§ 126.700 What are the performance of work requirements for HUBZone contracts?

(a) A prime contractor receiving an award as a qualified HUBZone SBC must meet the performance of work requirements set forth in §125.6(c) of this chapter.

(b) In addition to the requirements set forth in §125.6(c), one or more qualified HUBZone SBCs must spend at least 50% of the cost of the contract incurred for personnel on its own employees or employees of other qualified HUBZone SBCs.

(1) A qualified HUBZone SBC prime contractor receiving a HUBZone contract for general construction may meet this requirement itself by expending at least 50% of the cost of the contract incurred for personnel on its employees or it may subcontract at least 35% of the cost of the contract performance incurred for personnel to one or more qualified HUBZone SBCs. A qualified HUBZone SBC prime contractor may not, however, subcontract more than 50% of the cost of the contract incurred for personnel to non-qualified HUBZone SBCs.
