

§ 47.17

(1) The numbers may be used and re-used—

(i) Only in connection with the holder's Dealer's Aircraft Registration Certificate;

(ii) Within the limitations of § 47.69 where applicable, including the requirements of § 47.67; and

(iii) On aircraft not registered under Subpart B of this part or in a foreign country, and not displaying any other identification markings.

(2) A temporary registration number may not be used on more than one aircraft in flight at the same time.

(3) Temporary registration numbers may not be used to fly aircraft into the United States for the purpose of importation.

(d) The assignment of any temporary registration number to any person lapses upon the expiration of all of his Dealer's Aircraft Registration Certificates. When a temporary registration number is used on a flight outside the United States for delivery purposes, the holder shall record the assignment of that number to the aircraft and shall keep that record for at least 1 year after the removal of the number from that aircraft. Whenever the owner of an aircraft bearing a temporary registration number applies for an airworthiness certificate under Part 21 of this chapter he shall furnish that number in the application. The temporary registration number must be removed from the aircraft not later than the date on which either title or possession passes to another person.

Subpart B—Certificates of Aircraft Registration

§ 47.31 Application.

(a) Each applicant for a Certificate of Aircraft Registration must submit the following to the FAA Aircraft Registry—

(1) The original (white) and one copy (green) of the Aircraft Registration Application, AC Form 8050-1;

(2) The original Aircraft Bill of Sale, ACC Form 8050-2, or other evidence of ownership authorized by §§ 47.33, 47.35, or 47.37 (unless already recorded at the FAA Aircraft Registry); and

(3) The fee required by § 47.17.

(b) The FAA rejects an application when—(1) Any form is not completed;

(2) The name and signature of the applicant are not the same throughout; or

(3) The applicant does not provide a legibly printed or typed name with the signature in the signature block.

(c) After he complies with paragraph (a) of this section, the applicant shall carry the second duplicate copy (pink) of the Aircraft Registration Application, AC Form 8050-1, in the aircraft as temporary authority to operate it without registration. This temporary authority is valid until the date the applicant receives the certificate of the Aircraft Registration, AC Form 8050-3, or until the date the FAA denies the application, but in no case for more than 90 days after the date the applicant signs the application. If by 90 days after the date the applicant signs the
