§ 303.4 Award requirements.

(a) Planning Investments shall function in conjunction with any other available Federal, State or local planning assistance to ensure adequate and effective planning and economical use of funds.

(b) Except in compelling circumstances as determined by the Assistant Secretary, EDA will not provide Planning Investments for multiple CEDS that address the needs of an identical or substantially similar Region.

(c) EDA will provide a Planning Investment for the period of time required to develop, revise or replace, and implement a CEDS, generally in thirty-six (36) month renewable Investment project periods.

§ 303.5 Eligible administrative expenses.

In accordance with applicable Federal cost principles, Planning Investments may be used to pay the direct and indirect costs incurred by a Planning Organization in the development, implementation, revision or replacement of a CEDS and for related short-term planning activities.

§ 303.6 EDA-funded CEDS process.

If EDA awards Investment Assistance to a Planning Organization to develop, revise or replace a CEDS, the Planning Organization must follow the procedures set forth in this section:

(a) The Planning Organization must appoint a Strategy Committee. The Strategy Committee must represent the main economic interests of the Region and must include Private Sector Representatives as a majority of its membership. In addition, the Planning Organization should ensure that the Strategy Committee includes public officials, community leaders, representatives of workforce development boards, institutions of higher education, minority and labor groups, and private individuals. The Strategy Committee representing Indian Tribes or States may vary.

(b) The Planning Organization must develop and submit to EDA a CEDS that:

(1) Complies with the requirements of §303.7, and
(2) Was made available for review and comment by the public for a period of at least thirty (30) days prior to submission to EDA.

(c)(1) After obtaining EDA approval of the CEDS, the Planning Organization must submit annually an updated CEDS performance report to EDA.

(2) The Planning Organization must submit a new or revised CEDS to EDA at least every five (5) years, unless EDA or the Planning Organization determines that a new or revised CEDS is required earlier due to changed circumstances.

(3) Any updated CEDS performance report that results in a change of the requirements set forth in §303.7(b)(3) of the EDA-accepted CEDS or any new or revised CEDS, must be available for review and comment by the public in accordance with paragraph (b)(2) of this section.

(d) If EDA determines that implementation of the CEDS is inadequate, it will notify the Planning Organization in writing and the Planning Organization shall submit to EDA a new or revised CEDS.

(e) If any part of a Region is covered by one or more of the Regional Commissions as set forth in section 404 of PWEDA, the Planning Organization shall ensure that a copy of the CEDS is provided to the Regional Commission(s).

§ 303.7 Requirements for Comprehensive Economic Development Strategies.

(a) General. CEDS are designed to bring together the public and private sectors in the creation of an economic roadmap to diversify and strengthen Regional economies. The CEDS should
analyze the Regional economy and serve as a guide for establishing Regional goals and objectives, developing and implementing a Regional plan of action, and identifying investment priorities and funding sources. Public and private sector partnerships are critical to the implementation of the integral elements of a CEDS set forth in paragraph (b) of this section. As a performance-based plan, the CEDS will serve a critical role in a Region's efforts to defend against economic dislocations due to global trade, competition and other events resulting in the loss of jobs and private investment.

(b) Technical requirements. A CEDS must be the result of a continuing economic development planning process, developed with broad-based and diverse public and private sector participation, and shall contain the following:

(1) A background of the economic development situation of the Region with a discussion of the economy, population, geography, workforce development and use, transportation access, resources, environment and other pertinent information;

(2) An in-depth analysis of economic and community development problems and opportunities, including:
   (i) Incorporation of relevant material from other government-sponsored or supported plans and consistency with applicable State and local workforce investment strategies; and
   (ii) An identification of past, present and projected future economic development investments in the Region covered;

(3) A section setting forth goals and objectives necessary to solve the economic development problems of the Region;

(4) A discussion of community and private sector participation in the CEDS effort;

(5) A section listing all suggested Projects and the projected numbers of jobs to be created as a result thereof;

(6) A section identifying and prioritizing vital Projects, programs and activities that address the Region's greatest needs or that will best enhance the Region's competitiveness, including sources of funding for past and potential future Investments;

(7) A section identifying economic clusters within the Region, focusing on those that are growing or in decline;

(8) A plan of action to implement the goals and objectives of the CEDS, including:
   (i) Promoting economic development and opportunity;
   (ii) Fostering effective transportation access;
   (iii) Enhancing and protecting the environment;
   (iv) Maximizing effective development and use of the workforce consistent with any applicable State or local workforce investment strategy;
   (v) Promoting the use of technology in economic development, including access to high-speed telecommunications;
   (vi) Balancing resources through sound management of physical development; and
   (vii) Obtaining and utilizing adequate funds and other resources; and

(9) A list of performance measures used to evaluate the Planning Organization's successful development and implementation of the CEDS, including but not limited to the following:
   (i) Number of jobs created after implementation of the CEDS;
   (ii) Number and types of investments undertaken in the Region;
   (iii) Number of jobs retained in the Region;
   (iv) Amount of private sector investment in the Region after implementation of the CEDS; and
   (v) Changes in the economic environment of the Region;

(10) A section outlining the methodology for cooperating and integrating the CEDS with a State's economic development priorities.

(c) Consideration of non-EDA funded CEDS. (1) In determining the acceptability of a CEDS prepared independently of EDA Investment Assistance or oversight for Projects under parts 305 and 307 of this chapter, EDA may in its discretion determine that the CEDS is acceptable without fulfilling all the requirements of paragraph (b) of this section. In doing so, EDA shall consider the circumstances surrounding the application for Investment Assistance, including emergencies or natural disasters and the fulfillment of the requirements of section 302 of PWEDA.
§ 303.8 Requirements for State plans.

(a) As a condition of a State receiving a Planning Investment:

(1) The State must have or develop a CEDS that meets the requirements of § 303.7;

(2) Any State plan developed with Planning Investment Assistance must, to the maximum extent practicable, be developed cooperatively by the State, political subdivisions of the State, and the Economic Development Districts located wholly or partially in the State; and

(3) The State must submit to EDA an annual report on any State plan receiving Planning Investment Assistance.

(b) Before awarding a Planning Investment to a State, EDA shall consider the extent to which the State will take into account local and District economic development plans.

§ 303.9 Requirements for short-term Planning Investments.

(a) In addition to providing support for CEDS and State plans, EDA may also provide Investment Assistance to support short-term planning activities. EDA may provide such Investment Assistance to:

(1) Develop the economic development planning capacity of States, cities and other Eligible Applicants experiencing economic distress;

(2) Assist in institutional capacity building; or

(3) Undertake innovative approaches to economic development.

(b) Eligible activities may include but are not limited to updating a portion of a CEDS, economic analysis, development of economic development policies and procedures, and development of economic development goals.

(c) Applicants for short-term Planning Investments must provide performance measures acceptable to EDA that can be used to evaluate the success of the program and provide EDA with progress reports during the term of the Planning Investment, as set forth in the Investment agreement.

PART 304—ECONOMIC DEVELOPMENT DISTRICTS

Sec. 304.1 Designation of Economic Development Districts: Regional eligibility.

304.2 District Organizations: Formation, organizational requirements and operations.

304.3 District modification and termination.

304.4 Performance evaluations.

SOURCE: 71 FR 56675, Sept. 27, 2006, unless otherwise noted.

§ 304.1 Designation of Economic Development Districts: Regional eligibility.

Upon the request of a District Organization (as defined in § 304.2), EDA may designate a Region as an Economic Development District if such Region:

(a) Contains at least one (1) geographic area that is subject to the economic distress criteria set forth in § 301.3(a)(1) of this chapter and is identified in an approved CEDS;

(b) Is of sufficient size or population and contains sufficient resources to foster economic development on a scale involving more than a single geographic area subject to the economic distress criteria set forth in § 301.3(a)(1) of this chapter;

(c) Has an EDA-approved CEDS that

(1) Meets the requirements under § 303.7 of this chapter;

(2) Contains a specific program for intra-District cooperation, self-help, and public investment; and

(3) Is approved by each affected State and by the Assistant Secretary;

(d) Obtains commitments from at least a majority of the counties or other areas within the proposed District, as determined by EDA, to support the economic development activities of the District; and
