The NAICS code designations are described in the NAICS manual available via the Internet at <http://www.census.gov/NAICS>. **Subpart B—Eligibility Requirements To Qualify as an EDWOSB or WOSB****§ 127.200 What are the requirements a concern must meet to qualify as an EDWOSB or WOSB?**

(a) *Qualification as an EDWOSB.* To qualify as an EDWOSB, a concern must be:

## Small Business Administration

## § 127.202

(1) A small business as defined in part 121 of this chapter; and

(2) Not less than 51 percent unconditionally and directly owned and controlled by one or more women who are United States citizens and are economically disadvantaged.

(b) *Qualification as a WOSB.* To qualify as a WOSB, a concern must be:

(1) A small business as defined in part 121 of this chapter; and

(2) Not less than 51 percent unconditionally and directly owned and controlled by one or more women who are United States citizens.

### § 127.201 What are the requirements for ownership of an EDWOSB and WOSB?

(a) *General.* To qualify as an EDWOSB or WOSB, one or more women must unconditionally and directly own at least 51 percent of the concern. Ownership will be determined without regard to community property laws.

(b) *Requirement for unconditional ownership.* To be considered unconditional, the ownership must not be subject to any conditions, executory agreements, voting trusts, or other arrangements that cause or potentially cause ownership benefits to go to another. The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms.

(c) *Requirement for direct ownership.* To be considered direct, the qualifying women must own 51 percent of the concern directly. The 51 percent ownership may not be through another business entity or a trust (including employee stock ownership trusts) that is, in turn, owned and controlled by one or more women or economically disadvantaged women. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a woman or economically disadvantaged woman where the trust is revocable, and the woman is the grantor, a trustee, and the sole current beneficiary of the trust.

(d) *Ownership of a partnership.* In the case of a concern that is a partnership,

at least 51 percent of each class of partnership interest must be unconditionally owned by one or more women. The ownership must be reflected in the concern's partnership agreement. For purposes of this requirement, general and limited partnership interests are considered different classes of partnership interest.

(e) *Ownership of a limited liability company.* In the case of a concern that is a limited liability company, at least 51 percent of each class of member interest must be unconditionally owned by one or more women.

(f) *Ownership of a corporation.* In the case of a concern that is a corporation, at least 51 percent of each class of voting stock outstanding and 51 percent of the aggregate of all stock outstanding must be unconditionally owned by one or more women. In determining unconditional ownership of the concern, any unexercised stock options or similar agreements held by a woman will be disregarded. However, any unexercised stock option or other agreement, including the right to convert non-voting stock or debentures into voting stock, held by any other individual or entity will be treated as having been exercised.

### § 127.202 What are the requirements for control of an EDWOSB or WOSB?

(a) *General.* To qualify as an EDWOSB or WOSB, the management and daily business operations of the concern must be controlled by one or more women. Control by one or more women means that both the long-term decision making and the day-to-day management and administration of the business operations must be conducted by one or more women.

(b) *Managerial position and experience.* A woman must hold the highest officer position in the concern (usually President or Chief Executive Officer) and must have managerial experience of the extent and complexity needed to run the concern. The woman manager need not have the technical expertise or possess the required license to be found to control the concern if she can demonstrate that she has ultimate managerial and supervisory control
