§ 4.5 Exclusion for certain otherwise regulated persons from the definition of the term “commodity pool operator.”

(a) Subject to compliance with the provisions of this section, the following persons, and any principal or employee thereof, shall be excluded from the definition of the term “commodity pool operator” with respect to the operation of a qualifying entity specified in paragraph (b) of this section:

(1) Clear and legible;
(2) Paginated; and
(3) Fastened in a secure manner.

(b) Information that is required to be "prominently" disclosed under this part 4 must be displayed in capital letters and boldface type.

(c) Where a document is distributed through an electronic medium:

(1) The requirements of paragraphs (a) of this section shall mean that required information must be presented in a format that is readily communicated to the recipient. For purposes of this paragraph (c), information is readily communicated to the recipient if it is accessible to the ordinary user by means of commonly available hardware and software and if the electronically delivered document is organized in substantially the same manner as would be required for a paper document with respect to the order of presentation and the relative prominence of information. Where a table of contents is required, the electronic document must either include page numbers in the text or employ a substantially equivalent cross-reference or indexing method or tool;

(2) The requirements of paragraph (b) of this section shall mean that such information must be presented in capital letters and boldface type or, as warranted in the context, another manner reasonably calculated to draw the recipient’s attention to the information and accord it greater prominence than the surrounding text; and

(3) A complete paper version of the document that complies with the applicable provisions of this part 4 must be provided to the recipient upon request.
