

## § 145.8

## 17 CFR Ch. I (4–1–10 Edition)

may, in addition, include a description of the general benefit to the public from disclosure of that information.

(5) If the appeal involves information that is subject to a petition for confidential treatment filed under § 145.9, the submitter of the information shall have an opportunity to respond in writing to the appeal within 10 business days of the date of filing of the appeal. Any response shall be sent to the Commission's Office of General Counsel. Copies shall be sent to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance and to the person requesting the information.

(6) The General Counsel, or his or her designee, shall have the authority to consider all appeals under this section from initial determinations of the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. The General Counsel may:

(i) Determine either to affirm or to reverse the initial determination in whole or in part;

(ii) Determine to disclose a record, even if exempt, if good cause for doing so either is shown by the application or otherwise appears;

(iii) Remand the matter to the Assistant Secretary (A) to correct a deficiency in the initial processing of the request, or (B) when an investigation as to which the staff originally claimed exemption from mandatory disclosure on the basis of 5 U.S.C. 555(b)(7)(A) or 7 U.S.C. 12(a) is subsequently closed; or

(iv) Refer the matter to the Commission for a decision.

(7) If the initial denial of the request for nonpublic records is reversed, the Office of General Counsel shall, in writing, advise the requester that the records will be available on or after a specified date. If, on appeal, the denial of access to a record is affirmed in whole or in part, the person who requested the information shall be notified in writing of (1) the reasons for the denial and (2) the provisions of 5 U.S.C. 552(a)(4) providing for judicial review of a determination to withhold records.

(j) *Expedited processing.* A request may be given expedited processing if the requester demonstrates a compelling need for the requested records. For purposes of this provision, the term

“compelling need” means: That a failure to obtain requested records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or with respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged federal government activity. A requester who seeks expedited processing must demonstrate a compelling need by submitting a statement that is certified by the requester to be true and correct to the best of that person's knowledge and belief. The Assistant Secretary, or his or her designee, will determine whether to provide expedited processing, and notice of the determination will be provided to the requester, within ten days after the date of the request. If the request for expedited processing is denied, the requester may file an appeal with the Office of General Counsel within ten days of the date of the denial by the Assistant Secretary. The Office of General Counsel will respond to the appeal within ten days after the date of the appeal.

### § 145.8 Fees for records services.

A schedule of fees for record services, including locating, and making records available, and copying, appears in appendix B to this part 145. Copies of the schedule of fees may also be obtained upon request made in person, by telephone or by mail from the FOI, Privacy and Sunshine Acts compliance staff, Office of the Secretariat or at any regional office of the Commission.

### § 145.9 Petition for confidential treatment of information submitted to the Commission.

(a) *Purpose.* This section provides a procedure by which persons submitting

information in any form to the Commission can request that the information not be disclosed pursuant to a request under the Freedom of Information Act, 5 U.S.C. 552. This section does not affect the Commission's right, authority, or obligation to disclose information in any other context.

(b) *Scope.* The provisions of this section shall apply only where the Commission has not specified that an alternative procedure be utilized in connection with a particular study, report, investigation, or other matter. See 40.8 for procedures to be utilized in connection with filing information required to be filed pursuant to 17 CFR parts 40 and 41.

(c) *Definitions.* The following definitions apply to this section:

(1) *Submitter.* A "submitter" is any person who submits any information or material to the Commission or who permits any information or material to be submitted to the Commission. For purposes of paragraph (d)(1)(ii) of this section only, "submitter" includes any person whose information has been submitted to a designated contract market or registered futures association that in turn has submitted the information to the Commission.

(2) *FOIA requester.* A "FOIA requester" is any person who files with the Commission a request to inspect or copy Commission records or documents pursuant to the Freedom of Information Act, 5 U.S.C. 552.

(d) *Written request for confidential treatment.* (1) Any submitter may request in writing that the Commission afford confidential treatment under the Freedom of Information Act to any information that he or she submits to the Commission. Except as provided in paragraph (d)(4) of this section, no oral requests for confidential treatment will be accepted by the Commission. The submitter shall specify the grounds on which confidential treatment is being requested but need not provide a detailed written justification of the request unless required to do so under paragraph (e) of this section. Confidential treatment may be requested only on the grounds that disclosure:

(i) Is specifically exempted by a statute that either requires that the mat-

ters be withheld from the public in such manner as to leave no discretion on the issue or establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(ii) Would reveal the submitter's trade secrets or confidential commercial or financial information.

(iii) Would constitute a clearly unwarranted invasion of the submitter's personal privacy.

(iv) Would reveal investigatory records compiled for law enforcement purposes whose disclosure would deprive the submitter of a right to a fair trial or an impartial adjudication.

(v) Would reveal investigatory records compiled for law enforcement purposes whose disclosure would constitute an unwarranted invasion of the personal privacy of the submitter.

(vi) Would reveal investigatory records compiled for law enforcement purposes when disclosure would interfere with enforcement proceedings or disclose investigative techniques and procedures, provided that the claim may be made only by a designated contract market or registered futures association with regard to its own investigatory records.

(2) The original of any written request for confidential treatment must be sent to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. A copy of any request for confidential treatment shall be sent to the Commission division or office receiving the original of any material for which confidential treatment is being sought.

(3) A request for confidential treatment shall be clearly marked "FOIA Confidential Treatment Request" and shall contain the name, address, and telephone number of the submitter. The submitter is responsible for informing the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance of any changes in his or her name, address, and telephone number.

(4) A request for confidential treatment should accompany the material for which confidential treatment is being sought. If a request for confidential treatment is filed after the filing of such material, the submitter shall

§ 145.9

17 CFR Ch. I (4-1-10 Edition)

have the burden of showing that it was not possible to request confidential treatment for that material at the time the material was filed. A request for confidential treatment of a future submission will not be processed. All records which contain information for which a request for confidential treatment is made or the appropriate segregable portions thereof should be marked by the person submitting the records with a prominent stamp, typed legend, or other suitable form of notice on each page or segregable portion of each page stating "Confidential Treatment Requested by [name]." If such marking is impractical under the circumstances, a cover sheet prominently marked "Confidential Treatment Requested by [name]" should be securely attached to each group of records submitted for which confidential treatment is requested. Each of the records transmitted in this matter should be individually marked with an identifying number and code so that they are separately identifiable. In some circumstances, such as when a person is testifying in the course of a Commission investigation or providing documents requested in the course of a Commission inspection, it may be impractical to submit a written request for confidential treatment at the time the information is first provided to the Commission. In no circumstances can the need to comply with the requirements of this section justify or excuse any delay in submitting information to the Commission. Rather, in such circumstances, the person testifying or otherwise submitting information should inform the Commission employee receiving the information, at the time the information is submitted or as soon thereafter as practicable, that the person is requesting confidential treatment for the information. The person shall then submit a written request for confidential treatment within 30 days of the submission of the information. If access is requested under the Freedom of Information Act with respect to material for which no timely request for confidential treatment has been made, it may be presumed that the submitter of the information has waived any interest in asserting that the material is confidential.

(5) A request for confidential treatment shall state the length of time for which confidential treatment is being sought.

(6) A request for confidential treatment (as distinguishing from the material that is the subject of the request) shall be considered a public document. When a submitter deems it necessary to include, in its request for confidential treatment, information for which it seeks confidential treatment, the submitter shall place that information in an appendix to the request.

(7) On 10 business days notice from the Assistant Secretary, a submitter shall submit a detailed written justification of a request for confidential treatment, as specified in paragraph (e) of this section. Upon request and for good cause shown, the Assistant Secretary may grant an extension of such time. The Assistant Secretary will notify the submitter that failure to provide timely a detailed written justification will be deemed a waiver of the submitter's opportunity to appeal an adverse determination.

(8)(i) Requests for confidential treatment for any reasonably segregable material that is not exempt from public disclosure under the Freedom of Information Act, as implemented in §145.5, shall be summarily rejected under §145.9(d)(9). Requests for confidential treatment of public information contained in financial reports as specified in §1.10 shall not be processed. A submitter has the burden of specifying clearly and precisely the material that is the subject of the confidential treatment request. A submitter may be able to meet this burden in various ways, including:

(A) Segregating material for which confidential treatment is being sought;

(B) Submitting two copies of the submission: a copy from which material for which confidential treatment is being sought has been obliterated, deleted, or clearly marked and an unmarked copy; and

(C) Clearly describing the material within a submission for which confidential treatment is being sought.

(ii) A submitter shall not employ a method of specifying the material for which confidential treatment is being sought if that method makes it unduly

difficult for the Commission to read the full submission, including all portion claimed to be confidential, in its entirety.

(9) If a submitter fails to follow the procedures set forth in paragraphs (d)(1) through (d)(8) of this section, the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance or his or her designee may summarily reject the submitter's request for confidential treatment with leave to the submitter to refile a proper petition. Failure of the Assistant Secretary or his or her designee summarily to reject a confidential treatment request pursuant to this paragraph shall not be construed to indicate that the submitter has complied with the procedures set forth in paragraphs (d)(1) through (d)(8) of this section.

(10) Except as provided in paragraph (d)(9) of this section, no determination with respect to any request for confidential treatment will be made until the Commission receives a Freedom of Information Act request for the material for which confidential treatment is being sought.

(e) *Detailed written justification of request for confidential treatment.* (1) If the Assistant Secretary or his or her designee determines that a FOIA request seeks material for which confidential treatment has been requested pursuant to § 145.9, the Assistant Secretary or his or her designee shall require the submitter to file a detailed written justification of the confidential request within ten business days (unless under § 145.9(d)(7) an extension of time has been granted) of that determination unless, pursuant to an earlier FOIA request, a prior determination to release or withhold the material has been made, the submitter has already provided sufficient information to grant the request for confidential treatment; or the material is otherwise in the public domain. The detailed written justification shall be filed with the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance. It shall be clearly marked "Detailed Written Justification of FOIA Confidential Treatment Request" and shall contain the request number supplied by the Commission. The sub-

mitter shall also send a copy of the detailed written justification to the FOIA requester at the address specified by the Commission.

(2) The period for filing a detailed written justification may be extended upon request and for good cause shown.

(3) The detailed written justification of the confidential treatment request shall contain:

(i) The reasons, referring to the specific exemptive provisions of the Freedom of Information Act listed in paragraph (d)(1) of this section, why the information that is the subject of the FOIA request should be withheld from access under the Freedom of Information Act;

(ii) The applicability of any specific statutory or regulatory provisions that govern or may govern the treatment of the information;

(iii) The existence and applicability of prior determinations by the Commission, other federal agencies, or courts concerning the specific exemptive provisions of the Freedom of Information Act pursuant to which confidential treatment is being requested. Submitters shall satisfy any evidentiary burdens imposed upon them by applicable Freedom of Information Act case law.

(iv) Such additional facts and authorities as the submitter may consider appropriate.

(4) The detailed written justification of a confidential treatment request shall be accompanied by affidavits to the extent necessary to establish the facts necessary to satisfy the submitter's evidentiary burden.

(5) The detailed written justification of a confidential treatment request (as distinguished from the material that is the subject of the request) shall be considered a public document. However, a submitter will be permitted to submit to the Commission supplementary confidential affidavits with his or her detailed written justification if that is the only way in which he or she can convincingly demonstrate that the material that is the subject of the confidential treatment request should not be disclosed to the FOIA requester.

(f) *Initial determination with respect to petition for confidential treatment.* (1)

The Assistant Secretary for FOI, Privacy and Sunshine Acts Compliance or his or her designee, in consultation with the Office in which the record was located, shall issue an initial determination with respect to a confidential treatment request for material that is responsive to the FOIA request. This determination shall be issued at the same time as the initial determination with respect to the FOIA request. See § 145.7(g). To the extent that the initial determination grants a confidential treatment request in full or in part, it should specify the FOIA exemptions upon which this determination is based and briefly describe the material to which each exemption applies. See § 145.7(g)(2). To the extent that the initial determination denies confidential treatment to any material for which confidential treatment was requested, it should briefly describe the material for which confidential treatment is denied.

(2) If the Assistant Secretary or his or her designee determines that a confidential treatment request shall be denied in full or in part, the submitter shall be informed of his or her right to appeal to the Commission's General Counsel in accordance with the procedures set forth in paragraph (g) of this section. The material for which confidential treatment was denied shall be released to the FOIA requester if the submitter does not file an appeal within 10 business days of the date on which his or her request was denied.

(3) If the Assistant Secretary or his or her designee determines that a confidential treatment request shall be granted in full or in part, the FOIA requester shall be informed of his or her right to appeal to the Commission's General Counsel in accordance with the procedures set forth in § 145.7(h).

(g) *Appeal from initial determination that confidential treatment is not warranted.* (1) An appeal from an initial determination to deny a confidential treatment request in full or in part shall be filed with the General Counsel of the Commission. No disclosure of the material that is the subject of the appeal shall be made until the appeal is resolved. If both a submitter and a FOIA requester appeal to the General Counsel from a partial grant and par-

tial denial of a confidential treatment request, those appeals shall be consolidated.

(2) Any appeal of a denial of a request for confidential treatment shall be in writing, and shall be clearly marked "FOIA Confidential Treatment Appeal." The appeal shall include a copy of the initial determination and shall clearly indicate the portions of the initial determination from which an appeal is being taken.

(3) The appeal shall be sent to the Commission's Office of General Counsel. A copy of the appeal shall be sent to the FOIA requester. The General Counsel or his or her designee shall have the authority to consider all appeals from initial determinations of the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts compliance. The General Counsel may, in his sole and unfettered discretion, refer such appeals and questions concerning stays under paragraph (g)(10) of this section to the Commission for decision.

(4) In the appeal, the submitter may supply additional substantiation for his or her request for confidential treatment, including additional affidavits and additional legal argument. Such submissions shall be governed by paragraph (e)(5) of this section.

(5) The FOIA requester shall have an opportunity to respond in writing to the appeal within 10 business days of the date of filing of the FOIA Confidential Treatment Appeal. The FOIA requester need not respond, however. Any response shall be sent to the Commission's Office of General Counsel. A copy shall be sent to the submitter.

(6) All FOIA Confidential Treatment Appeals and all responses thereto shall be considered public documents.

(7) The General Counsel will make a determination with respect to any appeal within twenty business days after receipt by the Office of General Counsel of such appeal or within such extended period as may be permitted in accordance with the standards set forth in § 145.7(g)(3). Although other procedures may be employed, to the extent possible the General Counsel will

decide the appeal on the basis of the affidavits and other documentary evidence submitted by the submitter and the FOIA requests.

(8) The General Counsel or his or her designee shall have the authority to remand any matter to the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance to correct deficiencies in the initial processing of the confidential treatment request.

(9) If the General Counsel or his or her designee denies a confidential treatment appeal in full or in part, the information for which confidential treatment is denied shall be disclosed to the FOIA requester 10 business days later, subject to any stay entered pursuant to paragraph (g)(10) of this section.

(10) The General Counsel or his or her designee shall have the authority to enter and vacate stays as set forth below. If, within 10 business days of the date of issuance of a determination by the General Counsel or his or her designee to disclose information for which a submitter sought confidential treatment, the submitter commences an action in federal court concerning that determination, the General Counsel will stay the public disclosure of the information pending final judicial resolution of the matter. The General Counsel or his or her designee may vacate a stay entered under this section, either on his or her own motion or at the request of the FOIA requester. If such a stay is vacated, the information will be released to the requester 10 business days after the submitter is notified of this action, unless a court orders otherwise.

(h) *Extensions of time limits.* Any time limit under this section may be extended for good cause shown, in the discretion of the Commission, the Commission's General Counsel, or the Assistant Secretary of the Commission for FOI, Privacy and Sunshine Acts Compliance.

(i) A submitter whose confidential treatment request has been upheld by the Commission shall, upon request of the General Counsel, aid the Commission in defending a court action to compel the Commission to disclose the information subject to the confidential

treatment request. If the submitter is unwilling to aid the Commission in this regard, the General Counsel may, in appropriate cases, make the information available to the public.
