

§ 404.1024

20 CFR Ch. III (4-1-10 Edition)

§ 404.1024 Election of coverage by religious orders.

A religious order whose members are required to take a vow of poverty, or any autonomous subdivision of that religious order, may elect to have social security coverage extended to the work performed by its members in the exercise of duties required by that order or subdivision. The rules on the election of coverage by these religious orders are described in 26 CFR 31.3121(r). The rules on determining the wages of members of religious orders for which an election of coverage has been made are described in § 404.1046.

§ 404.1025 Work for religious, charitable, educational, or certain other organizations exempt from income tax.

(a) *After 1983.* Work done after 1983 by an employee in the employ of a religious, charitable, educational, or other organization described in section 501(c)(3) of the Code which is exempt from income tax under section 501(a) of the Code is covered as employment unless the work is for a church or church-controlled organization that has elected to have services performed by its employees excluded (see § 404.1026). (See § 404.1059(b) for special wage rule.)

(b) *Before 1984.* Work described in paragraph (a) of this section which was done before 1984 is excluded from employment. However, the exclusion does not apply to work done during the period for which a form SS-15, Certificate Waiving Exemption From Taxes Under the Federal Insurance Contributions Act, was filed (or was deemed to have been filed) with the Internal Revenue Service.

§ 404.1026 Work for a church or qualified church-controlled organization.

(a) *General.* If you work for a church or qualified church-controlled organization, as described in this section, your employer may elect to have your services excluded from employment. You would then be considered to be self-employed and special conditions would apply to you. See § 404.1068(f) for those special conditions. The employer's election of the exclusion must be made with the Internal Revenue Service

in accordance with Internal Revenue Service procedures and must state that the church or church-controlled organization is opposed for religious reasons to the payment of Social Security employment taxes. The exclusion applies to current and future employees. If you work in an unrelated trade or business (within the meaning of section 513(a) of the Code) of the church or church-controlled organization, the exclusion does not apply to your services.

(b) *What is a church.* For purposes of this section the term *church* means a church, a convention or association of churches, or an elementary or secondary school which is controlled, operated, or principally supported by a church or by a convention or association of churches.

(c) *What is a qualified church-controlled organization.* For purposes of this section the term *qualified church-controlled organization* means any church-controlled organization exempt from income tax under section 501(c)(3) of the Code but does *not* include an organization which:

(1) Offers goods, services, or facilities for sale to the general public, other than on an incidental basis, or for other than a nominal charge which is substantially less than the cost of providing such goods, services, or facilities; and

(2) Normally receives more than 25 percent of its support from either governmental sources or receipts from admissions, sales of merchandise, performance of services or furnishing of facilities other than in an unrelated trade or business, or both.

§ 404.1027 Railroad work.

We exclude from employment any work you do as an employee or employee representative as described in the Railroad Retirement Tax Act. However, railroad compensation can be counted for social security purposes under the conditions described in subpart O of this part.

§ 404.1028 Student working for a school, college, or university.

(a) For purposes of this section, a *school, college, or university* has its

usual accepted meaning. It does not, however, include any school, college, or university that is an instrumentality or integral part of a State or a political subdivision of a State for which work can only be covered by an agreement under section 218 of the Act. (See subpart M of this part.)

(b) If you are a student, any work you do as an employee of a school, college or university is excluded from employment, if you are enrolled in and regularly attending classes at that school, college, or university. The exclusion also applies to work you do for a private nonprofit auxiliary organization of the school, college, or university if it is organized and operated exclusively for the benefit of, to perform functions of, or to carry out the purposes of the school, college, or university. The organization must be operated, supervised, or controlled by, or in connection with, the school, college, or university.

(c) Whether you are a student for purposes of this section depends on your relationship with your employer. If your main purpose is pursuing a course of study rather than earning a livelihood, we consider you to be a student and your work is not considered employment.

§ 404.1029 Student nurses.

If you are a student nurse, your work for a hospital or nurses training school is excluded from employment if you are enrolled and regularly attending classes in a nurses training school which is chartered or approved under State law.

§ 404.1030 Delivery and distribution or sale of newspapers, shopping news, and magazines.

(a) *If you are under age 18.* Work you do before you reach age 18 delivering or distributing newspapers or shopping news is excluded from employment. This does not include delivery or distribution to some point for further delivery or distribution by someone else. If you make house-to-house delivery or sale of newspapers or shopping news (including handbills and similar kinds of advertising material), your work is not covered while you are under age 18.

Related work such as assembling newspapers is also excluded.

(b) *If you are any age.* No matter how old you are, work you do in connection with and at the time of the sale of newspapers or magazines to consumers is excluded from employment if there is an arrangement under which—

(1) You are to sell the newspapers or magazines at a fixed price; and

(2) Your pay is the difference between the fixed selling price and the amount you are charged for the newspapers or magazines (whether or not you are guaranteed a minimum amount of compensation or receive credit for unsold newspapers or magazines).

(c) *If you are age 18 or older.* If you have attained age 18, you are self-employed if you work under the arrangement described in paragraph (b) of this section. See § 404.1068(b).

§ 404.1031 Fishing.

(a) If you work on a boat engaged in catching fish or other forms of aquatic animal life, your work is not employment if you have an arrangement with the owner or operator of the boat which provides for all of the following:

(1) You do not receive any cash pay (other than as provided in paragraph (a)(2) of this section).

(2) You receive a share of the catch or a share of the proceeds from the sale of the catch.

(3) The amount of your share depends on the size of the catch.

(4) The operating crew of the boat (or each boat from which you receive a share if the fishing operation involves more than one boat) is normally made up of fewer than 10 individuals.

(b) Work excluded from employment under this section is considered to be self-employment (§ 404.1068(e)).

§ 404.1032 Work for a foreign government.

If you work as an employee of a foreign government in any capacity, your work is excluded from employment. If you are a citizen of the United States and work in the United States as an employee of a foreign government, you are considered to be self-employed (§ 404.1068(d)).
