AUTHORITY: 19 U.S.C. 2341 *et seq.*, as amended by Division B, Title I, Subtitle I, Part II of Pub. L. 111–5; 42 U.S.C. 3211; Department of Commerce Organization Order 10–4.

SOURCE: 74 FR 41598, Aug. 18, 2009, unless otherwise noted.

Subpart A—General Provisions**§ 315.1 Purpose and scope.**

The regulations in this part set forth the responsibilities of the Secretary of Commerce under chapter 3 of title II of the Trade Act concerning Trade Adjustment Assistance for Firms. The statutory authority and responsibilities of the Secretary of Commerce relating to Adjustment Assistance are delegated to EDA. EDA certifies Firms as eligible to apply for Adjustment Assistance, provides technical Adjustment Assistance to Firms and other recipients, and provides assistance to organizations representing trade injured industries.

§ 315.2 Definitions.

In addition to the defined terms set forth in § 300.3 of this chapter, the following terms used in this part shall have the following meanings:

Adjustment Assistance means technical assistance provided to Firms or industries under chapter 3 of title II of the Trade Act.

Adjustment Proposal means a Certified Firm's plan for improving its economic situation.

Certified Firm means a Firm which has been determined by EDA to be eligible to apply for Adjustment Assistance.

Confidential Business Information means any information submitted to EDA or a TAAC by a Firm that concerns or relates to trade secrets for commercial or financial purposes, which is exempt from public disclosure under 5 U.S.C. 552(b)(4), 5 U.S.C. 552b(c)(4) and 15 CFR part 4.

Contributed Importantly, with respect to an Increase in Imports, refers to a cause which is important but not necessarily more important than any other cause. Imports will not be consid-

ered to have Contributed Importantly if other factors were so dominant, acting singly or in combination, that the worker separation or threat thereof or decline in sales or production would have been essentially the same, irrespective of the influence of imports.

Decreased Absolutely means a Firm's sales or production has declined by a minimum of five percent relative to its sales or production during the applicable prior time period,

(1) Independent of industry or market fluctuations; and

(2) Relative only to the previous performance of the Firm, unless EDA determines that these limitations in a given case would not be consistent with the purposes of the Trade Act.

Directly Competitive means imported articles or services that compete with and are substantially equivalent for commercial purposes (*i.e.*, are adapted for the same function or use and are essentially interchangeable) as the Firm's articles or services. Any Firm that engages in exploring or drilling for oil or natural gas, or otherwise produces oil or natural gas, shall be considered to be producing articles directly competitive with imports of oil and with imports of natural gas.

Firm means an individual proprietorship, partnership, joint venture, association, corporation (includes a development corporation), business trust, cooperative, trustee in bankruptcy or receiver under court decree, and includes fishing, agricultural or service sector entities and those which explore, drill or otherwise produce oil or natural gas. *See also* the definition of Service Sector Firm. Pursuant to section 261 of chapter 3 of title II of the Trade Act (19 U.S.C. 2351), a Firm, together with any predecessor or successor firm, or any affiliated firm controlled or substantially beneficially owned by substantially the same person, may be considered a single Firm where necessary to prevent unjustifiable benefits. For purposes of receiving benefits under this part, when a Firm owns or controls other Firms, the Firm and such other Firms may be considered a single Firm when they produce or supply like or Directly Competitive articles or services or are exerting essential economic control over one or

more production facilities. Accordingly, such other Firms may include a(n):

(1) *Predecessor*—see the following definition for Successor;

(2) *Successor*—a newly established Firm (that has been in business less than two years) which has purchased substantially all of the assets of a previously operating company (or in some cases a whole distinct division) (such prior company, unit or division, a 'Predecessor') and is able to demonstrate that it continued the operations of the Predecessor which has operated as an autonomous unit, provided that there were no significant transactions between the Predecessor unit and any related parent, subsidiary, or affiliate that would have affected its past performance, and that separate records are available for the Predecessor's operations for at least two years before the petition is submitted. The Successor Firm must have continued virtually all of the Predecessor Firm's operations by producing the same type of products or services, in the same plant, utilizing most of the same machinery and equipment and most of its former workers, and the Predecessor Firm must no longer be in existence;

(3) *Affiliate*—a company (either foreign or domestic) controlled or substantially beneficially owned by substantially the same person or persons that own or control the Firm filing the petition; or

(4) *Subsidiary*—a company (either foreign or domestic) that is wholly owned or effectively controlled by another company.

Increase in Imports means an increase of imports of Directly Competitive or Like Articles or Services with articles produced or services supplied by such Firm. EDA may consider as evidence of an Increase in Imports a certification from the Firm's customers that account for a significant percentage of the Firm's decrease in sales or production that they have increased their purchase of imports of Directly Competitive or Like Articles or Services from a foreign country, either absolutely or relative to their acquisition of such Like Articles or Services from suppliers located in the United States.

Like Articles or Services means any articles or services, as applicable, which are substantially identical in their intrinsic characteristics.

Partial Separation means, with respect to any employment in a Firm, either:

(1) A reduction in an employee's work hours to 80 percent or less of the employee's average weekly hours during the year of such reductions as compared to the preceding year; or

(2) A reduction in the employee's weekly wage to 80 percent or less of his/her average weekly wage during the year of such reduction as compared to the preceding year.

Person means an individual, organization or group.

Record means any of the following:

(1) A petition for certification of eligibility to qualify for Adjustment Assistance;

(2) Any supporting information submitted by a petitioner;

(3) The report of an EDA investigation with respect to petition; and

(4) Any information developed during an investigation or in connection with any public hearing held on a petition.

Service Sector Firm means a Firm engaged in the business of supplying services. For purposes of receiving benefits under this part, when a Service Sector Firm owns or controls other Service Sector Firms, the Service Sector Firm and such other Service Sector Firms may be considered a single Service Sector Firm when they furnish like or Directly Competitive services or are exerting essential economic control over one or more servicing facilities. Such other Service Sector Firm may be a Predecessor, Successor, Affiliate or Subsidiary, each as defined in the definition of Firm.

Significant Number or Proportion of Workers means five percent of a Firm's work force or 50 workers, whichever is less, unless EDA determines that these limitations in a given case would not be consistent with the purposes of the Trade Act. An individual farmer or fisherman is considered a Significant Number or Proportion of Workers.

Substantial Interest means a direct material economic interest in the certification or non-certification of the petitioner.

§ 315.3

TAAC means a Trade Adjustment Assistance Center, as more fully described in § 315.5.

Threat of Total or Partial Separation means, with respect to any group of workers, one or more events or circumstances clearly demonstrating that a Total or Partial Separation is imminent.

Total Separation means, with respect to any employment in a Firm, the laying off or termination of employment of an employee for lack of work.

§ 315.3 Confidential Business Information.

EDA will follow the procedures set forth in 15 CFR 4.9 for the submission of Confidential Business Information. Submitters should clearly mark and designate as confidential any Confidential Business Information.

§ 315.4 Eligible applicants.

(1) Universities or affiliated organizations;

(2) States or local governments; or

(3) Non-profit organizations.

(b) For purposes of § 315.17 and to the extent funds are appropriated to implement section 265 of the Trade Act, organizations assisting or representing industries in which a substantial number of Firms or workers have been certified as eligible to apply for Adjustment Assistance under sections 223 and 251 of the Trade Act, include:

§ 315.5 TAAC scope, selection, evaluation and awards.

(a) *TAAC purpose and scope.* (1) TAACs are available to assist Firms in obtaining Adjustment Assistance in all 50 U.S. States, the District of Columbia and the Commonwealth of Puerto Rico. TAACs provide Adjustment Assistance in accordance with this part either through their own staffs or by arrange-

ments with outside consultants. Information concerning TAACs serving particular areas may be obtained from the TAAC Web site at <http://www.taacenters.org> or from EDA at <http://www.eda.gov>.

(2) Prior to submitting a petition for Adjustment Assistance to EDA, a Firm should determine the extent to which a TAAC can provide the required Adjustment Assistance. EDA will provide Adjustment Assistance through TAACs whenever EDA determines that such assistance can be provided most effectively in this manner. Requests for Adjustment Assistance will normally be made through TAACs.

(3) A TAAC generally provides Adjustment Assistance by providing assistance to a:

(i) Firm in preparing its petition for eligibility certification; and

(ii) Certified Firm in diagnosing its strengths and weaknesses, and developing and implementing an Adjustment Proposal.

(b) *TAAC selection.* (1) EDA invites currently funded TAACs to submit either new or amended applications, provided they have performed in a satisfactory manner and complied with previous or current conditions in their Cooperative Agreements with EDA and contingent upon availability of funds. Such TAACs shall submit an application on a form approved by OMB, as well as a proposed budget, narrative scope of work, and such other information as requested by EDA. Acceptance of an application or amended application for a Cooperative Agreement does not ensure funding by EDA.

(2) EDA may invite new applications through a Federal Funding Opportunity ('FFO') announcement. An application will require a narrative scope of work, proposed budget and such other information as requested by EDA. Acceptance of an application does not ensure funding by EDA.

(c) *TAAC evaluation.* (1) EDA generally evaluates currently funded TAACs based on:

(i) Performance under Cooperative Agreements with EDA and compliance with the terms and conditions of such Cooperative Agreements;
