

have the chemical formula  $M_d(CO_3)_e$ , where  $d$  and  $e$  denote integers and  $M$  represents a metal. Common metal carbonates are sodium carbonate ( $Na_2CO_3$ ) and calcium carbonate ( $CaCO_3$ ). In addition, metal carbides or other compounds consisting of only a metal, as described in this Note, and carbon (e.g., calcium carbide ( $CaC_2$ )), are exempt from declaration requirements (see § 715.1(a)(2)(ii)(D) of the CWCR).

**SUPPLEMENT NO. 2 TO PART 715—EXAMPLES OF UNSCHEDULED DISCRETE ORGANIC CHEMICALS (UDOCs) AND UDOC PRODUCTION**

(1) Examples of UDOCs not subject to declaration include:

- (i) UDOCs produced coincidentally as by-products that are not isolated for use or sale as a specific end product, and are routed to, or escape from, the waste stream of a stack, incinerator, or waste treatment system or any other waste stream;
- (ii) UDOCs, contained in mixtures, which are produced coincidentally and not isolated for use or sale as a specific end-product;
- (iii) UDOCs produced by recycling (i.e., involving one of the processes listed in para-

graph (3) of this supplement) of previously declared UDOCs;

(iv) UDOCs produced by the mixing (i.e., the process of combining or blending into one mass) of previously declared UDOCs; and

(v) UDOCs that are intermediates and that are used in a single or multi-step process to produce another declared UDOC.

(2) Examples of UDOCs that you must declare under part 715 of the CWCR include, but are not limited to, the following, unless they are not isolated for use or sale as a specific end product:

- (i) Acetophenone (CAS #98-86-2);
- (ii) 6-Chloro-2-methyl aniline (CAS #87-63-8);
- (iii) 2-Amino-3-hydroxybenzoic acid (CAS #548-93-6); and
- (iv) Acetone (CAS #67-64-1).

(3) Examples of activities that are not considered “production by synthesis” under part 715 of the CWCR, which means the end products resulting from such activities would not be declared under part 715, are as follows:

- (i) Fermentation;
- (ii) Extraction;
- (iii) Purification;
- (iv) Distillation; and
- (v) Filtration.

**SUPPLEMENT NO. 3 TO PART 715— DEADLINES FOR SUBMISSION OF DECLARATIONS, NO CHANGES AUTHORIZATION FORMS, AMENDMENTS FOR UNSCHEDULED DISCRETE ORGANIC CHEMICAL (UDOC) FACILITIES, AND CHANGE IN INSPECTION STATUS FORMS**

Declarations	Applicable forms	Due dates
Annual Declaration on Past Activities (previous calendar year). Declared plant site.	Certification, UDOC, A (as appropriate), B (optional).	February 28 of the year following any calendar year in which the production by synthesis of UDOCs exceeded the applicable declaration threshold in § 715.1(a)(1) of the CWCR.*
No Changes Authorization Form (declaration required, but no changes to data contained in previously submitted annual declaration on past activities— previous calendar year). Declared plant site ..... Amended Declaration: .....	No Changes Authorization Form .....  Certification, UDOC, A (as appropriate), B (optional).	February 28 of the year following any calendar year in which the production by synthesis of UDOCs exceeded the applicable declaration threshold in § 715.1(a)(1) of the CWCR.
—Declaration information ..... —Company information ..... —Post-inspection letter .....	..... ..... .....	—15 calendar days after change in information. —30 calendar days after change in information. —45 calendar days after receipt of letter.
Change in Inspection Status Form (applies only if your plant site is currently subject to inspection, pursuant to § 715.1(d)(1) of the CWCR, and you anticipate that the production by synthesis of UDOCs at your plant site during the current calendar year will remain below the inspection threshold level specified therein).	Change in Inspection Status Form .....	December 15th of any calendar year in which the production by synthesis of UDOCs is anticipated to be below the inspection threshold level specified in § 715.1(d)(1) of the CWCR.*

\*You may submit the Annual Declaration on Past Activities (ADPA) described in § 715.1(b)(1), instead of the Change in Inspection Status Form, if you anticipate that UDOC production at your plant site during the current calendar year will be below the inspection threshold level specified in § 715.1(d)(1), but you expect your plant site to remain subject to the UDOC declaration requirements in § 715.1(a)(1). In this case, the due date for the Annual Declaration on Past Activities will be December 15th of the current calendar year, instead of February 28th of the next calendar year.
