title II disability beneficiary, on the same ticket; and

(iii) The ticket has not terminated for any of the other reasons listed in §411.155.

(2) The EN (or State VR agency acting as an EN) must request payment for outcome payment months. In its initial request, the EN (or State VR agency acting as an EN) must submit evidence of the beneficiary's work or earnings (e.g., a statement of monthly earnings from the employer or the employer's designated payroll preparer, or an unaltered copy of the beneficiary's pay stub). After we have started paying outcome payments to an EN (or State VR agency acting as an EN) based on evidence of the beneficiary's earnings, the EN (or State VR agency) must provide documentation of the beneficiary's continued work or earnings in such a manner or form and at such time or times as we may require. Exception: If the EN (or State VR agency) does not currently hold the ticket because it is assigned to another EN (or State VR agency), the EN (or State VR agency) must request payment, but is not required to submit evidence of the beneficiary's work or earnings. However, if the payment request is for work the beneficiary attained in a month in which the EN no longer held the ticket, the payment request should include evidence that the services agreed to in the IWP/IPE were provided and those services contributed to the beneficiary's work.

(c) *Evidence requirements for payment.* As primary evidence, we require original pay slips, or oral or written statements from an employer or the employer's designated payroll preparer. In lieu of primary evidence, we accept two sources of secondary evidence, such as photocopies of pay slips, a signed beneficiary statement, State unemployment records or federal/state tax returns. The evidence must be clear and legible and include the beneficiary's name, gross earnings or net earnings from self employment, pay date and pay period of wages or monthly net earnings of self-employment earnings.

20 CFR Ch. III (4-1-10 Edition)

§411.580 Can an EN receive payments for milestones or outcome payment months that occur before the beneficiary assigns a ticket to the EN?

No. An EN (or State VR agency acting as an EN) may be paid only for milestones or outcome payment months that are achieved after the month in which the ticket is assigned to the EN or State VR agency acting as an EN (except as provided for in §411.536).

[73 FR 29351, May 20, 2008]

§411.581 Can an EN receive milestone and outcome payments for months after a beneficiary takes his or her ticket out of assignment?

Yes. If an individual whose ticket is assigned to an EN (or State VR agency acting as an EN) takes his or her ticket out of assignment (see §411.145), the EN (or State VR agency) can receive payments under its elected payment system for milestones or outcome payment months that occur after the ticket is taken out of assignment, provided the ticket has not terminated for any of the reasons listed in §411.155. The PM will make a determination about eligibility for a payment based upon the contribution of services provided by an EN toward the achievement of the outcome or milestones. See §411.560 for situations in which payment may be made to more than one EN or State VR agency based on the same milestone or outcome.

[73 FR 29351, May 20, 2008]

§411.582 Can a State VR agency receive payment under the cost reimbursement payment system if a continuous 9-month period of substantial gainful activity is completed after the ticket is assigned to an EN?

Yes. If a State VR agency provides services to a beneficiary under 34 CFR part 361, and elects payment under the cost reimbursement payment system under subpart V of part 404 (or subpart V of part 416) of this chapter, the State VR agency can receive payment under the cost reimbursement payment system for services provided to the beneficiary if all the requirements under subpart V of part 404 (or subpart V of part 416) of this chapter and §411.585

are met even when these requirements are met after the ticket has been assigned to the EN. The EN can be paid during this period in accordance with §§ 411.525 and 411.535.

[73 FR 29351, May 20, 2008]

§ 411.585 Can a State VR agency and an EN both receive payment for serving the same beneficiary?

Yes. A State VR agency and an EN can both receive payment for serving the same beneficiary, but the ticket can only be assigned to one EN, including a State VR agency acting as an EN, at a time. It also cannot be assigned to an EN and placed in the VR cost reimbursement status at the same time.

(a) A State VR agency may act as an EN and serve a beneficiary. In this case, both the State VR agency acting as an EN and another EN may be eligible for payment based on the same ticket (see § 411.560).

(b) If a State VR agency is paid by us under the VR cost reimbursement option, such payment does not preclude payment by us to an EN or to another State VR agency acting as an EN under its elected EN payment system. A subsequent VR agency also may choose to be paid under the VR cost reimbursement option.

(c) If an EN or a State VR agency acting as an EN is paid by us under one of the EN payment systems, that does not preclude payment by us to a different State VR agency under the VR cost reimbursement option. The subsequent State VR agency also may choose to be paid under its elected EN payment system.

[73 FR 29351, May 20, 2008]

§ 411.590 What can an EN do if the EN disagrees with our decision on a payment request?

(a) If an EN other than a State VR agency has a payment dispute with us, the dispute shall be resolved under the dispute resolution procedures contained in the EN's agreement with us.

(b) If a State VR agency serving a beneficiary as an EN has a dispute with us regarding payment under an EN payment system, the State VR agency may, within 60 days of receiving notice of our decision, request reconsideration in writing. The State VR agency must

send the request for reconsideration to the PM. The PM will forward to us the request for reconsideration and a recommendation. We will notify the State VR agency of our reconsidered decision in writing.

(c) An EN (including a State VR agency) cannot appeal determinations we make about an individual's right to benefits (e.g. determinations that disability benefits should be suspended, terminated, continued, denied, or stopped or started on a different date than alleged). Only the beneficiary or applicant or his or her representative can appeal these determinations. See § 404.900 *et seq.* and 416.1400 *et seq.* of this chapter.

(d) Determinations or decisions we make about a beneficiary's right to benefits may cause payments we have already made to an EN (or denial of payment to an EN) to be incorrect, resulting in an underpayment or overpayment to the EN. If this happens, we will make any necessary adjustments to future payments (see § 411.555). See § 411.555(c) for when we will not make an adjustment in a case in which an overpayment results from a determination or decision we make about a beneficiary's right to benefits.) While an EN cannot appeal our determination about an individual's right to benefits, the EN may furnish any evidence the EN has which relates to the issue(s) to be decided on appeal if the individual appeals our determination.

§ 411.595 What oversight procedures are planned for the EN payment systems?

We use audits, reviews, studies and observation of daily activities to identify areas for improvement. Internal reviews of our systems security controls are regularly performed. These reviews provide an overall assurance that our business processes are functioning as intended. The reviews also ensure that our management controls and financial management systems comply with the standards established by the Federal Managers' Financial Integrity Act and the Federal Financial Management Improvement Act. These reviews operate in accordance with the Office
