

## § 10.712

## 20 CFR Ch. I (4–1–10 Edition)

### § 10.712 What amounts are included in the gross recovery?

(a) When a settlement or judgment is paid to, or for, one individual, the entire amount, except for the portion representing damage to real or personal property, is reported as the gross recovery. If a settlement or judgment is paid to or for more than one individual or in more than one capacity, such as a joint payment to a husband and wife for personal injury and loss of consortium or a payment to a spouse representing both loss of consortium and wrongful death, the gross recovery to be reported is the amount allocated to the injured employee. If a judge or jury specifies the percentage of a contested verdict attributable to each of several plaintiffs, OWCP or SOL will accept that division.

(b) In any other case, where a judgment or settlement is paid to or on behalf of more than one individual, OWCP or SOL will determine the appropriate amount of the FECA beneficiary's gross recovery and advise the beneficiary of its determination. FECA beneficiaries may accept OWCP's or SOL's determination or demonstrate good cause for a different allocation. Whether to accept a specific allocation is at the discretion of SOL or OWCP.

### § 10.713 How is a structured settlement (that is, a settlement providing for receipt of funds over a specified period of time) treated for purposes of reporting the gross recovery?

In this situation, the gross recovery to be reported is the present value of the right to receive all of the payments included in the structured settlement, allocated in the case of multiple recipients in the same manner as single payment recoveries.

### § 10.714 What amounts are included in the refundable disbursements?

The refundable disbursements of a specific claim consist of the total money paid by OWCP from the Employees' Compensation Fund with respect to that claim to or on behalf of a FECA beneficiary, less charges for any medical file review (i.e., the physician does not examine the employee) done at the request of OWCP. Charges for

medical examinations also may be subtracted if the FECA beneficiary establishes that the examinations were required to be made available to the employee under a statute other than the FECA by the employing agency or at the employing agency's cost.

### § 10.715 Is a beneficiary required to pay interest on the amount of the refund due to the United States?

If the refund due to the United States is not submitted within 30 days of receiving a request for payment from SOL or OWCP, interest shall accrue on the refund due to the United States from the date of the request. The rate of interest assessed shall be the rate of the current value of funds to the United States Treasury as published in the FEDERAL REGISTER (as of the date the request for payment is sent). Waiver of the collection of interest shall be in accordance with the provisions of the Department of Labor regulations on Federal Claims Collection governing waiver of interest, 29 CFR 20.61.

### § 10.716 If the required refund is not paid within 30 days of the request for repayment, can it be collected from payments due under the FECA?

If the required refund is not paid within 30 days of the request for payment, OWCP can, in its discretion, collect the refund by withholding all or part of any payments currently payable to the beneficiary under the FECA with respect to any injury. The waiver provisions of §§ 10.432 through 10.440 do not apply to such determinations.

### § 10.717 Is a settlement or judgment received as a result of allegations of medical malpractice in treating an injury covered by the FECA a gross recovery that must be reported to OWCP or SOL?

Since an injury caused by medical malpractice in treating an injury covered by the FECA is also an injury covered under the FECA, any recovery in a suit alleging such an injury is treated as a gross recovery that must be reported to OWCP or SOL.
