**Subpart N—Stellwagen Bank National Marine Sanctuary**

**§ 922.140 Boundary.**

(a) The Stellwagen Bank National Marine Sanctuary (Sanctuary) consists of an area of approximately 638 square nautical miles (NM) of Federal marine waters and the submerged lands thereunder, over and around Stellwagen Bank and other submerged features off the coast of Massachusetts. The boundary encompasses the entirety of Stellwagen Bank; Tillies Bank, to the

northeast of Stellwagen Bank; and portions of Jeffreys Ledge, to the north of Stellwagen Bank.

(b) The Sanctuary boundary is identified by the following coordinates, indicating the most northeast, southeast, southwest, west-northwest, and north-northwest points:  
 42°45'59.83"N×70°13'01.77"W (NE);  
 42°05'35.51"N×70°02'08.14"W (SE);  
 42°07'44.89"W×70°28'15.44"W (SW);  
 42°32'53.52"N×70°35'52.38"W (WNW); and  
 42°39'04.08"N×70°30'11.29"W (NNW). The western border is formed by a straight line connecting the most southwest and the west-northwest points of the Sanctuary. At the most west-northwest point, the Sanctuary border follows a line contiguous with the three-mile jurisdictional boundary of Massachusetts to the most north-northwest point. From this point, the northern border is formed by a straight line connecting the most north-northwest point and the most northeast point. The eastern border is formed by a straight line connecting the most northeast and the most southeast points of the Sanctuary. The southern border follows a straight line between the most southwest point and a point located at 42°06'54.57"N × 70°16'42.7" W. From that point, the southern border then continues in a west-to-east direction along a line contiguous with the three-mile jurisdictional boundary of Massachusetts until reaching the most southeast point of the Sanctuary. The boundary coordinates are listed in appendix A to this subpart.

**§ 922.141 Definitions.**

In addition to those definitions found at § 922.3, the following definitions apply to this subpart:

*Industrial material* means mineral, as defined in § 922.3.

*Traditional fishing* means those commercial or recreational fishing methods which have been conducted in the past within the Sanctuary.

**§ 922.142 Prohibited or otherwise regulated activities.**

(a) Except as specified in paragraphs (b) through (f) of this section, the following activities are prohibited and thus are unlawful for any person to conduct or to cause to be conducted:
