

(ii) Any advances made to such State during such one-year period under title XII of the Social Security Act;

(2) There will be adequate funds in the State unemployment fund (as estimated by the OWS Administrator) sufficient to pay all benefits when due and payable under the State law during the three-month period beginning on November 1 of such taxable year without receiving any advance under title XII of the Social Security Act; and

(3) There is a net increase (as estimated by the OWS Administrator) in the solvency of the State unemployment compensation system for the taxable year and such net increase equals or exceeds the potential additional taxes for such taxable year as estimated under paragraph (a)(1)(i) of this section.

(b) *Net increase in solvency.* (1) The net increase in solvency for a taxable year, as determined for the purposes of paragraph (a)(3) of this section, must be attributable to legislative changes made in the State law after the later of—

(i) September 3, 1982, or

(ii) The date on which the first advance is taken into account in determining the amount of the potential additional taxes.

(2) The OWS Administrator shall determine the net increase in solvency by first estimating the difference between revenue receipts and benefit outlays under the law in effect for the year for which avoidance is requested, as if the relevant changes in State law referred to in paragraph (b)(1) of this section were not in effect for such year. The OWS Administrator shall then estimate the difference between revenue receipts and benefit outlays under the law in effect for the year for which the avoidance is requested, taking into account the relevant changes in State law referred to in paragraph (b)(1) of this section. The amount (if any) by which the second estimated difference exceeds the first estimated difference shall constitute the net increase in solvency for the purposes of this section.

(c) *Year taken into account.* If a State qualifies for avoidance for any year, that year and January 1 of that year to which the avoidance applies will be taken into account for purposes of de-

termining reduction of tax credits for subsequent taxable years.

§ 606.24 Application for avoidance.

(a) *Application.* (1) The Governor of the State shall make application, addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests avoidance of tax credit reduction. The Governor is required to notify the Department on or before October 15 of such taxable year of any action impacting upon the State's application occurring subsequent to the date of the initial application and on or before November 10.

(2) The OWS Administrator will make a determination on the application as of November 10 of such taxable year, will notify the applicant and the Secretary of the Treasury of such determination, and will cause notice of such determination to be published in the FEDERAL REGISTER.

(b) *Information.* (1) The application shall include a statement of the amount of advances repaid and to be repaid during the one-year period ending on November 9 of the taxable year for which avoidance is requested. If the amount repaid as of the date of the application is less than the amount required to satisfy the provisions of § 606.23(a)(1), the Governor shall provide a report later of the additional repayments that have been made in the remainder of the one-year period ending on November 9 of the taxable year, for the purposes of meeting the provisions of § 606.23(a)(1).

(2) The application also shall include estimates of revenue receipts, benefit outlays, and end-of-month fund balance for each month in the period beginning with September of the taxable year for which avoidance is requested through the subsequent January. Actual data for the comparable period of the preceding year also shall be included in the application in order to determine the reasonableness of such estimates.

(3) The application also shall include a description of State law changes, effective for the taxable year for which the avoidance is requested, which resulted in a net increase in the solvency of the State unemployment compensation system, and documentation which

§ 606.25

supports the State's estimate of the net increase in solvency for such taxable year.

§ 606.25 Waiver of and substitution for additional tax credit reduction.

A provision of subsection (c)(2) of section 3302 of FUTA provides that, for a State that qualifies, the additional tax credit reduction applicable under subparagraph (C), beginning in the fifth consecutive year of a balance of outstanding advances, shall be waived and the additional tax credit reduction applicable under subparagraph (B) shall be substituted. The waiver and substitution are granted if the OWS Administrator determines that the State has taken no action, effective during the 12-month period ending on September 30 of the year for which the waiver and substitution are requested, which has resulted or will result in a net decrease in the solvency of the State unemployment compensation system as determined for the purposes of §§ 606.20(a)(2) and 606.21(b).

§ 606.26 Application for waiver and substitution.

(a) *Application.* The Governor of the State shall make application addressed to the Secretary of Labor, no later than July 1 of a taxable year with respect to which a State requests waiver and substitution. Any such application shall contain the supportive data and information required by § 606.22(b) for the purposes of §§ 606.20(a)(2) and 606.21(b). The Governor is required to notify the Department on or before October 15 of such taxable year of action occurring after the date of the initial application and effective prior to October 1 of such year that would impact upon the State's application.

(b) *Notification of determination.* The OWS Administrator will make a determination on the application as of November 10 of the taxable year, will notify the applicant and the Secretary of the Treasury of the resulting tax credit reduction to be applied, and will cause notice of such determination to be published in the FEDERAL REGISTER.

§ 606.31 Due dates for payment of interest. [Reserved]

§ 606.32 Types of advances subject to interest.

(a) *Payment of interest.* Except as otherwise provided in paragraph (b) of this section each State shall pay interest on any advance made to such State under title XII of the Social Security Act.

(b) *Cash flow loans.* Advances repaid in full prior to October 1 of the calendar year in which made are deemed cash flow loans and shall be free of interest; provided, that the State does not receive an additional advance after September 30 of the same calendar year. If such additional advance is received by the State, interest on the completely repaid earlier advance(s) shall be due and payable not later than the day following the date of the first such additional advance. The administrator of the State agency shall notify the Secretary of Labor no later than September 10 of those loans deemed to be cash flow loans and not subject to interest. This notification shall include the date and amount of each loan made in January through September and a copy of documentation sent to the Secretary of the Treasury requesting loan repayment transfer(s) from the State's account in the Unemployment Trust Fund to the Federal unemployment account in such Fund.
