(2) In making the determination under paragraph (d)(1)(ii) of this section, OWCP will consider:

(i) The nature, frequency and duration of exposure of the covered employee to the substance alleged to be toxic;

(ii) Evidence of the carcinogenic or pathogenic properties of the alleged toxic substance to which the employee was exposed;

(iii) An opinion of a qualified physician with expertise in treating, diagnosing or researching the illness claimed to be caused or aggravated by the alleged exposure; and

(iv) Any other evidence that OWCP determines to have demonstrated relevance to the relation between a particular toxic substance and the claimed illness.

§ 30.232 How does a claimant establish that the employee has been diagnosed with a covered illness, or sustained an injury, illness, impairment or disease as a consequence of a covered illness?

(a) To establish that the employee has been diagnosed with a covered illness as required by §30.230(d), the employee, or his or her survivor(s), must provide the following:

(1) The name and address of any licensed physician who is the source of a diagnosis based upon documented medical information that the employee has or had an illness and that the illness may have resulted from exposure to a toxic substance while the employee was employed at a DOE facility or a RECA section 5 facility, as appropriate, and, to the extent practicable, a copy of the diagnosis and a summary of the information upon which the diagnosis is based; and

(2) A signed medical release, authorizing the release of any diagnosis, medical opinion and medical records documenting the diagnosis or opinion that the employee has or had an illness and that the illness may have resulted from exposure to a toxic substance while the employee was employed at a DOE facility or a RECA section 5 facility, as appropriate; and

(3) To the extent practicable and appropriate, an occupational history obtained by a physician, an occupational health professional, or a DOE-sponsored Former Worker Program (if such an occupational history is not reasonably available or is inadequate, and such history is deemed by OWCP to be needed for the fair adjudication of the claim, then OWCP may assist the claimant in developing this history); and

(4) Any other information or materials deemed by OWCP to be necessary to provide reasonable evidence that the employee has or had an illness that may have arisen from exposure to a toxic substance while employed at a DOE facility or RECA section 5 facility, as appropriate.

(b) The employee, or his or her survivor(s), may also submit to OWCP other evidence not described in paragraph (a) of this section showing that the employee has or had an illness that
resulted from an exposure to a toxic substance during the course of employment at either a DOE facility or a RECA section 5 facility, as appropriate.

(c) An injury, illness, impairment or disease sustained as a consequence of a covered illness (as defined in §30.5(r)) must be established with a fully rationalized medical report by a physician that shows the relationship between the injury, illness, impairment or disease and the covered illness. Neither the fact that the injury, illness, impairment or disease manifests itself after a diagnosis of a covered illness, nor the belief of the claimant that the injury, illness, impairment or disease was caused by the covered illness, is sufficient in itself to prove a causal relationship.

Subpart D—Adjudicatory Process

§ 30.300 What process will OWCP use to decide claims for entitlement and to provide for administrative review of those decisions?

OWCP district offices will issue recommended decisions with respect to claims for entitlement under Part B and/or Part E of EEOICPA that are filed pursuant to the regulations set forth in subpart B of this part. In circumstances where a claim is made for more than one benefit available under Part B and/or Part E of the Act, OWCP may issue a recommended decision on only part of that particular claim in order to adjudicate that portion of the claim as quickly as possible. Should this occur, OWCP will issue one or more recommended decisions on the deferred portions of the claim when the adjudication of those portions is completed. All recommended decisions granting and/or denying benefits under Part B and/or Part E of the Act will be forwarded to the Final Adjudication Branch (FAB). Claimants will be given an opportunity to object to all or part of the recommended decision before the FAB. The FAB will consider objections filed by a claimant and conduct a hearing, if requested to do so by the claimant, before issuing a final decision on the claim for entitlement.

§ 30.301 May subpoenas be issued for witnesses and documents in connection with a claim under Part B of EEOICPA?

(a) In connection with the adjudication of a claim under Part B of EEOICPA, an OWCP district office and/or a FAB reviewer may, at their own initiative, issue subpoenas for the attendance and testimony of witnesses, and for the production of books, electronic records, correspondence, papers or other relevant documents. Subpoenas will only be issued for documents if they are relevant and cannot be obtained by other means, and for witnesses only where oral testimony is the best way to ascertain the facts.

(b) A claimant may also request a subpoena in connection with his or her claim under Part B of the Act, but such request may only be made to a FAB reviewer. No subpoenas will be issued at the request of the claimant under any other portion of the claims process. The decision to grant or deny such request is within the discretion of the FAB reviewer. To request a subpoena under this section, the requestor must:

(1) Submit the request in writing and send it to the FAB reviewer as early as possible, but no later than 30 days (as evidenced by postmark, electronic marker or other objective date mark) after the date of the original hearing request;

(2) Explain why the testimony or evidence is directly relevant and material to the issues in the case; and

(3) Establish that a subpoena is the best method or opportunity to obtain such evidence because there are no other means by which the documents or testimony could have been obtained.

(c) No subpoena will be issued for attendance of employees or contractors of OWCP or NIOSH acting in their official capacities as decision-makers or policy administrators. For hearings taking the form of a review of the written record, no subpoena for the appearance of witnesses will be considered.

(d) The FAB reviewer will issue the subpoena under his or her own name. It may be served in person or by certified mail, return receipt requested, addressed to the person to be served at his or her last known principal place of business or residence. A decision to
