in accordance with paragraph (b)(3) of this section.

(d) In the event that the DoC does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(1) of this section shall apply automatically to all projects or programs.

(e) Unless DoC regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) Costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§14.30 through 14.37).

(h) Unless DoC regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 14.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon DoC requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from the Grants Officer for one or more of the following program or budget related reasons. Approvals will be provided in writing by the Grants Officer.

1. Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

2. Change in a key person specified in the application or award document.

3. The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

4. The need for additional Federal funding.

5. The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the DoC.

7. The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

8. Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) For nonconstruction awards, no other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, the Grants Officer may waive cost-related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following:

1. Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval
of the Grants Officer after coordination with the DoC operating unit. All pre-
award costs are incurred at the recipient’s risk (i.e., the DoC is under no ob-
ligation to reimburse such costs if for any reason the recipient does not re-
ceive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up
to 12 months unless one or more of the following conditions apply. For one-
time extensions, the recipient must no-
tify the Grants Officer in writing with the supporting reasons and revised ex-
piration date at least 10 days before the expiration date specified in the award.
This one-time extension may not be ex-
ercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated bal-
ances to subsequent funding periods.

(4) For awards that support research, unless the DoC provides otherwise in the award or in the DoC regulations, the prior approval requirements de-
scribed in paragraph (e) of this section are automatically waived (i.e., recipients need not obtain such prior approv-
als) unless one of the conditions in-
cluded in paragraph (e)(2) of this sec-
tion applies.

(f) The recipient may not transfer funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cum-
ulative amount of such transfers ex-
ceeds or is expected to exceed 10 per-
cent of the total Federal and non-Fed-
eral funds authorized by the Grants Of-
fish. This does not prohibit the recipi-
ent from requesting Grants Officer ap-
proval for revisions to the budget. No transfers are permitted that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other transfers to nonconstruc-
tion budgets, except for the changes de-
scribed in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written ap-
proval promptly from the Grants Offi-
cer for budget revisions whenever para-
graph (h)(1), (2) or (3) apply. Approvals
will be provided in writing by the
Grants Officer.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which in-
volves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in §14.27.

(i) For construction awards, no other prior approval requirements for spe-
cific items may be imposed unless a de-
viation has been approved by OMB.

(j) When the DoC makes an award that provides support for both con-
struction and nonconstruction work, the Grants Officer may require the re-
cipient to request prior approval from the Grants Officer before making any fund or budget transfers between the two types of work supported. Approvals
will be provided in writing by the
Grants Officer.

(k) For both construction and non-
construction awards, the DoC shall re-
quire recipients to notify the Grants
Officer in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than $5000 or five percent of the Federal award, whichever is greater.
This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Grants Officer indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budg-
et revisions, DoC shall review the re-
quest and the Grants Officer shall no-
tify the recipient in writing whether the budget revisions have been ap-
proved. If the revision is still under consideration at the end of 30 calendar
days, the Grants Officer shall inform

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501–7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A–133 shall be subject to the audit requirements as stipulated in the award document.

(d) Commercial and other organizations not covered by paragraph (a), (b), or (c) of this section shall be subject to the audit requirements as stipulated in the award document or the prime recipient as stipulated in the sub-award document.

§ 14.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A–87, “Cost Principles for State, Local and Indian Tribal Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A–122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A–21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.”

§ 14.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Grants Officer.

Property Standards

§ 14.30 Purpose of property standards.

Sections 14.31 through 14.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. The DoC shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§14.31 through 14.37.

§ 14.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 14.32 Real property.

The DoC award shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by
