§ 180.20 What must a Federal agency do to implement these guidelines?

As required by Section 3 of E.O. 12549, each Federal agency with nonprocurement programs and activities covered by subparts A through I of the guidance must issue regulations consistent with those subparts.

§ 180.25 What must a Federal agency address in its implementation of the guidance?

Each Federal agency implementing regulation:

(a) Must establish policies and procedures for that agency’s nonprocurement debarment and suspension programs and activities that are consistent with the guidance. When adopted by a Federal agency, the provisions of the guidance have regulatory effect for that agency’s programs and activities.

(b) Must address some matters for which these guidelines give each Federal agency some discretion. Specifically, the regulation must—

(1) Identify either the Federal agency head or the title of the designated official who is authorized to grant exceptions under §180.135 to let an excluded person participate in a covered transaction.

(2) State whether the agency includes as covered transactions an additional tier of contracts awarded under covered nonprocurement transactions, as permitted under §180.220(c).

(3) Identify the method(s) an agency official may use, when entering into a covered transaction with a primary tier participant, to communicate to the participant the requirements described in §180.435. Examples of methods are an award term that requires compliance as a condition of the award; an assurance of compliance obtained at time of application; or a certification.

(4) State whether the Federal agency specifies a particular method that participants must use to communicate compliance requirements to lower-tier participants, as described in §180.330(a).

(5) Identify by title the officials designated by the Federal agency head as debarring officials under §180.930 or suspending officials under §180.1010.

(6) Include a subpart covering disqualifications, as authorized in §180.45.

(7) Include any provisions authorized by OMB.

§ 180.30 Where does a Federal agency implement these guidelines?

Each Federal agency that participates in the governmentwide nonprocurement debarment and suspension system must issue a regulation implementing these guidelines within its chapter in subtitle B of this title of the Code of Federal Regulations.

§ 180.35 By when must a Federal agency implement these guidelines?

Federal agencies must submit proposed regulations to the OMB for review within nine months of the issuance of these guidelines and issue final regulations within eighteen months of these guidelines.

§ 180.40 How are these guidelines maintained?

The Interagency Committee on Debarment and Suspension established by section 4 of E.O. 12549 recommends to
the OMB any needed revisions to the guidelines in this part. The OMB publishes proposed changes to the guidelines in the Federal Register for public comment, considers comments with the help of the Interagency Committee on Debarment and Suspension, and issues the final guidelines.

§ 180.105 How is this part written?

(a) This part uses a “plain language” format to make it easier for the general public and business community to use. The section headings and text, often in the form of questions and answers, must be read together.

(b) Pronouns used within this part, such as “I” and “you,” change from subpart to subpart depending on the audience being addressed.
