#### SUPPLEMENT NO. 1 TO PART 736— GENERAL ORDERS

General Order No. 1 of September 16, 1998; Establishing a 24-month validity period on reexport authorizations issued without a validity period and revoking those exceeding that period.

(a) *Reexport authorizations issued within 24-months of the General Order*. All reexport authorizations issued with no validity period

within the 24-months preceding September 16, 1998 shall be deemed to have an expiration date which shall be the date 24-months from the date of issuance of the reexport authorization or November 16, 1998, whichever is longer.

(b) *Reexport authorizations issued before the 24-month period preceding the General Order.* For reexport authorizations issued with no validity period before the 24-month period preceding September 16, 1998:

(1) Effective September 16, 1998, all such outstanding reexport authorizations for terrorist-supporting countries (see parts 742 and 746 of the EAR) are revoked.

(2) Effective November 16, 1998, all other such outstanding reexport authorizations are revoked.

(c) *Extensions.* If necessary, you may request extensions of such authorizations according to procedures set forth in §750.7(g) of the EAR.

(d) *Specific Notice from BIS.* If you have received, or should you receive, specific notice from BIS with regard to a reexport authorization covered by this General Order, informing you of a revocation, suspension, or revision (including validity period) of any such reexport authorization, then the terms of that specific notice will be controlling.

(e) *Definition of "authorization".* The term "authorization" as used in this General Order encompasses the range of reexport authorizations granted by BIS, which includes licenses, individual letters, and other types of notifications.

General Order No. 2 of May 14, 2004; sections 5(a)(1) and 5(a)(2)(A) of the Syria Accountability and Lebanese Sovereignty Act of 2003 (Public Law 108-175, codified as a note to 22 U.S.C. 2151) (the SAA), require (1) a prohibition on the export to Syria of all items on the Commerce Control List (in 15 CFR part 774)(CCL) and (2) a prohibition on the export to Syria of products of the United States, other than food and medicine. The President has also exercised national security waiver authority pursuant to Section 5(b) of the SAA for certain transactions. This Order is issued consistent with Executive Order 13338 of May 11, 2004, which implements the SAA.

(a) *License requirements.* Effective May 14, 2004, a license is required for export or reexport to Syria of all items subject to the EAR, except food and medicine classified as EAR99 (medicine is defined in part 772 of the EAR). A license is required for the "deemed export" and "deemed reexport," as described in §734.2(b) of the EAR, of any technology or source code on the Commerce Control List (CCL) to a Syrian foreign national. "Deemed exports" and "deemed reexports" involving technology or source code subject to the EAR but not listed on the CCL do not require a license to Syrian foreign nationals.

(b) *Revocation of Authority to Export under Existing Licenses.* Effective May 14, 2004, the authority to export or reexport to Syria under existing licenses is hereby revoked (see savings clause in paragraph (e) of this General Order). License conditions requiring written U.S. Government authorization for the reexport, transfer (in-country), or resale of items already exported or reexported remain in effect, and requests for BIS authorization to reexport, transfer (in-country), or sell such items will require interagency approval.

(c) *License Exceptions.* Effective May 14, 2004, no License Exceptions to the license requirements set forth in paragraph (a) of this General Order are available for exports or re-exports to Syria, except the following:

(1) TMP for items for use by the news media as set forth in §740.9(a)(2)(viii) of the EAR,

(2) GOV for items for personal or official use by personnel and agencies of the U.S. Government as set forth in §740.11(b)(2)(i) and (ii) of the EAR,

(3) TSU for operation technology and software, sales technology and software updates pursuant to the terms of §740.13(a), (b), or (c) of the EAR,

(4) BAG for exports of items by individuals leaving the United States as personal baggage pursuant to the terms of §740.14 (a) through (d) only of the EAR, and

(5) AVS for the temporary sojourn of civil aircraft reexported to Syria pursuant to the terms of §740.15(a)(4) of the EAR.

(d) *Licensing policy.* All license applications for export or reexport to Syria are subject to a general policy of denial. License applications for "deemed exports" and "deemed re-exports" of technology and source code will be reviewed on a case-by-case basis. BIS may consider, on a case-by-case basis, license applications for exports and reexports of items necessary to carry out the President's constitutional authority to conduct U.S. foreign affairs and as Commander-in-Chief, including those exports and reexports of items necessary for the performance of official functions by the United States Government personnel abroad. BIS may also consider the following license applications on a case-by-case basis: items in support of activities, diplomatic or otherwise, of the United States Government (to the extent that regulation of such exportation or reexportation would not fall within the President's constitutional authority to conduct the nation's foreign affairs); medicine (on the CCL) and medical devices (both as defined in part 772 of the EAR); parts and components intended to ensure the safety of civil aviation and the safe operation of commercial passenger aircraft; aircraft chartered by the Syrian Government

for the transport of Syrian Government officials on official Syrian Government business; telecommunications equipment and associated computers, software and technology; and items in support of United Nations operations in Syria. The total dollar value of each approved license for aircraft parts for flight safety normally will be limited to no more than \$2 million over the 24-month standard license term, except in the case of complete overhauls. In addition, consistent with part 734 of the EAR, the following are not subject to this General Order: informational materials in the form of books and other media; publicly available software and technology; and technology exported in the form of a patent application or an amendment, modification, or supplement thereto or a division thereof (see 15 CFR 734.3(b)(1)(v), (b)(2) and (b)(3)).

(e) *Savings Clause.* Items that are on dock for loading, on lighter, laden aboard an exporting carrier or en route aboard a carrier to a port of export on May 14, 2004, shall be subject to the licensing rules applicable to such items as of May 13, 2004. Any such items not actually exported or reexported before midnight May 28, 2004, may be exported or reexported only if authorized pursuant to this General Order.

General Order No. 3 [Reserved]

General Order No. 4 of June 13, 2008, as amended on September 3, 2009, amending existing licenses for exports of consolidated gift parcels to Cuba due to changes in License Exception GFT.

(a) Section 740.12(a) of the EAR authorizes, among other things, certain exports of gift parcels to Cuba pursuant to a license exception. However, consolidated shipments of multiple gift parcels to Cuba require a license even if all of the individual items within the consolidated gift parcel would be eligible for this license exception if shipped alone.

(b) Notwithstanding any statements to the contrary on the license itself, licenses authorizing the export to Cuba of consolidated gift parcels described in paragraph (a) of this order that are valid on September 3, 2009 authorize the export of consolidated shipments to Cuba of gift parcels that comply with the requirements of License Exception GFT found in §740.12(a) of the EAR as of September 3, 2009.

(c) This General Order does not change any of the other terms (including total value of

items that may be exported or expiration date) of the licenses it affects.
