EDA will obtain the applicable Cognizable Certification from publicly available resources. However, a petitioning Community may also provide copies of the applicable Cognizable Certification to EDA.

(d) *Notification to Community.* Upon making an affirmative determination, EDA shall notify promptly the Community and the Governor of the State in which the Community is located of the means for obtaining assistance under this part and other appropriate economic assistance that may be available to the Community. Such notification will identify the appropriate EDA regional office that will provide technical assistance under §313.5.

§313.6 Strategic Plans.

(5) Educational institutions, local educational agencies, or other training providers serving the Impacted Community.

(c) *Technical requirements.* EDA shall evaluate the Strategic Plan based on the following minimum requirements:

(7) An assessment of the cost of implementing the Strategic Plan, including the timing of funding required by the Impacted Community to implement the Strategic Plan and the method of financing to be used to implement the Strategic Plan; and

(8) A strategy for continuing the economic adjustment of the Impacted Community after the completion of the projects described in paragraph (c)(5) of this section.

(d) *Cost sharing limitation.* Assistance awarded to an Impacted Community to develop a Strategic Plan under this section shall not exceed 75 percent of the cost of developing the Strategic Plan. In order to provide funding to as many merit-worthy Impacted Communities as feasible, EDA may base the
