§ 201.192 Rulemaking: Issuance, amendment, or repeal of rules of general application.

(a) By petition. Any person desiring the issuance, amendment or repeal of a rule of general application may file a petition therefor with the Secretary. Such petition shall include a statement setting forth the text or the substance of any proposed rule or amendment desired or specifying the rule the repeal of which is desired, and stating the nature of his or her interest and his or her reasons for seeking the issuance, amendment or repeal of the rule. The Secretary shall acknowledge, in writing, receipt of the petition and refer it to the appropriate division or office for consideration and recommendation. Such recommendations shall be transmitted with the petition to the Commission for such action as the Commission deems appropriate. The Secretary shall notify the petitioner of the action taken by the Commission.

(b) Notice of proposed issuance, amendment or repeal of rules. Except where the Commission finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest, whenever the Commission proposes to issue, amend, or repeal any rule or regulation of general application other than an interpretive rule; general statement of policy; or rule of agency organization, procedure, or practice; or any matter relating to agency management or personnel or to public property, loans, grants, benefits, or contracts, there shall first be published in the Federal Register a notice of the proposed action. Such notice shall include:

(1) A statement of the time, place, and nature of the rulemaking proceeding, with particular reference to the manner in which interested persons shall be afforded the opportunity to participate in such proceeding;

(2) Reference to the authority under which the rule is proposed; and

(3) The terms or substance of the proposed rule or a description of the subjects and issues involved.

§ 201.193 Applications by barred individuals for consent to associate.

Preliminary note
This rule governs applications to the Commission by certain persons, barred by Commission order from association with brokers, dealers, municipal securities dealers, government securities brokers, government securities dealers, investment advisers, investment companies or transfer agents, for consent to become so associated. Applications made pursuant to this section must show that the proposed association would be consistent with the public interest. In addition to the information specifically required by the rule, applications should be supplemented, where appropriate, by written statements of individuals (other than the applicant) who are competent to attest to the applicant’s character, employment performance, and other relevant information. Intentional misstatements or omissions of fact may constitute criminal violations of 18 U.S.C. 1001 et seq. and other provisions of law.

The nature of the supervision that an applicant will receive or exercise as an associated person with a registered entity is an important matter bearing upon the public interest. In meeting the burden of showing that the proposed association is consistent with the public interest, the application and supporting documentation must demonstrate that the proposed supervision, procedures, or terms and conditions of employment are reasonably designed to prevent a recurrence of the conduct that led to imposition of the bar. As an associated person, the applicant will be limited to association in a specified capacity with a particular registered entity and may also be subject to specific terms and conditions.

Normally, the applicant’s burden of demonstrating that the proposed association is consistent with the public interest will be difficult to meet where the applicant is to be supervised by, or is to supervise, another barred individual. In addition, where an applicant wishes to become the sole proprietor of a registered entity and thus is seeking Commission consent notwithstanding an absence of supervision, the applicant’s burden will be difficult to meet.

In addition to the factors set forth in paragraph (d) of this section, the Commission will consider the nature of the findings that resulted in the bar when making its determination as to whether the proposed association is consistent with the public interest. In this regard, attention is directed to Rule 5(e) of the Commission’s Rules on Informal and Other Procedures, 17 CFR 282.5(e). Among other things, Rule 5(e) sets forth the Commission’s policy “not to permit a * * * respondent [in an administrative proceeding] to consent to * * * [an] order that imposes a
sanction while denying the allegations in the * * * order for proceedings." Consistent with the rationale underlying that policy, and in order to avoid the appearance that an application made pursuant to this section was granted on the basis of such denial, the Commission will not consider any application that attempts to reargue or collaterally attack the findings that resulted in the Commission's bar order.

(a) Scope of rule. Applications for Commission consent to associate, or to change the terms and conditions of association, with a registered broker, dealer, municipal securities dealer, government securities broker, government securities dealer, investment adviser, investment company or transfer agent may be made pursuant to this section where a Commission order bars the individual from association with a registered entity and:

(1) Such barred individual seeks to become associated with an entity that is not a member of a self-regulatory organization; or

(2) The order contains a proviso that application may be made to the Commission after a specified period of time.

(b) Form of application. Each application shall be supported by an affidavit, manually signed by the applicant, that addresses the factors set forth in paragraph (d) of this section. One original and three copies of the application shall be filed pursuant to §§201.151, 201.152 and 201.153. Each application shall include as exhibits:

(1) A copy of the Commission order imposing the bar;

(2) An undertaking by the applicant to notify immediately the Commission in writing if any information submitted in support of the application becomes materially false or misleading while the application is pending;

(3) The following forms, as appropriate:

(i) A copy of a completed Form U–4, where the applicant’s proposed association is with a broker-dealer or municipal securities dealer;

(ii) A copy of a completed Form MSD–4, where the applicant’s proposed association is with a bank municipal securities dealer;

(iii) The information required by Form ADV, 17 CFR 279.1, with respect to the applicant, where the applicant’s proposed association is with an investment adviser;

(iv) The information required by Form TA–1, 17 CFR 249b.100, with respect to the applicant, where the applicant’s proposed association is with a transfer agent; and

(4) A written statement by the proposed employer that describes:

(i) The terms and conditions of employment and supervision to be exercised over such applicant and, where applicable, by such applicant;

(ii) The qualifications, experience, and disciplinary records of the proposed supervisor(s) of the applicant;

(iii) The compliance and disciplinary history, during the two years preceding the filing of the application, of the office in which the applicant will be employed; and

(iv) The names of any other associated persons in the same office who have previously been barred by the Commission, and whether they are to be supervised by the applicant.

(c) Required showing. The applicant shall make a showing satisfactory to the Commission that the proposed association would be consistent with the public interest.

(d) Factors to be addressed. The affidavit required by paragraph (b) of this section shall address each of the following:

(1) The time period since the imposition of the bar;

(2) Any restitution or similar action taken by the applicant to recompense any person injured by the misconduct that resulted in the bar;

(3) The applicant’s compliance with the order imposing the bar;

(4) The applicant’s employment during the period subsequent to imposition of the bar;

(5) The capacity or position in which the applicant proposes to be associated;

(6) The manner and extent of supervision to be exercised over such applicant and, where applicable, by such applicant;

(7) Any relevant courses, seminars, examinations or other actions completed by the applicant subsequent to imposition of the bar to prepare for his or her return to the securities business; and
Securities and Exchange Commission

§ 201.200 Initiation of proceedings.

(a) Order instituting proceedings: Notice and opportunity for hearing—(1) Generally. Whenever an order instituting proceedings is issued by the Commission, appropriate notice thereof shall be given to each party to the proceeding by the Secretary or another duly designated officer of the Commission. Each party shall be given notice of any hearing within a time reasonable in light of the circumstances, in advance of the hearing; provided, however, no prior notice need be given to a respondent if the Commission has authorized the Division of Enforcement to seek a temporary sanction ex parte.

(2) Stop order proceedings: Additional persons entitled to notice. Any notice of a proceeding relating to the issuance of a stop order suspending the effectiveness of a registration statement pursuant to Section 8(d) of the Securities Act of 1933, 15 U.S.C. 77h(d), shall be sent to or served on the issuer; or, in the case of a foreign or territorial person, sent to or served on its duly authorized representative in the United States named in the registration statement, properly directed in the case of telegraphic notice to the address given in such statement. In addition, if such proceeding is commenced within 90 days after the registration statement has become effective, notice of the proceeding shall be given to the agent for service named on the facing sheet of the registration statement and to each other person designated on the facing sheet of the registration statement as a person to whom copies of communications to such agent are to be sent.

(b) Content of order. The order instituting proceedings shall:

(1) State the nature of any hearing;
(2) State the legal authority and jurisdiction under which the hearing is to be held;
(3) Contain a short and plain statement of the matters of fact and law to be considered and determined, unless the order directs an answer pursuant to §201.220 in which case the order shall set forth the factual and legal basis alleged therefor in such detail as will permit a specific response thereto; and
(4) State the nature of any relief or action sought or taken.

(c) Time and place of hearing. The time and place for any hearing shall be fixed with due regard for the public interest and the convenience and necessity of the parties, other participants, or their representatives.

(d) Amendment to order instituting proceedings—(1) By the Commission. Upon motion by a party, the Commission may, at any time, amend an order instituting proceedings to include new matters of fact or law.

(2) By the hearing officer. Upon motion by a party, the hearing officer may, at any time prior to the filing of an initial decision or, if no initial decision is to be filed, prior to the time fixed for the filing of final briefs with the Commission, amend an order instituting proceedings to include new matters of fact or law that are within the scope of the original order instituting proceedings.

(e) Publication of notice of public hearings. Unless otherwise ordered by the Commission, notice of any public hearing shall be given general circulation by release to the public, by publication in the SEC News Digest and, where directed, by publication in the Federal Register.
