(b) The Certifying Authority shall conduct such examinations, inspections, and testing of the production run road vehicles as it deems necessary.

§ 115.67 Approval certificate.

The holder of the approval certificate shall, before using the vehicle for the carriage of goods under the cover of a TIR Carnet, fill in as may be required on the approval certificate:

(a) The registration number given to the vehicle (item No. 1); or

(b) In the case of a vehicle not subject to registration, particulars of his name and business address (item No. 8). (See Annex 4 of the Convention for model of certificate of approval.)

§ 115.68 Termination of approval.

Any road vehicle whose essential features are changed shall no longer be covered by the design type approval. Such a road vehicle may be made available to a Certifying Authority for inspection and individual approval in accordance with subpart E of this part. However, repairs in kind do not constitute a change of the essential features.

PART 118—CENTRALIZED EXAMINATION STATIONS

Sec. 118.0 Scope.

Subpart A—General Provisions

§ 118.1 Definition.

A centralized examination station (CES) is a privately operated facility, not in the charge of a Customs officer, at which merchandise is made available to Customs officers for physical examination. A CES may be established in any port or any portion of a port, or any other area under the jurisdiction of a port director. To present outbound cargo for inspection at a CES at a port other than the shipper’s designated port of exit, either proof of the shipper’s consent to the inspection must be furnished or a complete set of transportation documents must accompany the shipment to evidence that exportation of the goods is imminent and
