(A) Such action is approved by not less than 66 2⁄3% of the outstanding units of each of the participating partnerships; and

(B) As a result of the transaction, the existing general partners will receive only compensation to which they are entitled as expressly provided for in the preexisting partnership agreements;

(v) A transaction in which the securities offered to investors are securities of another entity that are reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under Section 11A of the Securities Exchange Act of 1934 (15 U.S.C. 78k–1), if:
