(a) Any registered holding-company subsidiary which is itself a public-utility company shall be exempt from section 6(a) of the Act (15 U.S.C. 79f(a)) and rules thereunder with respect to the issue and sale of any security, of which it is the issuer if:

(1) The issue and sale of the security are solely for the purpose of financing the business of the public-utility subsidiary company;

(2) The issue and sale of the security have been expressly authorized by the state commission of the state in which the subsidiary company is organized and doing business; and

(3) The interest rates and maturity dates of any debt security issued to an associate company are designed to parallel the effective cost of capital of that associate company.

(b) Any subsidiary of a registered holding company which is not a holding company, a public-utility company, an investment company, or a fiscal or financing agency of a holding company, a public-utility company or an investment company shall be exempt from section 6(a) of the Act (15 U.S.C. 79f(a)) and related rules with respect to the issue and sale of any security of which it is the issuer if:

(1) The issue and sale of the security are solely for the purpose of financing the existing business of the subsidiary company; and

(2) The interest rates and maturity dates of any debt security issued to an associate company are designed to parallel the effective cost of capital of that associate company; *Provided*, That any security issued to an associate company by any energy-related company subsidiary, as defined in § 250.58, shall not be exempt under these provisions unless, after giving effect to the issue of the security, the aggregate investment by a registered holding company or its subsidiary in the energy-related company subsidiary and all other energy-related company subsidiaries does not exceed the limitation in § 250.58(a)(1).

(c) Within ten days after the issue or sale of any security exempt under this section, the issuer or seller shall file with the Commission a Certificate of Notification on Form U–6B–2 (17 CFR 259.206) containing the information prescribed by that form. However, with respect to exempt financing transactions between associate companies which involve the repetitive issue or sale of securities or are part of an intrasystem financing program involving the issuance and sale of securities not exempted by this section, the filing of information on Form U–6B–2 may be done on a calendar quarterly basis.

(d) The acquisition by a company in a registered holding company system of any security issued and sold by any associate company, pursuant to this section, is exempt from the requirements of section 9(a) of the Act (15 U.S.C. 79i(a)); provided that the exemption granted by this paragraph (d) shall not apply to any transaction involving the issue and sale of securities to form a new subsidiary company of a registered holding company.

(e) A copy of any Certificate of Notification on Form U–6B–2 (§ 259.206) that is filed with this Commission under this section with respect to any security issued by a subsidiary of a registered holding company under paragraph (b) of this section and acquired by a public-utility company that is an associate company of the issuer, shall be submitted concurrently to each state commission having jurisdiction over the retail rates of the public-utility company.
