reasonably segregable portion of an available record shall be provided to any person requesting such record after deletion of the portions which are exempt under this paragraph.

§ 1301.8 Business information.

(a) In general. Business information obtained by TVA from a submitter will be disclosed under the FOIA only under this section.

(b) Definitions. For purposes of this section:

(1) Business information means commercial or financial information obtained by TVA from a submitter that may be protected from disclosure under Exemption 4 of the FOIA.

(2) Submitter means any person or entity from whom TVA obtains business information, directly or indirectly. The term includes corporations; state and local governments; and foreign governments.

(c) Designation of business information. A submitter of business information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers to be protected from disclosure under Exemption 4. These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(d) Notice to submitters. TVA shall provide a submitter with prompt written notice of a FOIA request or administrative appeal that seeks its business information wherever required under paragraph (h) of this section, in order to give the submitter an opportunity to object to disclosure of any specified portion of that information under paragraph (f) of this section. The notice shall either describe the business information requested or include copies of the requested records or record portions containing the information. When notification of a voluminous number of submitters is required, notification may be made by posting or publishing the notice in a place reasonably likely to accomplish notification of submitters.

(e) Where notice is required. Notice shall be given to a submitter wherever:

(1) The information has been designated in good faith by the submitter as information considered protected from disclosure under Exemption 4; or

(2) TVA has reason to believe that the information may be protected from disclosure under Exemption 4.

(f) Opportunity to object to disclosure. TVA will allow a submitter a reasonable time to respond to the notice described in paragraph (d) of this section. If a submitter has any objection to disclosure, it is required to submit a detailed written statement. The statement must specify all grounds for withholding any portion of the information under any exemption of the FOIA and, in the case of Exemption 4, it must show why the information is a trade secret or commercial or financial information that is privileged or confidential. In the event that a submitter fails to respond to the notice within the time specified in it, the submitter will be considered to have no objection to disclosure of the information. Information provided by the submitter that is not received by TVA until after its disclosure decision has been made shall not be considered by TVA. Information provided by a submitter under this paragraph may itself be subject to disclosure under the FOIA.

(g) Notice of intent to disclose. TVA shall consider a submitter’s objections and specific grounds for nondisclosure in deciding whether to disclose business information. Whenever TVA decides to disclose business information over the objection of a submitter, TVA shall give the submitter written notice, which shall include:

(1) A statement of the reason(s) why each of the submitter’s disclosure objections was not sustained;

(2) A description of the business information to be disclosed, and

(3) A specified disclosure date, which shall be a reasonable time subsequent to the notice.

(h) Exceptions to notice requirements. The notice requirements of paragraphs (d) and (g) of this section shall not apply if:

(1) TVA determines that the information should not be disclosed;
Tennessee Valley Authority

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by applicable regulation; or

(4) The designation made by the submitter under paragraph (c) of this section appears obviously frivolous—except that, in such a case, the component shall, within a reasonable time prior to a specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(i) Notice of FOIA lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of business information, TVA shall promptly notify the submitter.

(j) Corresponding notice to requesters. Whenever TVA provides a submitter with notice and an opportunity to object to disclosure under paragraph (d) of this section, TVA shall also notify the requester(s). Whenever TVA notifies a submitter of its intent to disclose requested information under paragraph (g) of this section, TVA shall also notify the requester(s). Whenever a submitter files a lawsuit seeking to prevent the disclosure of business information, TVA shall notify the requester(s).

§ 1301.10 Fees.

(a) In general, TVA shall charge for processing requests under the FOIA in accordance with paragraph (c) of this section, except where fees are limited under paragraph (d) of this section or where a waiver or reduction of fees is granted under paragraph (k) of this section. If the applicable fees are $100 or more, TVA ordinarily will collect all applicable fees before sending copies of requested records to a requester. If the applicable fees are less than $100, TVA ordinarily will bill the requester for the fees in the letter responding to the request and enclosing the requested records. Requesters must pay fees by check or money order made payable to the Tennessee Valley Authority.

(b) Definitions.

(1) Commercial use request means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade, or profit interests, which can include furthering those interests through litigation.

(2) Responses to appeals. The decision on your appeal will be made in writing within 20 days (excluding Saturdays, Sundays, and legal holidays) after an appeal is received. A decision affirming an adverse determination in whole or in part shall contain a statement of the reason(s) for the affirmance, including any FOIA exemption(s) applied, and will inform you of the FOIA provisions for court review of the decision. If the adverse determination is reversed or modified on appeal, in whole or in part, you will be notified in a written decision and your request will be reprocessed in accordance with that appeal decision.

(c) When appeal is required. If you wish to seek review by a court of any adverse determination, you must first appeal it under this section.

§ 1301.9 Appeals.

(a) Appeals of adverse determinations. If you are dissatisfied with TVA's response to your request, you may appeal an adverse determination denying your request, in any respect, to TVA's FOIA Appeal Official, Tennessee Valley Authority, 400 W. Summit Hill Drive (WT 1D), Knoxville, Tennessee 37902-1401. You must make your appeal in writing, and it must be received by the FOIA Appeal Official within 30 days of the date of the letter denying your request. Your appeal letter may include as much or as little related information as you wish, as long as it clearly identifies the TVA determination (including the assigned request number, if known) that you are appealing. An adverse determination by the TVA FOIA Appeal Official will be the final action of TVA.

(b) Definitions. For purposes of this section:

(1) Commercial use request means a request from or on behalf of a person who seeks information for a use or purpose that furthers his or her commercial, trade, or profit interests, which can include furthering those interests through litigation. TVA shall determine, whenever reasonably possible, the use to which a requester will put the requested records. When it appears that the requester will put the records to a commercial use, either because of the nature of the request itself or because TVA has reasonable cause to doubt a requester's stated use, TVA
