

approved analysis method and as determined by a Customs-accredited commercial laboratory shall be used for Customs purposes if the difference between the value found by the commercial laboratory and the value found by the Customs laboratory does not exceed 0.11 percent. If the difference exceeds this limit and the Customs-accredited commercial laboratory cannot establish that Customs is in error, then the Customs results shall be used.

[T.D. 90-78, 55 FR 40167, Oct. 2, 1990, as amended by T.D. 99-67, 64 FR 48543, Sept. 7, 1999]

§ 151.15 Movement of merchandise to a centralized examination station.

(a) *Permission to transfer merchandise for examination.* When a shipment requires examination at a centralized examination station (CES), Customs Form 3461, or Customs Form 3461 (ALT) for land border cargo, or an attachment to either, may be used to request permission to transfer the merchandise to a CES. The entry filer must write, type or stamp the following lines on the form or attachment, and must supply the information called for on the first three lines:

Containers to be transferred: _____ All or,
 Container #'s _____, _____, _____ ♦
 To CES _____ ♦
 Approved by: U.S. Customs Inspector _____ ♦
 Date _____ ♦

Unless the port director exercises his authority pursuant to paragraph (d) of this section, the reviewing inspector will initial and date the form or attachment being used, or stamp one copy of the Customs Form 3461 or 3461 (ALT) if required by the port director. A copy of this document will act as notification and authorization to the entry filer that the merchandise must be transferred to the importer-designated CES unless another CES is designated by the port director under paragraph (d) of this section.

(b) *Assumption of liability during transfer.* Merchandise designated for examination may be transferred from the importing carrier's point of unloading or from a bonded facility, to a CES, only if the transfer takes place under bond. The entry filer shall select one of the following bonded movements for the

transfer to the CES unless the type of bonded movement to be used is specified by the port director under paragraph (d) of this section:

(1) If the merchandise is transferred directly to a CES by an importing carrier, the importing carrier shall remain liable under the terms of its international carrier bond for the proper safekeeping and delivery of the merchandise until it is received for by the CES operator.

(2) If the merchandise is transferred directly from a bonded carrier's facility to a CES or is delivered directly to the CES by a bonded carrier, the bonded carrier shall remain liable under the terms of its custodial bond for the proper safekeeping and delivery of the merchandise until it is received for by the CES operator.

(3) If containerized cargo, including excess loose cargo that is part of the containerized cargo, is transferred to a CES operator's own facility using his own vehicles, the CES operator shall be liable under the terms of his custodial bond for the proper safekeeping and delivery of the merchandise to the CES facility.

(4) If the importer or his agent acting as importer of record transfers the merchandise to a CES, that importer or agent shall assume liability under his importation and entry bond (see §151.7(d) of this part) for the proper transfer of the merchandise until it is received for by the CES operator.

(c) *Annual blanket transfer.* Port directors may institute an annual blanket transfer application procedure to facilitate any of the bonded movements described in paragraph (b) of this section.

(d) *Designation of bonded movement and CES to be used.* In the event the port director deems it necessary, he may direct the type of bonded movement to be used to transfer merchandise to a CES and may designate the CES at which examination must take place. In either case the port director's action will be noted on the Customs Form 3461 or 3461 (ALT) or attachment thereto.
