statement shall appear on the page that contains most of the advertisement. Point-of-sale and non-point of sale promotional materials of more than one page in length shall not be required to have more than one warning statement, and the dimensions of the circle and arrow shall be determined by

the size of the advertisement on the page on which most of the advertisement appears. Warning statements in circles and arrows that meet the specifications of this section and conform to the following diagram shall be deemed to be in a conspicuous format.

How to Conform to the Rule

§ 307.8 Requirements for disclosure in audiovisual and audio advertising.

In the case of advertisements for smokeless tobacco on videotapes, cassettes, or discs; promotional films or filmstrips; and promotional audiotapes or other types of sound recordings, the warning statement required by the Act and these regulations must be conspicuous and prominent. If the adver-

tisement has a visual component, the warning statement shall be deemed to be conspicuous and prominent if it is superimposed on the screen in a circle and arrow format at the end of the advertisement for a length of time and in graphics so that it is easily legible. If the advertisement has an audio component, the warning statement shall be

deemed to be conspicuous and prominent if it is announced at the end of the advertisement in a manner that is clearly audible. If an advertisement has both a visual and an audio component, the warning statement shall be deemed to be conspicuous and prominent if it is superimposed on the screen in a circle and arrow format and announced simultaneously at the end of the advertisement in a manner that is easily legible and clearly audible. Provided, however, in the case of an audio advertisement in a retail store or other place where smokeless tobacco products are offered for sale, no warning shall be required, even if a manufacturer, packager, or importer of smokeless tobacco products provides an incentive for disseminating the ad, so long as the announcement includes only the brand name or product identifier, the price, and the product's location in the store.

§ 307.9 Requirements for disclosure on utilitarian objects.

(a) In the case of advertisements for smokeless tobacco products on utilitarian objects, the warning statements required by the Act and these regulations must be in a conspicuous and legible type in contrast with all other printed material on the object and must appear within the circle and arrow format. The proportions of the circle and arrow shall be deemed to be conspicuous if in accordance with those set forth in § 307.7(b). The required warning statement shall be deemed conspicuous if it conforms to the requirements and proportions as set forth in §§ 307.7(c) and 307.7(d). For purposes of determining the size of the warning statement, the display area for an advertisement on a utilitarian object shall be the visible area on which the brand name, logo or selling message appears. For example, the display area for a t-shirt with a brand name, logo or selling message on the front or back is the entire front or back of the shirt, excluding any sleeves. For a t-shirt with a brand name, logo or selling message on the sleeve, the display area is the sleeve. However, in no case must the diameter of the circle exceed the longest line displayed in the brand name, logo or

selling message. The Commission considers a logo to include any brand specific characteristics of a smokeless tobacco product, including but not limited to any recognizable pattern of colors or symbols associated with a particular brand.

(b) The warning statement required by the Act and these regulations must be printed, embossed, embroidered or otherwise affixed to the utilitarian object with a permanence and durability that is comparable to the permanence and durability of the brand name, logo, or selling message. For example, if a product brand name or logo is embroidered on a hat, and a legible warning cannot be embroidered in the proper size due to technological limitations, the warning may be affixed to the hat by another method, so long as its permanence and durability is comparable to that of the brand name, logo or selling message.

(c) The warning statement required by this Act and these regulations must be in a conspicuous and prominent location on the object. A conspicuous and prominent location on the object is one that is proximate to and on the same surface as the smokeless tobacco brand name, logo, or selling message, and is visible when the brand name, logo or selling message is visible. If the brand name, logo or selling message is displayed in more than one location on the utilitarian object, the warning must appear proximate to each brand name, logo or selling message. In the alternative, the warning may appear only once on the object; in that case, however, the advertising display area consists of the aggregate of all the surface areas on which any brand names, logos or selling messages appear.

(d) *Small Items.* For those utilitarian objects under 8 square inches which are viewed predominantly by the user, the warning statement required by this Act and by these regulations shall be deemed conspicuous and prominent when:

(1) Printed on the package of an item, if the item is disseminated in a package to the consumer. The entire surface area of the package would comprise the display area for purposes of determining warning size in accordance
