

## § 416.1075

### § 416.1075 Finding of substantial failure.

A finding of substantial failure with respect to a State may not be made unless and until the State is afforded an opportunity for a hearing.

#### HEARINGS AND APPEALS

### § 416.1080 Notice of right to hearing on proposed finding of substantial failure.

If, following the mandatory performance support period and the 3-month adjustment period, a State agency again falls below two of three threshold levels (one being performance accuracy) in two consecutive quarters in the succeeding 12 months, we will notify the State in writing that we will find that the State agency has substantially failed to meet our standards unless the State submits a written request for a hearing with the Department of Health and Human Services' Departmental Appeals Board within 30 days after receiving the notice. The notice will identify the threshold levels that were not met by the State agency, the period during which the thresholds were not met, and the accuracy and processing time levels attained by the State agency during this period. If a hearing is not requested, the State agency will be found to have substantially failed to meet our standards, and we will implement our plans to assume the disability determination function.

### § 416.1081 Disputes on matters other than substantial failure.

Disputes concerning monetary disallowances will be resolved in proceedings before the Department of Health and Human Services, Departmental Appeals Board if the issue cannot be resolved between us and the State. Disputes other than monetary disallowances will be resolved through an appeal to the Commissioner of Social Security, who will make the final decision. (See § 416.1027.)

#### ASSUMPTION OF DISABILITY DETERMINATION FUNCTION

### § 416.1090 Assumption when we make a finding of substantial failure.

(a) *Notice to State.* When we find that substantial failure exists, we will notify the State in writing that we will assume responsibility for performing the disability determination function from the State agency, whether the assumption will be partial or complete, and the date on which the assumption will be effective.

(b) *Effective date of assumption.* The date of any partial or complete assumption of the disability determination function from a State agency may not be earlier than 180 days after our finding of substantial failure, and not before compliance with the requirements of § 416.1092.

### § 416.1091 Assumption when State no longer wishes to perform the disability determination function.

(a) *Notice to the Commissioner.* If a State no longer wishes to perform the disability determination function, it will notify us in writing. The notice must be from an official authorized to act for the State for this purpose. The State will provide an opinion from the State's Attorney General verifying the authority of the official who gave the notice.

(b) *Effective date of assumption.* The State agency will continue to perform whatever activities of the disability determination function it is performing at the time the notice referred to in paragraph (a) of this section is given for not less than 180 days or, if later, until we have complied with the requirements of § 416.1092.
