may request the State VR agency or alternate participant to submit to us a copy(ies) of its specific written cost-containment policies and procedures (e.g., any guidelines and fee schedules for a given year) if we determine that such additional information is necessary to ensure compliance with the requirements of this subpart. The State VR agency or alternate participant shall provide such information when requested by us.

(d) The total payment in each case, including any prior payments related to earlier continuous 9-month periods of SGA made under this subpart, must not be so high as to preclude a “net saving” to the trust funds (a “net saving” is the difference between the estimated saving to the trust funds, if disability benefits eventually terminate, and the total amount we pay to the State VR agency or alternate participant);

(e) Any payment to the State VR agency for either direct or indirect VR expenses must be consistent with the cost principles described in 45 CFR part 74 or 41 CFR parts 1–15 as appropriate; and

(f) Payment for VR services or costs may be made under more than one of the VR payment provisions described in §§404.2111 and 404.2112 of this subpart and similar provisions in §§416.2211 and 416.2212 of subpart V of part 416. However, payment will not be made more than once for the same VR service or cost; and

(g) Payment will be made for administrative costs and for counseling and placement costs. This payment may be on a formula basis, or on an actual cost basis, whichever the State VR agency prefers. The formula will be negotiated. The payment will also be subject to the preceding limitations.
