which a joint venture submits an offer will be evaluated on a case by case basis.

(3) Except as set forth in 13 CFR 121.103(h)(3), a concern that is owned and controlled by one or more socially and economically disadvantaged individuals entering into a joint venture agreement with one or more other

business concerns is considered to be affiliated with such other concern(s) for size purposes. If the exception does not apply, the combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size standard corresponding to the SIC code designated for the contract.

(4) An SDB must be the managing venturer of the joint venture, and an employee of the managing venturer must be the project manager responsible for performance of the contract.

(5) The joint venture must perform any applicable percentage of work required of SDB offerors, and the SDB joint venturer(s) must perform a significant portion of the contract.

(g) *Ownership restrictions for non-disadvantaged individuals.* The ownership restrictions set forth in § 124.105 (g) and (h) for non-disadvantaged individuals and concerns do not apply for purposes of determining SDB eligibility.
