

§ 240.3a51-1

17 CFR Ch. II (4-1-10 Edition)

§ 240.3a51-1 Definition of “penny stock”.

For purposes of section 3(a)(51) of the Act, the term “penny stock” shall mean any equity security other than a security:

(a) That is an NMS stock, as defined in § 242.600(b)(47), provided that:

(1) The security is registered, or approved for registration upon notice of issuance, on a national securities exchange that has been continuously registered as a national securities exchange since April 20, 1992 (the date of the adoption of Rule 3a51-1 (§ 240.3a51-1) by the Commission); and the national securities exchange has maintained quantitative listing standards that are substantially similar to or stricter than those listing standards that were in place on that exchange on January 8, 2004; or

(2) The security is registered, or approved for registration upon notice of issuance, on a national securities exchange, or is listed, or approved for listing upon notice of issuance on, an automated quotation system sponsored by a registered national securities association, that:

(i) Has established initial listing standards that meet or exceed the following criteria:

(A) The issuer shall have:

(1) Stockholders’ equity of \$5,000,000;

(2) Market value of listed securities of \$50 million for 90 consecutive days prior to applying for the listing (market value means the closing bid price multiplied by the number of securities listed); or

(3) Net income of \$750,000 (excluding extraordinary or non-recurring items) in the most recently completed fiscal year or in two of the last three most recently completed fiscal years;

(B) The issuer shall have an operating history of at least one year or a market value of listed securities of \$50 million (market value means the closing bid price multiplied by the number of securities listed);

(C) The issuer’s stock, common or preferred, shall have a minimum bid price of \$1 per share;

(D) In the case of common stock, there shall be at least 300 round lot holders of the security (a round lot

holder means a holder of a normal unit of trading);

(E) In the case of common stock, there shall be at least 1,000,000 publicly held shares and such shares shall have a market value of at least \$5 million (market value means the closing bid price multiplied by number of publicly held shares, and shares held directly or indirectly by an officer or director of the issuer and by any person who is the beneficial owner of more than 10 percent of the total shares outstanding are not considered to be publicly held);

(F) In the case of a convertible debt security, there shall be a principal amount outstanding of at least \$10 million;

(G) In the case of rights and warrants, there shall be at least 100,000 issued and the underlying security shall be registered on a national securities exchange or listed on an automated quotation system sponsored by a registered national securities association and shall satisfy the requirements of paragraph (a) or (e) of this section;

(H) In the case of put warrants (that is, instruments that grant the holder the right to sell to the issuing company a specified number of shares of the company’s common stock, at a specified price until a specified period of time), there shall be at least 100,000 issued and the underlying security shall be registered on a national securities exchange or listed on an automated quotation system sponsored by a registered national securities association and shall satisfy the requirements of paragraph (a) or (e) of this section;

(I) In the case of units (that is, two or more securities traded together), all component parts shall be registered on a national securities exchange or listed on an automated quotation system sponsored by a registered national securities association and shall satisfy the requirements of paragraph (a) or (e) of this section; and

(J) In the case of equity securities (other than common and preferred stock, convertible debt securities, rights and warrants, put warrants, or units), including hybrid products and derivative securities products, the national securities exchange or registered national securities association shall establish quantitative listing standards

Securities and Exchange Commission

§ 240.3a51-1

that are substantially similar to those found in paragraphs (a)(2)(i)(A) through (a)(2)(i)(I) of this section; and

(ii) Has established quantitative continued listing standards that are reasonably related to the initial listing standards set forth in paragraph (a)(2)(i) of this section, and that are consistent with the maintenance of fair and orderly markets;

(b) That is issued by an investment company registered under the Investment Company Act of 1940;

(c) That is a put or call option issued by the Options Clearing Corporation;

(d) Except for purposes of section 7(b) of the Securities Act and Rule 419 (17 CFR 230.419), that has a price of five dollars or more;

(1) For purposes of paragraph (d) of this section:

(i) A security has a price of five dollars or more for a particular transaction if the security is purchased or sold in that transaction at a price of five dollars or more, excluding any broker or dealer commission, commission equivalent, mark-up, or mark-down; and

(ii) Other than in connection with a particular transaction, a security has a price of five dollars or more at a given time if the inside bid quotation is five dollars or more; *provided, however*, that if there is no such inside bid quotation, a security has a price of five dollars or more at a given time if the average of three or more interdealer bid quotations at specified prices displayed at that time in an interdealer quotation system, as defined in 17 CFR 240.15c2-7(c)(1), by three or more market makers in the security, is five dollars or more.

(iii) The term “inside bid quotation” shall mean the highest bid quotation for the security displayed by a market maker in the security on an automated interdealer quotation system that has the characteristics set forth in section 17B(b)(2) of the Act, or such other automated interdealer quotation system designated by the Commission for purposes of this section, at any time in which at least two market makers are contemporaneously displaying on such system bid and offer quotations for the security at specified prices.

(2) If a security is a unit composed of one or more securities, the unit price divided by the number of shares of the unit that are not warrants, options, rights, or similar securities must be five dollars or more, as determined in accordance with paragraph (d)(1) of this section, and any share of the unit that is a warrant, option, right, or similar security, or a convertible security, must have an exercise price or conversion price of five dollars or more;

(e)(1) That is registered, or approved for registration upon notice of issuance, on a national securities exchange that makes transaction reports available pursuant to §242.601, provided that:

(i) Price and volume information with respect to transactions in that security is required to be reported on a current and continuing basis and is made available to vendors of market information pursuant to the rules of the national securities exchange;

(ii) The security is purchased or sold in a transaction that is effected on or through the facilities of the national securities exchange, or that is part of the distribution of the security; and

(iii) The security satisfies the requirements of paragraph (a)(1) or (a)(2) of this section;

(2) A security that satisfies the requirements of this paragraph (e), but does not otherwise satisfy the requirements of paragraph (a), (b), (c), (d), (f), or (g) of this section, shall be a penny stock for purposes of section 15(b)(6) of the Act (15 U.S.C. 78o(b)(6));

(f) That is a security futures product listed on a national securities exchange or an automated quotation system sponsored by a registered national securities association; or

(g) Whose issuer has:

(1) Net tangible assets (i.e., total assets less intangible assets and liabilities) in excess of \$2,000,000, if the issuer has been in continuous operation for at least three years, or \$5,000,000, if the issuer has been in continuous operation for less than three years; or

(2) Average revenue of at least \$6,000,000 for the last three years.

(3) For purposes of paragraph (g) of this section, net tangible assets or average revenues must be demonstrated

by financial statements dated less than fifteen months prior to the date of the transaction that the broker or dealer has reviewed and has a reasonable basis for believing are accurate in relation to the date of the transaction, and:

(i) If the issuer is other than a foreign private issuer, are the most recent financial statements for the issuer that have been audited and reported on by an independent public accountant in accordance with the provisions of 17 CFR 210.2-02; or

(ii) If the issuer is a foreign private issuer, are the most recent financial statements for the issuer that have been filed with the Commission or furnished to the Commission pursuant to 17 CFR 240.12g3-2(b); *provided, however*, that if financial statements for the issuer dated less than fifteen months prior to the date of the transaction have not been filed with or furnished to the Commission, financial statements dated within fifteen months prior to the transaction shall be prepared in accordance with generally accepted accounting principles in the country of incorporation, audited in compliance with the requirements of that jurisdiction, and reported on by an accountant duly registered and in good standing in accordance with the regulations of that jurisdiction.

(4) The broker or dealer shall preserve, as part of its records, copies of the financial statements required by paragraph (g)(3) of this section for the period specified in 17 CFR 240.17a-4(b).

§ 240.3a55-1 Method for determining market capitalization and dollar value of average daily trading volume; application of the definition of narrow-based security index.

(a) *Market capitalization.* For purposes of Section 3(a)(55)(C)(i)(III)(bb) of the Act (15 U.S.C. 78c(a)(55)(C)(i)(III)(bb)):

(1) On a particular day, a security shall be 1 of 750 securities with the largest market capitalization as of the preceding 6 full calendar months when it is included on a list of such securities designated by the Commission and the CFTC as applicable for that day.

(2) In the event that the Commission and the CFTC have not designated a list under paragraph (a)(1) of this section:

(i) The method to be used to determine market capitalization of a security as of the preceding 6 full calendar months is to sum the values of the market capitalization of such security for each U.S. trading day of the preceding 6 full calendar months, and to divide this sum by the total number of such trading days.

(ii) The 750 securities with the largest market capitalization shall be identified from the universe of all NMS securities as defined in § 242.600 of this chapter that are common stock or depositary shares.

(b) *Dollar value of ADTV.* (1) For purposes of Section 3(a)(55)(B) of the Act (15 U.S.C. 78c(a)(55)(B)):

(i)(A) The method to be used to determine the dollar value of ADTV of a security is to sum the dollar value of ADTV of all reported transactions in such security in each jurisdiction as calculated pursuant to paragraphs (b)(1)(ii) and (iii).

(B) The dollar value of ADTV of a security shall include the value of all reported transactions for such security and for any depositary share that represents such security.

(C) The dollar value of ADTV of a depositary share shall include the value of all reported transactions for such depositary share and for the security that is represented by such depositary share.

(ii) For trading in a security in the United States, the method to be used to determine the dollar value of ADTV as of the preceding 6 full calendar months is to sum the value of all reported transactions in such security for each U.S. trading day during the preceding 6 full calendar months, and to divide this sum by the total number of such trading days.

(iii)(A) For trading in a security in a jurisdiction other than the United States, the method to be used to determine the dollar value of ADTV as of the preceding 6 full calendar months is to sum the value in U.S. dollars of all reported transactions in such security in such jurisdiction for each trading
