§ 215.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

§ 215.29 Conditional exemptions.

(a) OMB authorizes conditional exemption from OMB administrative requirements and cost principles circulars for certain Federal programs with statutorily-authorized consolidated planning and consolidated administrative funding, that are identified by a Federal agency and approved by the head of the Executive department or establishment. A Federal agency shall consult with OMB during its consideration of whether to grant such an exemption.

(b) To promote efficiency in State and local program administration, when Federal non-entitlement programs with common purposes have specific statutorily-authorized consolidated planning and consolidated administrative funding and where most of the State agency’s resources come from non-Federal sources, Federal agencies may exempt these covered State-administered, non-entitlement grant programs from certain OMB grants management requirements. The exemptions would be from:

(1) The requirements in 2 CFR part 225, “Cost Principles for State, Local, and Indian Tribal Governments (OMB Circular A-87)” other than the allocability of costs provisions that are contained in subsection C.3 of appendix A to that part;

(2) The requirements in 2 CFR part 220, “Cost Principles for Educational Institutions (OMB Circular A-21)” other than the allocability of costs provisions that are contained in paragraph C.4 in section C of the appendix to that part;

(3) The requirements in 2 CFR part 230, “Cost Principles for Non-Profit Organizations (OMB Circular A-122)”
