this section. The provisions of this section shall not apply to domestic hand baggage crossing Canada or Mexico which, upon reentry into the United States, shall be examined in the same manner as baggage of foreign origin.

(b) Special in-transit tag manifest. The carrier shall complete and attach to each piece of baggage by wire or cord under Customs supervision a special in-transit tag manifest furnished by the carrier as follows:

(1) Baggage transiting Mexico. Check No. __________
This baggage is in transit from __________ (Port of exit) through foreign territory to __________ (Port of reentry) in the United States.
This baggage was laden for transportation as above stated.

(U.S. Customs Officer)

(2) Baggage transiting Canada. For baggage of domestic origin to be transported through Canada between ports in the United States, the joint United States-Canada in-transit baggage card, Customs Form 7512-B (Canada 8½) or Customs Form 7533-C (Canada A4-½), shall be used as the special in-transit tag manifest attached to each piece of baggage.

(c) Removal of special in-transit tag manifest. The special in-transit tag manifest shall be removed only by the Customs officers at the final port of reentry into the United States. If the officer finds the special in-transit tag manifest missing or not intact, or for any other reason believes that the baggage has been tampered with while outside the United States, he shall detain it for examination. Otherwise, baggage transported under the procedure in this section may be passed without examination.

(d) Procedure in lieu of special in-transit tag manifest. In lieu of attaching the special in-transit tag manifest to each piece of baggage as set forth in paragraph (b) of this section, baggage of domestic origin may be forwarded in a car or compartment sealed with in-transit seals and manifested as in the case of other merchandise in transit through Canada or Mexico, as provided in subpart C of this part.

Subpart H—Land Border Carrier Initiative Program

SOURCE: T.D. 99–2, 64 FR 31, Jan. 4, 1999, unless otherwise noted.

§ 123.71 Description of program.

The Land Border Carrier Initiative Program (LBCIP) is a program designed to enlist the voluntary cooperation of commercial conveyance entities in Customs effort to prevent the smuggling of controlled substances into the United States. Participation in the LBCIP requires the land or rail commercial carrier to enter into a written agreement with Customs that describes the responsibilities of participants in the LBCIP. The agreement generally provides that the carrier agrees to enhance the security of its facilities and the conveyances employed to transport merchandise. The carrier also agrees to cooperate closely with Customs in identifying and reporting suspected smuggling attempts. In exchange for this cooperation, Customs agrees to provide training to carrier personnel in the areas of cargo and personnel security, document review techniques, drug awareness, and conveyance searches. Customs also agrees that should a controlled substance be found aboard a conveyance owned or operated by a participating carrier, special administrative procedures relating to the assessment and mitigation of drug-related penalties will be followed; the degree of compliance with the terms of the agreement will be considered as an additional positive mitigating factor in
§ 123.72 Written agreement requirement.

Commercial carriers desiring to participate in the LBCIP shall enter into a written agreement with Customs regarding the mutual obligations of the carrier-participant and Customs. The terms and conditions in the written agreement shall generally provide that the carrier-applicant agrees:

(a) To participate in Customs training regarding cargo and personnel security, document review techniques, drug awareness, and conveyance searches;

(b) To establish security systems at the place of business for the safe storage and handling of cargo intended to be imported into the United States; and security procedures aimed at restricting access to transporting conveyances and preventing the unauthorized lading of illegal drugs while the conveyance is en route to the United States;

(c) To conduct, to the extent allowed by law, employment and criminal history record checks on all personnel designated to participate in the LBCIP and to exercise responsible supervision and control over those personnel;

(d) To ensure that only authorized drivers and properly registered conveyances are utilized in the transportation of merchandise into the United States, and to maintain current lists of such drivers and conveyances for Customs inspection upon request;

(e) To immediately report to the appropriate port director any criminal or dishonest conduct on the part of drivers designated to participate in the LBCIP, or attempts by others to impede, influence, or coerce the carrier or drivers into violating any United States law, including Customs regulations, especially those concerned with trafficking in illegal drugs; and

(f) To notify the appropriate port director in writing by mail within 5 days of any change in legal name, business address, business principals, ownership, drivers, or conveyances that affects the basis for continued participation in the LBCIP.

§ 123.73 Application to participate.

To request participation in the LBCIP, the carrier-applicant must submit an application containing the information requested in this section. The application must be accompanied by two copies of a LBCIP written agreement (see §123.72 of this part; upon request, the local port director will provide copies of an unsigned written agreement) containing original signatures of corporate officers or owners of the common carrier. The application shall be prepared by the common carrier, be signed by corporate officers or owners, and submitted to the port director. If a submitted application does not provide all of the information specified in this section, the processing of the application will either be delayed or the application will be rejected. The application shall include the following information:

(a) General business identification and site condition information. The name and address of the commercial conveyance entity, the names of all principals or corporate officers, the name and telephone number of an individual to be contacted for further information, and a complete and detailed description of the premises where business operations are conducted, to include all working/storage areas and security features employed;

(b) Designated driver information. A listing of the drivers designated by the carrier who will be transporting merchandise into the U.S. The listing shall set forth the name(s), address(es), date of birth, nationality, driver’s license number, and any other personal identifying information regarding the drivers listed, e.g., social security number (if available), to enable Customs to conduct background checks and to aid Customs officers at the border crossing point in identifying individual LBCIP-authorized drivers;
