§ 411.375 Does a State VR agency continue to provide services under the requirements of the State plan approved under title I of the Rehabilitation Act of 1973, as amended (29 U.S.C. 720 et seq.), when functioning as an EN?

Yes. The State VR agency must continue to provide services under the requirements of the State plan approved under title I of the Rehabilitation Act of 1973, as amended (29 U.S.C. 720 et seq.), even when functioning as an EN.

§ 411.380 What does a State VR agency do if the State VR agency wants to determine whether a person seeking services has a ticket?

A State VR agency can contact the Program Manager (PM) to determine if a person seeking VR services has a ticket and, if so, whether the ticket may be assigned to the State VR agency (see § 411.140) or reassigned to the State VR agency (see § 411.150). (See § 411.115(k) for a definition of the PM.)

§ 411.385 What does a State VR agency do if a beneficiary who is eligible for VR services has a ticket that is available for assignment or reassignment?

(a) Once the State VR agency determines that a beneficiary is eligible for VR services, the beneficiary and a representative of the State VR agency must agree to and sign the individualized plan for employment (IPE) required under section 102(b) of the Rehabilitation Act of 1973, as amended (29 U.S.C. 722(b)). The State VR agency must submit the following information to the PM in order for the beneficiary’s ticket to be considered in use:

1. A statement that an IPE has been agreed to and signed by both the beneficiary and a representative of the State VR agency;
2. A statement of the vocational goal outlined in the beneficiary’s IPE; and
3. A statement of the State VR agency’s selection of the payment system (either the cost reimbursement payment system or the previously elected EN payment system) under which the State VR agency will seek payment for providing services to the beneficiary.

(b) This information must be submitted to the PM in a format prescribed by us and must include the signatures of both the beneficiary, or a representative of the beneficiary, and a representative of the State VR agency.

§ 411.390 What does a State VR agency do if a beneficiary to whom it is already providing services has a ticket that is available for assignment?

If a beneficiary who is receiving services from the State VR agency under an existing IPE becomes eligible for a ticket that is available for assignment, the State VR agency must submit the information required in § 411.385(a) to the PM. We require this information in order for the beneficiary’s ticket to be considered in use. If a beneficiary who is receiving services from the State VR agency under an existing IPE becomes eligible for a ticket that is available for assignment, the State VR agency is limited to the cost reimbursement payment system, unless both the beneficiary and the State VR agency agree to have the ticket assigned to the State VR agency.

§ 411.395 Is a State VR agency required to provide periodic reports?

(a) For cases where a State VR agency provided services functioning as an EN, the State VR agency will be required to prepare periodic reports on the specific outcomes achieved with respect to the specific services the State VR agency provided to or secured for disabled beneficiaries whose tickets it accepted for assignment. These reports must be submitted to the PM at least annually.

(b) Regardless of the payment method selected, a State VR agency must submit information to assist the PM conducting the reviews necessary to assess a beneficiary’s timely progress toward self-supporting employment to determine if a beneficiary is using a
