

§ 404.1360

20 CFR Ch. III (4-1-10 Edition)

(b) *Certification for payment.* If we determine that you can be paid a monthly benefit or lump-sum death payment, we certify these benefits for payment. However, the amount of your monthly benefit or lump-sum death payment may be changed if we are informed by the Veterans Administration that a pension or compensation is payable because of the veteran's death as explained in § 404.1360.

(c) *Payments not considered as pension or compensation.* We do not consider as pension or compensation—

- (1) National Service Life Insurance payments;
- (2) United States Government Life Insurance payments; or
- (3) Burial allowance payments made by the Veterans Administration.

EFFECT OF OTHER BENEFITS ON PAYMENT OF SOCIAL SECURITY BENEFITS AND PAYMENTS

§ 404.1360 Veterans Administration pension or compensation payable.

(a) *Before we determine and certify payment.* If we are informed by the Veterans Administration that a pension or compensation is payable to you before we determine and certify payment of benefits based on deemed insured status, we compute your monthly benefit or lump-sum death payment based on the death of the World War II veteran without using the wage credits discussed in § 404.1350.

(b) *After we determine and certify payment.* If we are informed by the Veterans Administration that a pension or compensation is payable to you after we determine and certify payment of benefits based on deemed insured status, we—

- (1) Stop payment of your benefits or recompute the amount of any further benefits that can be paid to you; and
- (2) Determine whether you were erroneously paid and the amount of any erroneous payment.

§ 404.1361 Federal benefit payable other than by Veterans Administration.

(a) *Before we determine and certify payment.* If we are informed by another Federal agency or instrumentality of the United States (other than the Veterans Administration) that a Federal

benefit is payable to you by that agency or instrumentality based on the veteran's World War II or post-World War II active service before we determine and certify your monthly benefit or lump-sum death payment, we compute your monthly benefit or lump-sum death payment without using the wage credits discussed in § 404.1340.

(b) *After we determine and certify payment.* If we are informed by another Federal agency or instrumentality of the United States (other than the Veterans Administration) that a Federal benefit is payable to you by that agency or instrumentality based on the veteran's World War II or post-World War II active service after we determine and certify payment, we—

- (1) Stop payment of your benefits or recompute the amount of any further benefits that can be paid to you; and
- (2) Determine whether you were erroneously paid and the amount of any erroneous payment.

§ 404.1362 Treatment of social security benefits or payments where Veterans Administration pension or compensation payable.

(a) *Before we receive notice from the Veterans Administration.* If we certify your monthly benefit or a lump-sum death payment as determined under the deemed insured status provisions in § 404.1350 before we receive notice from the Veterans Administration that a pension or compensation is payable to you, our payments to you are erroneous only to the extent that they exceed the amount of the accrued pension or compensation payable.

(b) *After we receive notice from the Veterans Administration.* If we certify your monthly benefit or lump-sum death payment as determined under the deemed insured status provisions in § 404.1350 after we receive notice from the Veterans Administration that a pension or compensation is payable to you, our payments to you are erroneous whether or not they exceed the amount of the accrued pension or compensation payable.
