§ 230.418 Supplemental information.

(a) The Commission or its staff may, where it is deemed appropriate, request supplemental information concerning the registrant, the registration statement, the distribution of the securities, market activities and underwriters' activities. Such information includes, but is not limited to, the following items which the registrant should be prepared to furnish promptly upon request:

(1)(i) Any reports or memoranda which have been prepared for external use by the registrant or a principal underwriter, as defined in Rule 405 (§230.405), in connection with the proposed offering;

(ii) A statement as to the actual or proposed use and distribution of the reports or memoranda specified in paragraph (a)(1)(i) of this section, identifying each class of persons who have received or will receive such reports or memoranda and the number of copies distributed to each such class;

(2) In the case of a registration statement relating to a business combination as defined in Rule 145(a) (17 CFR 230.145(a)), exchange offer, tender offer or similar transaction, any feasibility studies, management analyses, fairness opinions or similar reports prepared by or for any of the parties to the subject transaction in connection with such transaction;

(3) Except in the case of a registrant eligible to use Form S-3 (§239.13 of this chapter), any engineering, management or similar reports or memoranda relating to broad aspects of the business, operations or products of the registrant, which have been prepared within the past twelve months for or by the registrant and any affiliate of

the registrant or any principal underwriter, as defined in Rule 405 (§230.405), of the securities being registered except for:

(i) Reports solely comprised of recommendations to buy, sell or hold the securities of the registrant, unless such recommendations have changed within the past six months; and

(ii) Any information contained in documents already filed with the Commission.

(4) Where there is a registration of an at-the-market offering, as defined in §242.100 of this chapter, of more than 10 percent of the securities outstanding, where the offering includes securities owned by officers, directors or affiliates of the registrant and where there is no underwriting agreement, information (i) concerning contractual arrangements between selling security holders of a limited group or of several groups of related shareholders to comply with the anti-manipulation rules until the offering by all members of the group is completed and to inform the exchange, brokers and selling security holders when the distribution by the members of the group is over; or (ii) concerning the registrant's efforts to notify members of a large group of unrelated sellers of the applicable Commission rules and regulations;

(5) Where the registrant recently has introduced a new product or has begun to do business in a new industry segment or has made public its intentions to introduce a new product or to do business in a new industry segment, and this action requires the investment of a material amount of the assets of the registrant or otherwise is material, copies of any studies prepared for the registrant by outside persons or any internal studies, documents, reports or memoranda the contents of which were material to the decision to develop the product or to do business in the new segment including, but not limited to, documents relating to financial requirements and engineering, competitive, environmental and other considerations, but excluding technical documents;

(6) Where reserve estimates are referred to in a document, a copy of the full report of the engineer or other expert who estimated the reserves;
